LUNCH & LEARN

Lunch & Learn with Nu-Calgon

LEARNING OBJECTIVES:

- **Better Installs:** Learn how cleaning evaporator coils with Evap Foam No Rinse to remove factory residues so systems start clean and run efficiently.
- **Better Maintenance & Upsells:** Use PowerZyme, PurCool Strips, Gel Tabs, and Evap Fresh to support maintenance plans and extend equipment life.
- **Better Diagnosis & Repairs:** Improve first-time fixes with RX11 Flush, Acid Scavenger, A/C Renew, and Easy Seal.
- **Better Proposal Selling:** Increase conversions with upgrades like iWave, NuStart soft starters, and maintenance plans.

MEET OUR EXPERT:

Steve Dover – Nu-Calgon

Steve has been in sales for 30 years. He started in residential HVAC sales in 2000 and switched to wholesale two and a half years ago. He lives in Palm Harbor and his Nu-Calgon territory is Naples to Tallahassee along the west coast. He has been with Nu-Calgon since September of 2022.
