**Leader Tips**

Now that you have your personalized discount code, be sure to gather your order together for all of the members of your troop! Your code can be used multiple times through the expiration date - August 1, 2016. Troops can apply both meals and grocery items to meet badge and patch requirements or purchase supplies for everyday camping trips.

By request, we will be happy to include a few [Packit Postcards](#) to hand out to troop members for individual use! This is a great way for Scouts to tell their parents about the site and the postcards are easy to hold on to - so your Scouts will have all of our contact information in one place.

We've set up a special discount code, just for your troop! Get 10% off of every item available on PackitGourmet.com with the discount code:
