

Dear Mark,

Thank you from the bottom
of my heart for your card and gift.
Sometimes it is challenging to keep
on keeping on and your support means
a lot to me.

I am 92 now and my hand-
writing shows it. I hope you can
describe my thanks. You have
given me great encouragement.

I love you, too. Hurray a happy
Easter and an profit filled life.

I love you and bless you for
your kindness.
Mary Kay
