A Report from the Association of Unity Churches

Here we are, all of your AUC staff sending our special Christmas love to you. We need somehow to convey to you at this Christmas time how important you are to us. A deep and abiding blessing reaches out to and through you to all you serve. We join you in this spirit of love and faith and the quickened consciousness of the newborn Christ blesses us all wherever we may be.

PROPOSED MONEY PURCHASE PENSION PLAN If you have had an opportunity to discuss the Plan with your board and they are interested in entering into such a project, it is important that you communicate with this office now. It will be necessary for us to have the project underway before the end of the month.

MID-YEAR CONFERENCE OF COMMITTEES January 22 is the time for our Mid-Year Conference of Committees. If you are a member of a Committee that plans to meet during that week, you will want to make your reservation at Unity Village NOW! Please be sure to include arrival and departure time and date and type of accommodation that you would prefer.

THANK YOU FOR GOD FIRST Last month we included the God First cards from Unity School and the response has been wonderful. We are inclosing the January prayer and trust that you will have an opportunity to link-up in prayer with your friends here at Unity School. If you can use more copies for display, let us know. We are grateful to the Publicity Department for making these available.

May God bless all of your Holiday activities!

GOD FIRST

We invite you to join us in putting GOD FIRST in all things and in using this
prayer for the month of January.

God blesses us with plenty
to meet our needs
and plenty to share, and we
meet life with new enthusiasm.
