

My Life - 2014

"With God ALL THINGS are possible." - Mark 10:27

2014 is the year I unite with Nan in a bond of deep, passionate love and friendship. And the TAL family is united in a strong bond of life loving friendship and support.

UNITE

Vision: I am completely united with Nan in a bond of deep, passionate love and friendship. We feel constant love and support from each other. I treat her with total respect and admiration, always giving her my attention, my heart, and my love whether she seeks it or not. I am always willing and eager to go above and beyond for her, to drop whatever I'm doing to serve her, and to go out of my way to clean the house and support her in caring for our children and our home. I sing to her and make her feel special. I support her in food preparation, give her thoughtful gifts, and we regularly have amazing intimacy. We are both eager for our bi-weekly dates and time alone together and we love talking and planning our life together each week.

The TAL family is thriving in a strong bond of life loving friendship and support. We are 1000's of members strong across the world. Everyone in the community feels loved and supported and each life is improved dramatically for being a part of the TAL Family.

My daily work is to 1) free my brothers and sisters from their limiting and self-destructive beliefs, and 2) lovingly support them in living the 12 pillars of a TAL. I have streamlined these systems to do this: 1) Publishing helpful Emails, Blog Posts, & Podcasts, 2) Publishing new training and books each month, 3) Being present and supportive in the TAL Mastermind, 4) Effective marketing & business management, 5) Effective management of my investments & financial stewardships.

Money is pouring into my bank accounts daily & I am overflowing with abundance. Each day I: 1) connect to God and myself 2) Move my body vigorously 3) Lovingly support Nan & the kids 4) Read empowering truth 5) Envision my life and fill my heart full of belief and enthusiasm 6) Focus on my priorities in order with diligence. I absolutely love life and I influence every person I touch to love life. I am overflowing with an abundance of amazing friendships with loving, abundant, and wise people and we lift and enrich each other. My Family is full of love! Our home is a haven of peace, joy, laughter, and music. We live a life of love together, and forgive each other quickly. Life is beautiful and every day I am FULLY present and leading my family in expressing pure love, laughter, smiles, forgiveness, & patience.

My loving heavenly father has gracefully created me to be an extremely successful Teacher, Writer, Marketer and Real Estate Investor. So that's exactly what I am and that's exactly what I intend to be and do. No weapon formed against me shall prosper. Doors are opening for me. Big opportunities are presenting themselves to me every day. Key people are coming into my experience to assist me in my mission in life which is to help millions of people live a truly amazing life. I will fulfill this mission and be a part of a major impact for good in the world. Money and everything I need to fulfill my mission are falling from the sky and flooding into my life like a tidal wave. Like a tsunami, I'm being swept away and overcome and overwhelmed with the blessings and favor of God. Doors are opening. God's favor is upon me.

I AM A CHILD OF GOD.
