GENERAL

A platform for independent filmmaking, creative expression and immersive entertainment, Tribeca supports emerging and established voices, discovers award-winning filmmakers, curates innovative and interactive experiences, and introduces new technology and ideas through panels, premieres, exhibitions, and live performance. Since submission of a film constitutes acceptance of these Entry Rules & Regulations (by you and your agents), please review this document carefully.

KEY DATES

- **September 6, 2016** (10am ET) – Submissions open
- **October 19, 2016** (6pm ET) – Early Entry deadline for:
  - "Features" (film length ≥ 40 minutes)
  - "Shorts" (film length < 40 minutes)
- **November 23, 2016** (6pm ET) – Official Entry deadline for then-complete Features

  - This deadline is for Features ONLY; Shorts will NOT be accepted for this deadline.
- **April 19 – 30, 2017** – 16th Annual Tribeca Film Festival in NYC (the “TFF17”)

The Festival requires that all films be submitted via a password-protected streaming URL link. Please prepare this link in advance of beginning your online film entry form. (If you are unable or unwilling to submit your film by URL link, follow the prompts in the online entry form to contact the Festival programming team to discuss an alternate method of entry).

**Note:** Submissions may be in work-in-progress form; however, films that are not final cuts must be clearly marked Work in Progress ("WIP") or Rough Cut with an indication of what will change or what is missing (e.g., temp sound, Avid output, missing animation, etc.) either indicated in the film cut itself or within the copy display in the streaming link. As long as the streaming link remains the same and password does not change you may update the link with newer cuts as they are available up until the last applicable entry deadline noted above. In the unlikely event of a password change or link change you must email the Festival immediately with that change so we may update your record. If the Festival is not notified of the change and the link is found to be inactive or the password to be incorrect the Festival will send an email to the submitter’s address on file to follow up. If a response with the correct information is not received within forty-eight (48) hours, the submission may be deemed ineligible. If you have submitted a WIP or rough cut of your film by DVD, the Festival will work with you to facilitate the submission of any updated version(s) up until the last applicable entry deadline noted above.

## How to Enter

Apply online at [http://www.tribecafilm.com/festival/submissions](http://www.tribecafilm.com/festival/submissions) or via FilmFreeway at [https://filmfreeway.com/festival/TribecaFilmFestival](https://filmfreeway.com/festival/TribecaFilmFestival) and, after fully completing the online entry form, click “submit”. Please note the online entry form will require you to submit a password-protected URL that links to your film in order to be completed, so plan accordingly and be sure the film has been fully uploaded and the link and password work prior to filling out your online entry form.

## Entry Materials

All entries must include the following:

1. An official TFF17 online entry form, properly completed.
2. As applicable, a password protected streaming link of the film.
3. As applicable, the entry fee(s) for the film submission (see the “Entry Fees” section above), which are payable ONLY by credit card (American Express, Visa, MasterCard, TCB, or Discover). If submitting a student short film, a scan of the student ID or enrollment verification may be provided in lieu of the entry fee on the entry form.
4. If physically submitting your film, you must follow the prompts in the online entry form to contact the Festival programming team. You will then receive instructions for submitting physical copies of your film and completing your entry. Please note that only DVDs, formatted for multi-zone or for Zone 1 (North America), will be accepted for physical submission; Blu-ray and all other formats will NOT be accepted.

Note: It is your sole responsibility to ensure that your online entry form is properly submitted. Within 24 hours of completing and submitting your online entry form, you should receive an email confirmation. If more than 24 hours have passed and you have not received an email confirmation, you may email the Festival at entries@tribecafilmfestival.org or call at (212) 941-2305 to follow up. It is also your responsibility to ensure the streaming link (or DVD, as applicable) is functional and the link and password submitted are accurate. The password protected link must be active at least through March 31, 2017. Regardless of your method of entry, all entry materials MUST be received by the Festival no later than the applicable deadlines referenced above. The Festival reserves the right to disqualify any submission, without refund of any kind, if it is not completed in accordance with these Entry Rules and Regulations.

All physical entry materials received by the Festival will not be returned and will be destroyed or discarded by the Festival.

MULTIPLE ENTRIES

Each film must be individually submitted and accompanied by its own completed online entry form; please do not send links to multiple film entries in your online entry form or compilation DVDs composed of works for separate entries, as any or all of them may be disqualified.

RE-ENTRY

If your film was submitted and considered for previous editions of the Tribeca Film Festival, you may re-enter it if you have made significant changes and if all applicable eligibility requirements are met at the time of entry for TFF17 (see above).

INVITED FILMS

Festival programmers select and invite all films to be presented at the TFF17, with Premiere status considered (see eligibility requirements above). Invited filmmakers will be notified by email or phone via the information provided on the submitted entry form. Make sure to update the Festival with new contact information or any other festival invitations prior to the TFF17 at entries@tribecafilmfestival.org. If your film is invited, your Premiere status will be confirmed with you and locked. Should you accept any other festival invitation that breaches this Premiere status commitment, the Festival reserves the right to rescind the invitation.

IF YOUR FILM IS SELECTED

If your film is selected, you must fulfill the following requirements by the date(s) designated by the Festival:

1. You must execute a release agreement wherein you (i) accept responsibility for obtaining any and all clearances necessary to exhibit your film at TFF17; (ii) warrant that you have the rights necessary to exhibit your film at TFF17; and (iii) indemnify and hold harmless Tribeca Film Festival NYC, LLC, its parent company, its affiliates, and subsidiaries and any of their respective directors, officers, employees, and representatives against any claim arising out of exhibition of your film at TFF17.

2. You must deliver to the address(es) designated by the Festival (i) one (1) exhibition copy (technical specifications must be confirmed by the Festival in advance) of the invited work; (ii) a second exhibition copy, if your film is in competition (to accommodate juror screenings); and (iii) additional exhibition copies, if requested by the Festival (to allow for multiple screenings at more than one venue). We recommend you ship all exhibition copies via courier in order to permit the tracking of your film once it leaves your hands.
   - The required exhibition formats and delivery date deadlines will be confirmed by the Festival after invitations have been extended and confirmed. Please check in with the Festival staff before creating your Festival exhibition copy or copies to ensure the format and technical specifications are correct.
   - The Festival will arrange for (and cover the cost of) return shipping of your exhibition copy (copies) to one (1) location after the conclusion of TFF17.

3. You must provide a properly completed and signed official TFF17 “Film Information Form” including all press and publication assets as specified in the “Materials Checklist” (the “Film Information Form” and “Materials Checklist” will be provided by the Festival).

4. You must provide at least one (1) DVD copy or downloadable link of the final, completed film for Festival archives and internal purposes.
