C O N T A C T

Issue 45

February/March 1974

REPORT ON MIDYEAR COUNCIL OF COMMITTEES

NEW CONTACT DATE DESIGNATION POLICY

HEALING RALLY '74 PROGRAM

The Midyear Council of Committees met at Unity Village January 21-23, 1974, and your AUC Board of Trustees convened January 24-25. The reports of the various Committees to the Board are summarized in this issue.

Although this issue of **CONTACT** bears a date designation of February/March, this is not a combined issue. The date designated on previous issues has been the month the issue was published and mailed. That is, Issue 44 was published and mailed in January and was designated as the January issue. Now that bulk mail is being utilized rather than first class for the distribution of your newsletter, additional in-transit mailing time is required. Accordingly, this month's issue reflects a dual date in order that next month's issue, scheduled to be published and mailed the middle of March, may be designated as the April issue. This change of policy is in response to recommendations from the ministries that the date of your newsletter correspond with the month received.

The program for Healing Rally '74 which is now being finalized is included in this issue.

“THE AUC PRESIDENT SERVING YOU”

February is the month of love! Love is wonderfully defined as *one-with*. Unity, too, can be defined as *one-with*. As Unity ministers, we fulfill our calling as we become *one-with* God, our Source, and *one-with* each other in the Christ way of teaching and living the message of Truth. This, in my mind, is the purpose of our Association of Unity Churches. And isn't this the very thing we are saying on the cover of our 1974 Yearbook, “We in the A.U.C. seek to **ESTABLISH: A loving sense of BELONGING; An atmosphere of ACCEPTANCE; An air of INTEGRITY; An expression of CONFIDENCE; A promise of OPPORTUNITY...for all who are a part of this great UNITY MOVEMENT.**” These are beautiful words and they add up to *one-with* and that spells **LOVE!**

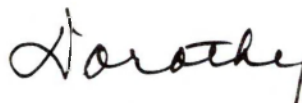

Our Midyear Council of Committees met the week of January 21 and proved to be a great time of consecrated work for the good of all. Eighty-six ministers and teachers met together. Much praise and credit, together with our gratitude, goes to our local church boards and congregations for making it possible for the ministers and teachers to attend. We especially want to express our appreciation to two members of our Laymen's Professional Counsel who met with us, **Richard Buchholzer** of Akron, Ohio, and **Frank Warner** of St. Petersburg, Florida. They shared the laymen's view and always add so much to our deliberations. The AUC Board of Trustees met on Thursday and Friday of the week and it was a powerful team experience. A report of actions taken by the Board during this Council week is presented in this issue of **CONTACT**.

During our Council of Committees week we were hosted to a beautiful luncheon on Monday by our friends in the **Justus Credit Union**. The Council members were served delicious food prepared by Unity Inn. Our thanks to **Wilson Hembree** and his staff. The service rendered the AUC by Justus continues to unfold with strength and benefit to all.

The Southwest Regional Conference was held January 28-30 in our Unity-in-the-Desert church at Palm Springs, California. **Duane and Marjorie Fowler** very thoughtfully hosted the well-attended conference. **Jack Barker**, minister of New Thought Unity Center, Cincinnati, Ohio, and I were privileged to present the Post-Graduate Plan seminar which was enthusiastically received. It is wonderful for our ministers and teachers to gather in the regions to discuss our Unity ideas and to explore ways of getting our message out to people with greater enthusiasm and clarity. The Post-Graduate Plan provides such an opportunity for each of us.

Once again we express our appreciation for each other and we bless our AUC staff at Unity Village for their continuing efforts in serving us. It's been my special joy to sit in on their morning Daily Word meditation, to feel their dedication in prayer and to experience the loving, willing spirit expressed by every worker in AUC. We serve *one-with* each other, at the Village and in the Field, and we support one another in **LOVE**.

In loving support,

Dorothy Pierson

Charles Korfhage reporting for the NORTHERN CALIFORNIA REGION:

NORTHERN CALIFORNIA MINISTERS CONFERENCE — On January 8-10, 1974, twenty-nine of the thirty-two registered ministerial members of the Northern California Ministers Conference met for a three day meeting at Asilomar, the beautiful California State Park located near Monterey. Including spouses, thirty-eight persons were in attendance.

Tuesday morning, January 8, the Conference business was transacted and **Dick Beavans**, new minister of Unity Center - Bakersfield, California, was welcomed into the Conference Body. Newly elected Board officers for the 1974-1975 year are: President — **Rue Nickels**, minister of Unity Church of the Oaks, Sacramento; Vice President — **Gary Jones**, minister of Unity of Palo Alto; Secretary — **Dave McClure**, minister of Unity Christ Church, San Francisco; Treasurer — **Dorothy Roberts**, licensed teacher in San Jose. **Carol Knox**, minister of Unity Center of Walnut Creek was elected to the Board as Member at Large. **Charles Korfhage**, minister of Christ Unity Church, Sacramento, continues to serve as Regional Representative.

On Wednesday, January 9, **Phil White**, Director of Education for Unity School, and **Christina Knox**, minister of Christ Unity Temple, Chicago, Illinois, jointly conducted the Post-Graduate Plan seminar. They were most enthusiastic and competent in their presentations and the all day session brought forth some greater, dynamic ideas for the better teaching of the Unity viewpoint. Methods were developed for motivating students in their personal study of Truth, and techniques and equipment for teachers were discussed and demonstrated.

Thursday morning, January 10, the business session included much brainstorming on ways to better communicate with each other in the Region matters concerning the Regional Youth of Unity and Young Adult groups. The duties and responsibilities of the Regional Representative were expanded. Ideas for sharing newsworthy material with other Regions and ways of supporting the Association of Unity Churches to a greater degree were discussed.

The excellent and very effective program of the three day meeting concluded with a delicious luncheon.

SAN LUIS OBISPO, CALIFORNIA — Congratulations to Unity Christ Church of San Luis Obispo on celebrating this past December their **FIRST ANNIVERSARY** in their new church facilities. **Miki Bowen**, minister of San Luis Obispo, reports that the church income more than doubled this first year and the congregation increased in number by at least fifty percent. Significant mortgage and faith loan payments having been made, a pride of ownership and a sense of responsibility have given the members a feeling of stability as the roots go down deeper for the ministry in San Luis Obispo. Miki further reported that there was standing room only when **Ernest C. Wilson** was guest speaker in January. The Northern California Region rejoices with Unity Christ Church in their tremendous unfolding and expanding work of Spirit.

Jim Lewis reporting for the SOUTH CENTRAL REGION:

DEMING, NEW MEXICO — Our Unity of the Desert ministry in Deming, New Mexico, which is affiliated with First Unity Temple of El Paso, Texas, reports expanding meditation and prayer church services and study classes. **Marian Penrod**, licensed teacher, who since last September has been serving the Deming ministry under the guidance of **Fayeth** and **Bill Fox**, ministers in El Paso, reports a growing consciousness of Truth in Deming. Marian conducts a Wednesday afternoon class and a meditation and prayer service on Sunday morning. Fayeth and Bill travel to Deming each Tuesday evening from El Paso to conduct the regular service.

DENVER, COLORADO — Unity Church of Denver, Colorado, is making effective use of television advertising in their outreach programs. **Jim Lewis**, minister in Denver, reports that their goal is to reach the people who are familiar with Unity through reading the publications such as Daily Word but are not aware that there is a local Unity ministry.

The thirty second spot announcement was prepared and narrated by a member of the Denver congregation who specializes in this type of work. Jim also reports that the Denver ministry is now using its new sanctuary which seats 478 persons. The effectiveness of television advertising is evidenced in that the new sanctuary is filled almost to capacity each Sunday.

MIDYEAR COUNCIL OF COMMITTEES

The Midyear Council of Committees met at Unity Village January 21-23, 1974, and your AUC Board of Trustees convened January 24-25. The reports of the various Committees to the Board are summarized as follows:

EXECUTIVE COMMITTEE, GLENN MOSLEY, CHAIRMAN

GROVER THORNSBERRY RESIGNS FROM BOARD Due to the increasing and expanding responsibilities of his ministry, **Grover Thornsberry**, minister of Unity Church of Truth, Seattle, Washington, submitted his resignation from the Board of Trustees and the Executive Committee. Accepting Grover's resignation with regret, the Board elected **Robert Stevens** of San Diego, California, to the Executive Committee, and **Thomas Sikking** of Vancouver, B. C., Canada, to the Board to fill the unexpired term of Grover.

REPORT ON 1973 INTERNATIONAL CONVENTION A deficit of \$29,314 was incurred by the AUC as a result of sponsoring the 1973 Unity International Convention held this past July in Kansas City, Missouri. The excess expense over income amount has been recovered from the AUC tithe account. The decision as to whether or not to sponsor in 1976 a convention in Philadelphia, Pennsylvania, will be deferred until after Healing Rally '74 is evaluated.

1974 AUC CONFERENCE We are pleased that plans have been developed whereby delegates may attend the 1974 AUC Conference and participate in the program planned for the ministers and teachers. Due to limited housing facilities at the Village, delegates will be required to secure their own housing off the Village grounds. The Pre-Conference program, however, is reserved exclusively for ministers, teachers, and their spouses.

A special one day seminar for spouses will be conducted during Conference by **Doctor Donald Hillerich** of Wittenberg University, Springfield, Ohio. All spouses, including spouses of ministerial students, are encouraged to attend and participate in the seminar.

A daily child care program will be provided by the AUC during each day of the Conference on a no-charge basis for the children of those attending Conference. A list of persons available for babysitting in the evening will also be provided for anyone wishing to contract for their services.

FINANCE AND BUDGET COMMITTEE, CHARLES NEAL, CHAIRMAN

PROPOSED BUDGET FOR 1973-1974 The Finance and Budget Committee submitted a proposed budget of \$384,000 for the 1973-1974 year. The proposed budget will be printed in detail in the 1974 Conference program booklet, a copy of which you will receive prior to Conference. The Committee emphasized the importance of full support by each member of the AUC in maintaining this budget. Adequate support will enable the AUC to continue expanding the services offered to its members.

FINANCE AND BUDGET COMMITTEE Continued

EMERITUS GRANTS INCREASED

Upon recommendation of the Finance and Budget Committee, the AUC Board of Trustees has approved a ten dollar (\$10) per month increase in the Emeritus Grants. This additional amount was granted due to the rise in the cost of living.

COST INVOICES FOR FREE LITERATURE

The AUC office prints and distributes each month a significant volume of literature on a no-charge basis. The Finance and Budget Committee has recommended that a standard cost invoice, showing the cost of producing the material and the actual amount of postage expended, be enclosed with each shipment of free literature. This action is in response to the many requests received from ministries asking for guidelines in determining the appropriate amount to remit as an offering. Invoices covering Silent 70 material will reflect actual postage costs only.

LICENSING AND ORDINATION COMMITTEE, LARRY SWARTZ, CHAIRMAN

EIGHT MONTH STUDENTS RECOMMENDED FOR ORDINATION

The Licensing and Ordination Committee has recommended, and the Board of Trustees has approved such recommendations, that the following Eight Month SMRS Students receive ordination on April 11, 1974, subject to their successful completion of the requirements for graduation from the School for Ministerial and Religious Studies: **Carlton Buboltz**, Santa Monica, California; **Jacklyn Buboltz**, Santa Monica, California; **Marcus Buckley**, San Diego, California; **Paul Carrithers**, Newport News, Virginia; **Dan Douglas**, Willsboro, New York; **John Morrow**, West Palm Beach, Florida; **Marnie Stewart**, Vancouver, B. C., Canada.

RECOGNITION OF LICENSED TEACHERS

The Licensing and Ordination Committee met with and recommended four applicants for licensed teacher recognition. The Board of Trustees approved such recognitions for: **Corinne Bruckner**, St. Louis, Missouri; **Beatrice Copeland**, New York, New York; **Lura Norman**, Detroit, Michigan; and **Nancy Reynolds**, Lee's Summit, Missouri.

EXCEPTIONS TO L & O POLICIES

The Licensing and Ordination Committee requested that paragraph 5 of the Licensing and Ordination Policies dealing with exceptions to such policies be more clearly defined in order to alleviate misunderstanding on the part of the recommending member minister. The Committee made the following statement: *"The simple completion of time within a center ministry as a licensed teacher does not constitute an exception in our judgment. It is our feeling that were we to grant this type of exception we would find a multitude of licensed teachers applying for ordination, thereby defeating the high standard of academic excellence we are endeavoring to maintain."* This recommendation was approved by the Board of Trustees.

MIDYEAR COUNCIL OF COMMITTEES Continued

MINISTERIAL EDUCATION ADVISORY COMMITTEE, CHARLES ROTH, CHAIRMAN

PROGRESSIVE TESTING PROGRAM

The Ministerial Education Advisory Committee met with the ministerial students and with the staff of SMRS and has recommended that a progressive testing program be instituted in SMRS whereby ministerial students would periodically be required to pass tests before being allowed to continue their training.

The results of such tests would be taken into consideration and evaluated by the L & O Committee and by the SMRS Progress Counselors. It is recommended that the tests cover such subjects as Fundamentals of Truth, Bible, English, and the ability of the students to communicate these fundamentals in an effective and coherent manner.

BYLAWS COMMITTEE, MARLOWE KLINE, CHAIRMAN

BYLAWS CHANGES

The Board of Trustees has concurred with the Bylaws Committee's recommendation that certain changes be made in the AUC Bylaws at Conference this year. The proposed changes will be distributed in the near future to each member of the Association for review prior to Conference. The Bylaws Committee is also working on the revision of the Recommended Bylaws for Unity Centers.

YOUNG ADULTS RESEARCH COMMITTEE, ELVINA HAUSMANN LEE, CHAIRMAN

Y.A.U. ACTIVITIES

The Young Adults Research Committee has recommended that regional coordinators be appointed in each AUC region to coordinate local YAU activities and communicate with the AUC office. For the present, the members of the Young Adults Research Committee will function as the regional coordinators.

Recommendations were made that time be allocated at regional conferences for presentation and discussion of ideas and programs relative to YAU, and that an annual YAU retreat be held at Unity Village in addition to regional and subregional retreats. These recommendations are now being considered. Your ideas and/or suggestions are invited. Please contact Elvina or any member of the Committee.

WHO'S WHO IN YOUR AUC OFFICE

The first person who receives your letters in the AUC office and the first person to whom you speak when you telephone us is our lovely receptionist, **Mary Lois Rhoades**. Mary's cheerful and sincere greeting to you when she answers the phone in the AUC office indicates so well the warmth

and beauty of spirit which is her nature and being. The importance of having the right person perform the function of receptionist cannot be overemphasized. To the members of the AUC, Unity School workers, and our many visitors, Mary represents that essential element of first contact with the AUC office.

Mary has been a member of your AUC staff since November, 1970. A native of the Lee's Summit area, Mary also demonstrates her caring for others through her volunteer work with the Lee's Summit Hospital Auxiliary. She and her husband, **Calvin**, who manages a local lawn and garden center, have three grown children.

We are very proud of Mary and know that each of you joins with us in the AUC office in blessing Mary for being the very special person that she is.

UNITY WORLD HEADQUARTERS ACTIVITIES CENTER

As previously reported, below freezing temperatures temporarily suspended construction of the new **Unity World Headquarters Activities Center**. A slight warming trend has now melted the snow and construction has resumed.

Wearing adequate clothing to protect them from the biting cold, workmen actively prepare the forms for the pouring of the foundation footings for the north wall of the Activities Center.

Earth moving operations are in process for the excavations necessary for the pouring of the foundation footings for the south wall of the Activities Center.

Copies of the colorful and informative brochure on the Activities Center are still available. Address your request for free copies to the Sales Department, Unity School of Christianity, Unity Village, Missouri 64065.

A REPORT FROM JACKIE NEAL, YOU COORDINATOR

We had a wonderful treat here at the Association of Unity Churches December 16-18, 1973. The International Youth of Unity officers were our special guests: **Neill Payne**, President; **Michael Tryk**, First Vice President; and **Sue Nellis**, Second Vice President. These beautiful young people brought with them a consciousness of love, enthusiasm, and joy which became a part of our Conference planning session. Having our officers as a vital part of our YOU Conference planning was implemented this year on a trial basis and proved to be highly successful. The other participants in the Conference planning are **Robert P. Sicking**, representing the Association of Unity Churches, and me, your YOU Coordinator.

International Youth of Unity officers: First Vice President - **Michael Tryk**, Unity Church of Truth, Santa Ana, California; Second Vice President - **Sue Nellis**, Unity Church of the Valley, La Crescenta, California; and President - **Neill Payne**, Unity Church of Christianity, Houston, Texas.

The 1974 YOU Conference theme is, **We Make It Happen!** This theme was selected from the many potential themes submitted by the YOUers who attended Conference last summer. We have defined the "It" in "We Make It Happen" in terms of healing, inner peace, service, and human relationships. The main segment of our program this summer will be devoted to the development and sharing of these concepts through four simultaneous workshops. The '74 Conference, we feel, will be as dynamic as its theme.

Another dimension of the Conference program is the church service which will be conducted exclusively by YOUers. **J. Sig** and **Jane Paulson**, co-ministers of the Unity Village Chapel, have graciously consented to have the YOU Conference Body present at and in charge of the 9:30 AM Unity Village Chapel service, Sunday, August, 18, 1974. Our International officers will be the main participants with Neill Payne giving the lesson, Sue Nellis leading the meditation, and Michael Tryk, serving as Chairman. Other YOUers will also be included in the service through music or through a special presentation.

The dates for Conference '74 are Saturday, August 17, through Friday morning, August 23, 1974. Our planning for the 1974 Youth of Unity Conference will continue for some months. Please feel free to share with us any ideas and suggestions for the Conference program. Write to YOU Coordinator, Association of Unity Churches, Unity Village, Missouri 64065. We know that you join us in preparing the best program possible to meet the needs of the young people who will be in attendance. Kindly continue to bless us and give us your loving support. Your consciousness of joy fills us with light and all is in divine order.

MARCH BIRTHDAYS We know that each member of the Association of Unity Churches joins with us in extending thoughts of love, appreciation, and this special blessing to our fellow members who have birthdays in March:

Prayer of Saint Patrick

*I establish myself today in:
The power of God to guide me,
The might of God to uphold me,
The wisdom of God to teach me,
The eye of God to watch over me,
The ear of God to hear me,
The word of God to speak for me,
The hand of God to protect me,
The way of God to lie before me,
The shield of God to shelter me,
The host of God to defend me,
Christ with me, Christ before me,
Christ behind me, Christ within me,
Christ beneath me, Christ above me,
Christ at my right, Christ at my left,
Christ in breadth, Christ in length, Christ
in height,
Christ in the heart of every man who thinks
of me,
Christ in the mouth of every man who
speaks to me,
Christ in the eye of every man who sees me,
Christ in the ear of every man who hears
me.*

LIST AND MAP OF AUC REGIONS

The increased attendance at Regional Conferences this past year clearly indicates the growing feeling of belonging within our AUC family. The Association of Unity Churches is geographically comprised of seven regional areas, and has at the present time a total of 248 member ministries and 310 active member ministers. The following two pages of this issue of **CONTACT** (page numbers 25 and 26) identifies the seven geographical regions showing them in both list and map form. In some instances, a particular state or country is included in more than one region. In such cases, the cities in which Unity ministries are located have been shown. These two pages have not been stapled in order that you may, if you so desire, keep the regional list and map handy for referencing.
