HOW IT WORKS

1 SET UP YOUR STOREFRONT

Scan the QR code and create your personal student storefront. It is super quick and easy to set up.

2 SHARE & SELL

Text, email or share the storefront link with friends, family & neighbors. For in-person sales, use the student QR code provided after setup.

3 TRACK YOUR SALES

Check the student dashboard anytime. GoPlaySave emails each customer an activation code and setup instructions. Nothing else needs fulfillment.

Mobile app memberships may be purchased online via credit card or in-person via cash or check made payable to Lyons Farm Elementary School. Those who purchase in-person will receive a card with activation code.
