Dear Friend

I was there heard every
thing - We were almost
dumb - It was a great
sacrilege of the Jesus
Christ doctrine - I wondered
why Miss Johnson editor
of the Christ Way did
not speak - She just sang
a song - and she was
the closest to Mrs M.
After I returned home at
11 P.M. Mrs Deibel sang

up - she was most im-
portant - Mr Hulbert
said it was some thing
- needed to pray a
it - he asked me to
also an appointment
th him as he wanted
talk with me -
Miss Elliot Mrs Campion
a Miss Farnum next
after Mrs R. spoke
one of the teachers seem
agree with her. Many

students have rung up
I simply say - it is not
my idea of an ascension.
Mrs Hind said she never
wanted to hear Mrs Rix
again - One student
laughed and said - its a
joke - next thing they
will tell us she dema-
terialize before them as
it has been hinted at
that she would. Mrs Rix
said the students sat
about for 3 days await-
ing the ascension.

Dear Friend

I must tell you the news — Miss Rix & Miss Johnson, Mrs Melitz's sec., motored up from Los to hold a Memorial for Mrs M. — Invitations by the hundreds were sent out & every Center asked to co-operate — Well there were not more than 200 in Sorosis Hall — small since Mrs M. was really the pioneer of the Truth movement.

Only Home of Truths were on the platform & all told the same story — Miss R. led off with a great story of Mrs M. wonderful demonstration she ascended

according to her in a more
marvelous way than Jesus
Christ. After 6 months of paraly-
sis never moving or speaking
having a trained nurse in at-
tendance this marvelous Christ
child without doctor or medicine
make a wonderful demonstra-
tion & really ascended to the
Father - marvelous say!

The whole thing was a mockery
a great & glorious triumph for
Mrs M - & a magnificent
excuse for the seeming passing
Miss P. was just overwhelmed with
Mrs M. great achievement - no
words of mine are strong e-
nough to express this greatest
of all ascension - never before

has such a demonstration been
given to the world - The
great Christ again ascended,
Oh dear, oh dear, I can't
tell you of all the rubbish
that was given out - Annie
was really called and knew
it so did all the others - Ray-
dall rolled his eyes and talked
of the wonderful resurrection,
Mrs Dering saw her as the Christ,
Mrs Holder of the University beheld
a God but not in ruins - and
shades of St. Peter + Paul. Ida
Mansfield Wilson, whom Mrs M.
openly denounced as a dangerous
woman, - was there and told of
living in the Home and knew.

of her wonderful attributes. It
was one grand and glorious
performance but I don't think
many were taken in. The
phone has been kept busy
with people inquiring "what
do you think of it? Mrs S? I
simply said, - "It is not my
idea of an ascension."

I think it has inspired the
cause - One does the best they
can & that is all we can
do.

What say?

Love to all
