14. Rebecca Pratts	Manager without edit	10/30/2018 22:47:16

Displays which buildings Roster is set up for this drill. If the Associated Building does not match the building at the top of the report, correct this in the CrisisGo Console.

Displays the number of Managers (admin and safety team) and Members (teachers and staff) that will receive the Drill Alert.

Displays the names of the individuals who will receive the Drill Alert.

Displays the roles of the individuals who receive the Alert. The safety team should be set as Managers with or without edit. Staff should be set as Member.

Displays the last time the user logged into CrisisGo. Users who have never logged in will have a blank in this section. Contact these users before the Drill to ensure they can log in and understand how to use the App.
