A partnership of New Visions Charter High Schools and Hunter College

The New
Visions Teacher
Pathways
Program is now
accepting
applications for
June 2020!

The New Visions Teacher Pathways Program is a 24-month teacher preparation master's degree program that trains exceptional candidates to work as Special Educators in New Visions Charter High Schools. After an intensive summer session, work as a full-time Special Education teacher in one of our New Visions Charter High Schools while completing your Master's degree and certification.

Why join the Pathways Program?

- ✓ Extensive Mentoring and Support
- ✓ Practice-Aligned Graduate Coursework
- ✓ Competitive Financial Package

"The support from the program is what kept me going this year. My coach was always a listening ear, always providing me with tools and ideas for how to teach."

- Cynthia Roach, New Visions program graduate, and current Special Education teacher
