The pulse of progress

Tyler's, Frenchie, Woodhouse Spa and Second Rodeo Brewing are among the retail, dining, and wellness concepts debuting with Phase I of Firefly Park's 217-acre mixed-use destination in fall 2027. Frenchie brings an elevated yet approachable dining experience, while Woodhouse Spa adds a nationally recognized luxury wellness offering. Second Rodeo Brewing introduces a vibrant gathering place featuring craft beer, live music and an energetic indoor-outdoor atmosphere that extends activity well beyond the workday.

Together, these additions create an amenity-rich environment that enhances the workplace experience and further establishes Firefly Park as a premier destination for dining, wellness and connection.

The ultimate hot spot.

Frisco is a thriving city with a growing population, booming economy, affluent demographics, and supportive business environment. The city's strategic location, skilled workforce, quality of life, and vibrant business community give Frisco businesses a competitive advantage making it the ideal city for companies looking to establish or relocate their headquarters.

Companies Who Choose Frisco:

The city of Frisco.

- Frisco is a modern metropolitan city at the top of its game, leading the way in population growth, business innovation, and an extraordinary quality of life. It also attracts diverse businesses and their highly skilled workers and families nationwide. Frisco provides an affordable lifestyle with a host of quality amenities—including professional sports and an abundance of recreational opportunities, unique dining and retail experiences, and a tapestry of arts and entertainment.
- With a high concentration of headquarters and experienced, diverse talent - Keurig Dr Pepper, Addus Homecare, Careington International, HCA Healthcare Center for Clinical Advancement, and Quality Custom Distribution are just a few companies that have selected Frisco as their corporate home. The Frisco talent pipeline offers education and training programs and a gateway to personal and professional growth through partnerships with the University of North Texas, a tier one research university; Collin College, nationally recognized for their IT Center of Excellence; and other education and training programs.
- Eight professional/collegiate sports organizations with four pro stadiums – a leader in the Business of Sports, home of the Dallas Cowboys, the Dallas Cowboys Cheerleaders, the Dallas Stars, and FC Dallas call Frisco home. As part of a public-private partnership, in 2022, Frisco proudly welcomed PGA of America to a brand new, 600-acre mixed-use development with an initial investment of more than half a billion dollars, adding to the excitement and pride of our sports community.
