

The Kids Place

Children are welcome to stay with their parents or, if they wish, to go up on the stage, read, color and keep an eye on the grown-ups.

In The Flow Of Life

On the five Wednesdays in August we will study Eric Butterworth's *In The Flow of Life*. In this classic book Eric discusses how to connect our inner life with the Divine flow that permeates our lives, nature and the universe. Topics with include living life from within-out, healing, relationships, prosperity, aging and life, death and rebirth.

Oprah Winfrey says of his book, *Discover the Power Within You*, "This book changed my perspective on life and religion." Dr. Maya Angelou says of Eric: "He has been, is now, and shall forever be my teacher."

The class is led by Jeff Klein, a professional counselor in Georgetown. Jeff has been active in Unity since 1995, has taken many SEE classes in Unity principles and has taught youth ministry in several Unity churches in Texas.

Closing Song – *Let There Be Peace on Earth* – Miller/Jackson

Now there is Peace on Earth and it has begun with me.

Now there is Peace on Earth, the Peace that was meant to be.

With God as Creator, family all are we.

Now we walk with each other in perfect harmony.

Now Peace begins with me and this is the moment now.

With every step I take, this is my joyous vow;

to take each moment and live each moment in Peace eternally.

Now there is Peace on Earth and it has begun with me.
