RIP ROARING 20'S

Fifty years ago the Country Club Plaza in Kansas City, Missouri, was alive and vibrant with the many faceted activities of the Rip Roaring 20's. On June 19, 1974, the sights, sounds, and excitement of the decade of the 1920's will again be present on the Plaza.

On this particular Wednesday evening, the AUC Conference Dinner Dance will be held in the new and beautifully plush Alameda Plaza Hotel. Using the 20's as its theme, this year's Dinner Dance will provide the opportunity for each of you to experience this memorable era.

Make your plans now to join us in a superb evening of dining, dancing, and entertainment. The Dinner Dance tickets, priced at \$10.00, will be your gateway to this wonderful time of fellowship and entertainment. Come dressed as a "Flapper" or a "Dapper Dan" if you wish and provide additional "authenticity" to our decor of the 20's. A delicious meal has been planned, and excellent, professional talent will be on hand to provide you with outstanding entertainment and music.

All we need to complete the event is you! Gather up your long strand pearls and raccoon coats -- see you at the Plaza on June 19!

THE AUC PRESIDENT SERVING YOU

As I write this I am in Denver. It is the closing day of the South Central Regional Conference. This marks my seventh regional Conference this year, and I want to tell you what a privilege it has been for me to attend each one and to gain an overall view of the work in which we are all involved. As we gather at our AUC Conference at Unity Village how can we help but feel one with each other, my fellow ministers and teachers! My deepest prayer is that I may let all the love and support for our Association I have felt in each region flow through me so that all will be lifted and blessed!

The South Central Regional Conference here in Denver has been a "mile high" experience for all attending. **Jack Barker**, minister of New Thought Unity Center in Cincinnati, and I shared in the presentation of the Post-Graduate Program. The Conference attendance was the best ever and that says a lot for a Conference that covers a twelve state area. **Jim Lewis**, minister in Denver, and his lovely wife, **Charlene**, hosted the group with their usual grace. The completed sanctuary at Unity of Denver is truly a setting of beauty. We can all be proud of this wonderful ministry.

We have so many beautiful buildings around the country. It was Phil's and my privilege to participate in the dedication of Unity Church of Dallas' new building. **Donald Curtis** and **Marjorie Kass**, ministers of this fine work in Texas, were thoughtful hosts. The people of Dallas are to be congratulated for a job well done!

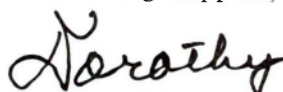

What more can I say in this last message as my year comes to an end? I want very much to thank each of you, especially our AUC staff, and our spiritually inspired Executive Director, **Bob Sikking**. I want to thank **Charles Korfhage** for carrying the extra load of classes and counseling in Sacramento while I've been away this year. Thanks to my blessed husband, **Phil**, for freeing me to do this work. Thanks to Silent Unity for blessing our every meeting and undertaking this year. God is so good and we thank Him always!

Perhaps I can best sum it up in these words that have sung themselves in my soul all year:

*"The river of my life
Flows with a constant current,
One way it flows
From summit's snows
To expanding sea —
Boundless, endless,
Joyous, free!"*

This describes a "process" of unfolding good that moves through our entire Association and the Unity Movement. We are a growing organization and "the best is yet to be!"

In loving support,

Dorothy Pierson

Paul Barrett reporting for the SOUTHEASTERN REGION:

SUNCOAST UNITY RETREAT — A new site for the **Second Annual Suncoast Unity Retreat** is under consideration by the Suncoast Unity ministries. The Christian Retreat Campgrounds near Bradenton, Florida, which were previously selected as the Retreat site, will not be available in November. As soon as another location is decided upon, an announcement will be published in

CONTACT. Accordingly, this Retreat has been deleted from the Calendar of Events.

UNITY IN THE CARIBBEAN — We are pleased to share the following portions of a glowing report received from **Bert Coffey**, minister of Unity Truth Church in Vista California, of the tremendous work being done by our Unity ministries in the Caribbean. Bert, together with his wife, Eva, recently completed a three-week trip which included stops in Puerto Rico, Trinidad, Guyana, and Jamaica. **Asociacion Cristianismo Practico de Puerto Rico**, our ministry in Santurce, Puerto Rico, led by **Francisca Mendez**, is experiencing overflow attendance in their beautiful church which seats 400. Likewise, a growing number of enthusiastic Truth students is attending **Asociacion Unity de Cristianismo Practico en Ponce, Inc.**, in Ponce, where **Nicolina Benitez** serves as minister. **Unity of Trinidad & Tobago** in Port-of-Spain, where **Violet Assam** serves as minister, and **Silent Unity Centre of Prayer** in San Fernando, led by **Sylvia Chevalier**, are thriving under the direction of these fine Unity ministers. An indication of the expanding outreach work in Guyana (on the top edge of South America) is demonstrated by the fact that the Unity students of Guyana purchase over 1,000 **DAILY WORDS** each month. The Unity work in Jamaica is also thriving. **Unity of Jamaica** led by **Wildorf Goodison-Orr (Goodie)** is in the process of purchasing its own property after meeting for many years in other facilities. We give thanks for the enthusiasm and dedication of each of the aforementioned ministries and their leaders.

Kay Arndt reporting for the NORTHWEST REGION:

EUGENE, OREGON — On Sunday, March 31, twenty-one young people from Our Saviour's Lutheran Church in Eugene were guests at the Worship Service of Unity Truth Chapel, where **Rose Elaine Lightburne** is the minister. Accompanied by the assistant pastor of the Lutheran church, the young people had elected to visit the Unity ministry as part of their program "Getting Acquainted With Your Neighbor's Church." Being apprised of the Unity work through the ministry's advertisement in the local newspaper, the students expressed a strong interest in learning about the Unity message. Rose Elaine met with the group following the service in order to answer their questions and to distribute packets of complimentary Unity literature. The young people were especially impressed with Unity's acceptance of women in the ministry and the ecumenical attitude of Unity.

PORTLAND, OREGON — Unity Center in Portland where **Leslie Saunders** and **Gwen Norment** serve as ministers, conducted a **Tenebrae Service** on Thursday evening, April 11. The ritual of Tenebrae dates back to the fourth century in the Christian church.

REGIONAL NEWS Continued

Tenebrae means darkness and the service commemorates the last three days of Holy Week. Beauty, reverent awe, and moving wonder marked the Tenebrae Service as it was dramatized through music, the spoken word, and symbolic action. Conducted by Gwen, the service was planned to express the concepts of Unity and to meet the deepest needs of those seeking greater understanding and spiritual growth through experiencing the Easter message as it relates to our lives today. The celebration which included musical accompaniment and the voices of a 25-member choir assisted in preparing the congregation for the glory and joy of Easter morn.

Jim Lewis reporting for the SOUTH CENTRAL REGION:

The Conference concluded its time of learning, growing, and sharing with a breakfast on Thursday morning.

DENVER, COLORADO — The April 10, 1974, edition of THE DENVER POST carried the following news item: *"CHURCH STREAKER 'BARES WITNESS' - Just as the minister announced, 'We are gathered here to bear witness,' a streaker raced through the church and 'bared witness' at a local wedding Tuesday night. Clad only in a pillow case (covering his head) and a pair of hiking boots, the streaker raced in one door and out the other at Unity Church, 302 S. University Blvd. 'The minister*

didn't miss a line,' a wedding guest commented, explaining that the wedding ceremony was barely interrupted by the nude display." **Jim Lewis**, minister of Unity Church of Denver, stated that the "vistor" made his appearance and departure so quickly that Jim only caught a glimpse as he made his exit.

UNITY VILLAGE, MISSOURI — Unity Village Chapel, where **Sig** and **Jane Paulson** and **Dona Unfried** serve as ministers, recently celebrated the **FIRST ANNIVERSARY** of the ministry's Y.A.U. program. Dona reports that the Chapel is experiencing overwhelming success with the five new groups formed during the past year. On May 18 and 19 a Y.A.U. Mini-Retreat was held at Unity Village and proved to be a beautiful experience for all participating. Also, the Chapel recently organized a drama group and presented its first production "Jesus, Son of Man," by Kahlil Gibran on Mother's Day, May 12. Dona also advised that a Ministerial Alliance has been formed for the Greater Kansas City Metropolitan area Unity ministers. Organized for the purpose of exchanging ideas and promoting fellowship, the Alliance conducted its May meeting in St. Joseph, Missouri. **Carol Nash**, minister of Unity Church of Practical Christianity in St. Joseph was the gracious hostess. Those ministers comprising the Alliance are: **Izear Wiggins**, Unity Southeast Church; **Mauritz Erhard**, Unity Northeast Church; **George Hilbert**, Christ Church Unity; **Ernest Wilson** and **Lloyd Felter**, Unity on the Plaza; **Carol Nash** of our St. Joseph ministry; and **Sig** and **Jane Paulson** and **Dona Unfried** of Unity Village Chapel.

NORTHERN CALIFORNIA REGIONAL CONFERENCE — The Northern California Regional Conference was held May 1 at the Sheraton-Palace Hotel in San Francisco, California. Fifteen Unity ministers of the Northern California Region were present for this one day conference which preceded AUC Healing Rally '74. Among the many items of business acted upon at the Conference was the election of a new Regional Vice-President. **Kenneth Brabeau**, minister of Unity Church of Merced, California, was elected to serve as Vice-President, filling the vacancy in this office occasioned by **Gary Jones'** recent move to Milwaukee. A comprehensive report on the activities of the Youth of Unity in the Region was presented by **Alice Fulton**, licensed teacher in Carmichael, California, who serves as the regional Y.O.U. Advisor and Coordinator. The membership of the Conference Body expressed the following: *"We in the Northern California Region rejoice to be a part of the Unity Movement as a whole and send our blessings and our love to every Unity work everywhere."* In the evening, **Alma Berry**, minister of Unity Church of Truth in San Mateo, and her husband, **Olin**, hosted the Conference members, members of the staffs of the AUC and Unity School present for Healing Rally '74, and their spouses, to a delicious buffet dinner on board their charming houseboat docked in Tiburon, California.

Unity continues to grow in every way!

GREAT LAKES REGIONAL PRAYER THOUGHT — “The Great Lakes Regional Conference and all of its ministries stand on a solid foundation of Truth, and all is well.” Our Regional Vice-President, **Ruth Mosley**, minister of West Side Unity Church, Detroit, Michigan, has requested that each member ministry in the Region hold the above prayer thought for the months of June, July, and August 1974.

AKRON, OHIO — A ground breaking ceremony was held May 5, 1974, at Akron Unity Center of Truth for the ministry's new 750-seat sanctuary and youth education center. **Victor Zarley**, minister in Akron, reports that **James A. Decker**, Senior Editor for Unity School of Christianity, was guest speaker in Akron that Sunday and participated in the day's activities. The theme for the ground breaking ceremony was “A Church Built with Love.” We bless and congratulate Victor and the members and friends of Akron Unity Center of Truth in this expansion project. As we share in the joy of their new undertaking, we realize the oneness of all and know that as each ministry grows, so does the entire Unity Movement.

CINCINNATI, OHIO — Unity-by-the-Side-of-the-Road held its Spring Retreat May 17-19, 1974, at Hueston Woods Lodge, Oxford, Ohio. The Retreat theme was “World Religions and Unity.” The guest speakers and group leaders were **Dona Gilsdorf** and **Professor and Mrs. Robert T. Howe**. Dona, who is the Youth Coordinator for the Great Lakes Region, led all day rap sessions for the Y.O.U. and Y.A.U. groups from surrounding ministries. These sessions were scheduled as a result of plans made by the Young Adults Research Committee this past January. **Ginny Hinners**, minister of Unity-by-the-Side-of-the-Road, serves as a member of this important AUC committee and stated that an informal rap session is a very productive way of getting to know and serve our young adults of all ages. Professor Howe and his wife, Helen, shared with those in attendance a slide and lecture presentation of ancient temples and various religious communities which they visited during their recent travels around the world. Professor Howe is the Faculty Advisor to “A Community in Unity,” a student group on the campus of the University of Cincinnati.

EL CAJON, CALIFORNIA — The congregation of Christ Church Unity in El Cajon is growing so rapidly that it has been necessary to expand the Sunday schedule to three Worship Services. **Arthur Hammons**, minister of this unfolding and expanding ministry, has added an 8 a.m. service in order to accommodate the many persons now attending Christ Church Unity. We give thanks for the great growth evident in the Unity Movement.

SAN CLEMENTE, CALIFORNIA — The San Clemente newspaper recently reported that **Hazel W. Van Dusen**, minister of Christ Unity Center of Life in San Clemente, was selected as "*Minister of the Month*" by the local Kiwanis Club. The newspaper, in reporting on this special recognition and honor bestowed upon Hazel, gave considerable coverage to her beautiful explanation of the Unity teachings. A Laguna Beach resident for nearly 25 years, Hazel established the San Clemente work in 1967, after four years of holding classes for local residents. We know the other Regions of the AUC join us in congratulating Hazel.

IN MEMORIAM We have just received word of the transition of **Doris L. Ziebarth** on April 10, 1974. A licensed teacher, Doris served in Unity-By-The-Sea in Santa Monica, California, and in Unity Church of Santa Barbara, California, for many years. We bless Doris for her dedication to Truth and for her being an inspiration to all those privileged to know her. We know your thoughts and blessings unite with ours as we extend our loving prayers to her husband, **Robert**, and their family.

THE TRAVELER

She has put on invisibility,
Dear Lord, I cannot see—
But this I know, although the road ascends
And passes from my sight,
That there will be no night;
That You will take her gently by the hand
And lead her on
Along the road of life that never ends,
And she will find it is not death but dawn,
I do not doubt that You are there as here,
And You will hold her dear.

Our life did not begin with birth,
It is not of the earth;
And this that we all death, it is no more
Than the opening and closing of a door—
And in Your house how many rooms must be
Beyond this one where we rest momentarily.

Dear Lord, I thank You for the faith that frees,
The love that knows it cannot lose its own;
The love that, looking through the shadows, sees
That You and she and I are ever one!

The tickets are priced at \$10.00 each and may be purchased upon your arrival at the Village.

UNITY WORLD HEADQUARTERS ACTIVITIES CENTER

Viewing the construction area from the Tower, the progress of the work can be measured by comparing the similar view printed in previous issues of CONTACT. The outer walls are in place for the new Unity Inn (left portion of the photograph) and the roof decking is being laid. Note that the windows of the new Inn harmonize architecturally with the other Village buildings.

The majority of the structural steel framework is now in place for the Activities Center (shown in the right portion of the photograph). Housing the new 1,100-seat auditorium, the Activities Center will contain modern facilities for Sunday and other services of Unity Village Chapel. The auditorium is so structured that it can be divided into three separate areas if needed for use during the AUC Conference and similar meetings.

This view from the east side of the Activities Center provides a closer look at the building's massive steel skeleton. The height of the building (50 ft.) can be better appreciated from this perspective. At the top of the photograph two workmen may be seen riding the crane's cable which is used as a means of transporting the workers from the ground to the top level.

The concrete structures in the foreground of the photograph will, when completed, become the south and east planter boxes. Another planter is to the north of the building. The huge planter boxes will border the Activities Center and provide additional beauty and compatibility with the existing area.

A REPORT FROM JACQUELINE NEAL, YOU COORDINATOR

I am very happy to share with you at this time a few comments on our YOU Regional Rallies. There has been an overall increase in Rally attendance by YOUers and the ministerial participation has impressed the YOUers tremendously. Each Rally was special in itself and benefited each participant. I am grateful for the opportunity to visit the Rallies and be a part of the program. You will be happy to know that thus far the Proposed Revised Bylaws have been very favorably accepted and, as planned, will be presented to the YOU Conference Body with revisions as needed this summer. Once again your continued prayer support is appreciated and your love is being demonstrated through all the programs of the Youth of Unity.

On April 19, 20, and 21, Unity of Tacoma, hosted the Northwest Regional Rally. The Rally was held at the Seabeck Christian Conference Center and 100 young people and adults joined to participate in the Rally program. The Rally theme, "Hang In There" was selected by the Tacoma YOUers who literally did that through the planning and during the Rally experience.

Assistance for the Rally planning also came through Tacoma's two junior sponsors. **Mary Stovin**, minister in Tacoma, reports that the delegates from last year's Conference continued to serve and be leaders in the Y.O.U. group, adding much to the Rally planning.

Some of the highlights of the Rally were the Talent Show and the workshop, "A Purpose For Your Life." The Talent Show was organized in such a way that each chapter presented a skit as well as individual participation. "A Purpose For Your Life" was our main Conference workshop last summer at YOU Conference. The response to this program developed by the Union College Character Research Project has been tremendous. An excellent response also came when this material was re-presented at the Rally.

During the business meeting elections were held and **Kent Powell** from Spokane is the new Regional Representative and **Shannon Webb** of Tacoma and **Howard Allen** of Spokane are serving as Co-Alternates.

As of this printing, a host has not been determined for the 1975 Rally. According to Mary Stovin a successful Rally is the result of team work. She is very happy to say that much loving support and encouragement came from the congregation. She also believes that she has an excellent Y.O.U. Sponsor, **Virginia Webb**.

Also on April 19, 20, and 21, Unity-in-Marin, our work in San Rafael served by **Candida Wright**, hosted the West Central Regional Rally. The Rally was held at the Santa Sabina Retreat Center which belongs to the Dominican College in San Rafael. According to Candida the Rally was a thrilling experience and she felt her main contribution was standing by in guidance, patience, and prayer as the chapter worked with the planning.

There were 83 young people and adults in attendance and what seemed to impress the YOUers most was the gracious attitude of the Catholic Sisters. It was a wonderful opportunity and a beautiful setting to realize the oneness of all religions.

A REPORT FROM JACQUELINE NEAL, YOU COORDINATOR Continued

The Rally theme was "Everything In One" and the variety in the program and the beautiful setting provided an impetus for this to happen. Meditations on the whole were not planned, but the little chapel was a favorite place to tune into the inner peace prayer brings.

There were two unusual aspects in the Rally program. One was an exercise led by Candida Wright called "Total Health of Proper Nutrition and Meditation." Following this **David McClure**, minister of Unity Christ Church, San Francisco, California, led a communion meditation and service and the background music was a zither and banjos. The young people were delighted with these two programs and the response was wholehearted and joyous. The host for the 1975 West Central Rally will be the Unity Center of Walnut Creek where **Carol Knox** is minister. As a result of elections the new Regional Representative is **Michelle Boutte** from Walnut Creek and the Alternate is **Vicki Cromwell** from Sacramento, California. Candida feels that the Rally was a total success and she is very pleased by the self motivation of the YOUers and the way they handled themselves. She appreciates the divine order which worked through the program and especially **Jarred McFarrin**, YOU President, **Shannon Gibbons**, Regional Representative; **Laury McFarrin**, YOU Sponsor and **David and Barby McClure**.

On May 3, 4, and 5 Unity Christ Church in St. Louis, **Donald O'Connor**, minister, hosted the Midwest Regional Rally at Concordia Seminary. The Rally theme was "Catch Fire" and according to Don much praise goes to the St. Louis YOUers and their sponsors **Lynn and Anita Baker**. He felt the YOUers gave responsible attention to the Rally planning and held many meetings to plan the most effective Rally possible. There were 147 young people and adults present and it was the consensus of everyone that the experience was estatic, spiritually gratifying and harmonious.

One of the highlights of the Rally was a surprise boat trip down the Mississippi River. The St. Louis YOUers rented a 400 passenger excursion boat exclusively for the Rally participants as their gift to the Rally program. The Wichita Chapter brought along with them a huge sand candle in the form of Unity Wings which was used in the special Candlelighting Service under the famous St. Louis Arch. Another high point in the Rally was the church service conducted by the YOUers. Representatives of the 12 chapters in the Midwest regions participated. Donald tells us that the congregational response was tremendous.

The host for the 1975 Midwest Rally is Unity Church of Wichita, where **Bernard and Polly Dozier** are ministers. The new Midwest regional officers are **Candy Croft**, Representative, and **Tina Alexander**, Alternate, both are from the St. Louis ministry.

On May 4, 5, and 6, Unity Church of Christianity in Atlanta, Georgia, **Jay Dishman**, minister, hosted the Southeast Regional Rally. It was held in the beautiful Unicoi State Park near Helen, Georgia, and the Rally theme was "I Am There." The Atlanta YOUers and their sponsor, **Jimmy Wilson**, did a commendable job in the coordination and planning of the Rally. The YOUers arrived at the Rally filled with expectancy and a group Spirit came very quickly and easily. There were 94 adults and young people present.

A REPORT FROM JACQUELINE NEAL, YOU COORDINATOR Continued

"Sharing Time" was the title of the Talent Show. This totally unstructured event was very informal and each participant presented the act of his or her choice. The result was a variety of talent, and a wonderful way for the YOUers to get to know one another and share in the activities. Another unique feature was a panel discussion lead by ministers **Robert Marshall** and **David Travis** from Miami and Delray Beach respectively. The topics for discussion were marriage, love, and sex and the young people seemed to appreciate this time of sharing and a loving atmosphere of frankness prevailed.

The Rally participants had a special treat when we hiked up to Ana Ruby Falls near the Rally site. The majestic water fall was awe inspiring and a closing meditation was held in this beautiful setting.

Next year's Rally host for the Southeast will be Tampa, Florida, where **Ross Goodman** is minister.

Elected to the office of Representative was **Deborah Sunderbruch**, St. Petersburg, and the Alternate is **Lila Starr**, Delray Beach.

Idea Exchange

DIALOG SERVICE — Each Sunday in May, Unity Village Chapel based both the 9:30 and 11:00 a.m. services on special dialog presentations of the "Book of Revelation." At the earlier service, **Ric Dickerson**, a member of the Chapel's congregation who will soon receive both his M. D. and Ph.D. from Kansas University Medical School, and **Sig Paulson**, minister at the Chapel, shared a dialog that brought the spiritual and scientific revelation of Truth into focus. Sig then based his 11:00 a.m. service on that portion of Revelation discussed earlier. Sig stated that he feels this idea to be *"one of the most dynamic, creative, and adventurous experiences we have ever had in Unity Village Chapel,"* and has planned to continue the presentations through July.

ALL SEASONS TREE — An idea which has brought the Unity Ministry of Reno, Nevada, a great deal of fun, joy, and significance is the establishment of a decorated tree for each season of the year. **Wes Wallin**, minister in Reno, reports that a plastic tree is decorated not only at Christmas but the tree is left set up and decorated each month according to the holidays and seasons. For example, in February it became a "Valentine Tree," bedecked with multitudes of pretty red hearts and beautiful doves. In March the tree became a "St. Patrick's Tree" with tiny leprechauns (made by the Sunday School children) and green bows. In April it was the ministry's "Easter Tree" with brightly colored eggs and Easter bunnies. Each month the ministry celebrates a new theme and the response has been terrific.

FATHER'S DAY SERVICE — Royal Oak Unity Temple, Michigan, where **Onita Meyer** serves as minister, has planned a special program for Father's Day, June 16. All the fathers in the congregation have been invited to take part and conduct the service. Included in this unique idea for recognizing fathers is the plan whereby the fathers will be totally responsible for the nursery that day. Onita reports that all of the dads, as well as their families, are looking forward to this wonderful day of worship, fellowship, and special recognition.

WHO'S WHO IN YOUR AUC OFFICE

With the largest ministerial student body in the history of Unity's School for Ministerial and Religious Studies and the large volume of related administrative paper work required, the importance of the SMRS staff functions cannot be underestimated.

One of the key members of the administrative staff is **Helen Summers**, secretary to **William L. Fischer**, Director of Ministerial Education for the AUC.

Helen has been a member of your AUC staff since January 1971, functioning first as MTST operator and then assuming her present duties in October 1972. In addition to so efficiently performing the regular secretarial duties of her position, Helen ably assists in the timely processing of the numerous applications to SMRS and in the general administration of the SMRS office. Helen states that she enjoys working with the ministerial students and finds it to be both interesting and challenging.

A Unity student for most of her adult life, Helen and her husband, **Harold**, were married by **L. E. Meyer** at the Unity Temple (Unity on the Plaza) in Kansas City in 1951. Harold is a district sales manager of the mid-west area for a major manufacturer of components for recreational vehicles. The Summers reside in Lee's Summit, Missouri and are active in the local Boy Scout and youth programs, having four sons and one daughter at home. Helen also enjoys sewing and specializes in designing and creating hand sewn quilts, several of which have won first prize ribbons at local county fairs.

We give thanks for Helen's consciousness and expression of Truth and know that each of you joins with us in the AUC office in blessing Helen for the fine contribution she makes to the Unity Movement.

Purpose

*Hold high the steady lantern of your faith,
And bank love's fire securely in the night;
For there are those, far off, who look with hope
And strength renewed because of this same light.*

*Think it not unimportant how you clear
The trail ahead, or hold the guiding flame;
For always someone follows where you go,
And always someone comes because you came.*

*Not for yourself alone, O pioneer,
Were ways made safe and shining, and the stone
Rolled from the path, but to prepare a way
For countless journeys other than your own.*

*Not for yourself alone, O pioneer,
The inner light and faith inspired of God,
But that all nations may be led to seek
The clean-swept places that your feet have trod.*

REPORT ON HEALING RALLY '74

We give thanks for the tremendous effectiveness and success of **Healing Rally '74** conducted by the Association of Unity Churches at the Sheraton-Palace Hotel in San Francisco, California, on May 2-4, 1974.

The purpose of the Healing Rally was to bring together persons from throughout the world who are interested in the healing of the whole person, in order that such persons may share ideas, strengthen their prayer power, and enjoy a time of fellowship.

Over nine hundred (900) persons attended the meetings and participated in a program which featured outstanding physicians, scientists, and Unity ministers and lay persons. **Phillip M. Pierson**, co-minister of Christ Unity Church, Sacramento, California, who served as Program Chairman stated: *"Charles Fillmore, Unity's co-founder, once wrote, 'Anyone who will search for the science in religion and the religion in science will find that they harmonize and prove each other. The point of unity is the Spirit-mind common to both. So long as religion assumes that the Spirit that creates and sustains man and the universe can be cajoled, and by prayer or some other appeal can be induced to change its laws, it cannot hope to be recognized by those who know that unchangeable law rules everywhere and in everything. Again, so long as science ignores the principles of intelligence in the evolutionary and directive forces of man and the universe, just so long will it fail to understand religion and the power of thought in the world, visible and invisible.'" Phil also stated that the Healing Rally was a manifestation of Charles Fillmore's spirit of scientific inquiry and suggested that through scientific research we can learn how to apply the principles of spiritual healing and more practically share them with others.*

The first speaker on the program was **James Dillet Freeman**, Director of Silent Unity. Jim spoke on the healing principles utilized by Silent Unity in conducting their effective prayer ministry for over eighty (80) years. Over one million (1,000,000) letters are received each year by Silent Unity from persons requesting prayer assistance. In addition, over a quarter million (250,000) persons telephone each year. Jim also gave an audio-visual presentation of Unity's unfoldment as a movement.

Dr. Elmer and Alyce Green of the Menninger Foundation in Topeka, Kansas, spoke on biofeedback and brain wave training. Dr. Green is Director of the Voluntary Controls Program of the Menninger Foundation and Mrs. Green is the Training Director. An award of appreciation plaque was presented to the Greens by the Association of Unity Churches in recognition of the pioneering efforts of this husband and wife team in scientifically proving and demonstrating man's ability to take conscious control of his physical and mental states.

Dr. Carl Simonton, former Chief of Radiation therapy at David Grant USAF Medical Center, Travis Air Force Base, shared the findings of his research on the effects of counseling and meditation on the healing of cancer. Dr. Simonton is presently engaged in private practice and research work in Texas.

REPORT ON HEALING RALLY '74 Continued

Dr. Bennet R. Wong, psychiatrist from Vancouver, British Columbia, Canada, spoke on the results of his experience of some twenty years in healing the whole person (mind, body, and spirit).

Dr. Evarts G. Loomis, physician, surgeon, and lecturer, presented a film on healing which he developed jointly with the Charles Fillmore Foundation (Unity), featuring other renowned persons such as Roberto Assagiloi, M. D.; Karlfried Von Durkheim, Ph. D.; and Paul Tournier, M. D., who share Dr. Loomis' ideas on treating the whole person.

Dr. Dan Stipe, a physician engaged in private practice in Idaho, joined with the other doctors, and with ministers, **James Dillet Freeman**; **Glenn Mosley** of Detroit Unity Temple, Michigan; **Hal Rosencrans** of Unity of the Palm Beaches in West Palm Beach, Florida; and **Robert Stevens** of Christ Church Unity in San Diego, California, in participating in a panel discussion on healing. The nine Unity ministers who comprise our Executive Committee of the Board of Directors of the AUC presented individual talks on "Healing Principles."

Ms. Connie Haines, popular vocalist and ministerial student at Unity's School for Ministerial and Religious Studies, presented special evening programs which blended music, inspirational message, and meditation.

During this tremendous Healing Rally we were privileged and blessed in having as special soloist **Mrs. Nancy Heydt** and as organist **Mrs. Joan Engel**. Both Nancy and Joan presently share their musical talents with Christ Unity Church in Sacramento, California.

We appreciate the fine job Unity Christ Church, our ministry in San Francisco, did in planning, organizing, operating, and bearing the full responsibility of the literature and cassette sales room during the Rally. **David McClure**, minister in San Francisco, his wife, **Barby**, and the many members of the San Francisco congregation are to be congratulated for the excellent assistance they provided in assuring the success of the Rally. It was evident that much prayer work and physical effort had been done by these dedicated persons.

Meditations were led by **Johnnie Colemon**, minister of Christ Unity Temple, Chicago, Illinois; **Scott Sherman**, minister of Unity Church of Truth, Spokane, Washington; and **Catherine Knight**, associate minister, Detroit Unity Temple, Michigan. **Barby McClure** led the Rally audience in a metaphysical exercise.

We also appreciate and bless the many members of the staffs of AUC and Unity School, especially **Pete Rhea**, Director, Cassette Program, for his invaluable technical assistance and advice in producing Jim Freeman's presentation on Unity.

Our affirmation for the Healing Rally was, *"I ACCEPT THE HEALING POWER OF GOD IN ME! I AM A RADIANT CENTER OF LIFE NOW!"* We give thanks that each person who participated in this tremendous healing experience had his or her sense of God's innate healing capacity within them strengthened and made a power in their lives and in the world.

NEW BOOK ABOUT CHARLES FILLMORE — Harper & Row has published **Charles Fillmore: Herald of the New Age** by Hugh D'Andrade. The following is a paragraph in the prologue to this new biography of Charles Fillmore. *"Charles Fillmore's place in American history as an original thinker has yet to be assessed. He embraced ideas of extraordinary scope, including the religious and mystical ideas of the Orient and the Occident, as well as the ideas of the new metaphysics flourishing at the time. Indeed, he went beyond the usual scope of these studies to embrace the scientific discoveries of his day."* The author writes of Charles and Myrtle Fillmore's early life, how they first met, Myrtle's miraculous healing, the birth of Unity as a movement, its early beginnings, its continuing growth, the power of prayer and faith in the lives of its founders, the continued impact and influence Unity is having on people today. This book is a must for anyone who is interested in the teachings of Unity. It is priced to retail at \$5.95. Since it is published by Harper & Row, your dealer's price is \$4.46.

TWELVE POWERS OF MAN — Begin a comprehensive study of the twelve powers of man with **Ed Rabel's twelve-lesson cassette series**. Mr. Rabel, ordained Unity minister and professor of Bible at Unity's School for Ministerial and Religious Studies in Unity Village, Missouri, is recognized as one of Unity's outstanding Bible interpreters. His insights into the true meaning of the Bible have been a source of inspiration to all who have been privileged to hear him.

Ed's latest cassette course of clear and stimulating Bible lessons, **"The Twelve Powers of Man,"** is now available. This new cassette album is a "how to" course in practical spirituality: how to recognize your spiritual powers; how to realize limitless potential; and how to respond to this new understanding. He discusses man's spiritual powers of faith, strength, judgment, love, power, imagination, understanding, will, order, zeal, renunciation, and life in this twelve-lesson cassette series. Designed to appeal to both the beginning and the advanced Truth student, Ed's explanation of man's spiritual powers brings new meaning to spirituality. Concepts such as "crystalization," "brain of the heart," and "way of discipleship" are explained in terms of man's spirituality, and the importance of maintaining a "yes" attitude in spiritual development is stressed.

Each spiritual faculty is discussed in a separate lesson. The twelve-lesson series comes on six cassettes, with a pamphlet containing excerpts from Charles Fillmore's book **"The Twelve Powers of Man,"** and a cassette album for convenient storage. Priced for you to retail at \$25.00, your dealer's price is only \$15.00.
