Step 1: Set Up

Scan the QR code or use the web address below it. Click the 1st button to set up a link to your student storefront.

Step 2: Share & Sell

Share your student storefront link with friends, family & neighbors via text, email & social media. For in-person sales, show the QR code you receive via email when setting up the student storefront. You will receive an email for each sale made through your storefront. All sales must be made through the online student storefront.

Step 3: Track Sales

Visit your student dashboard to view sales. Customers will receive an email with an activation code and instructions to set up and activate their mobile book. You don't need to do anything else.
