AUC PRESIDENT'S LETTER

Dear Fellow Association Members,

This is the last time I shall have the opportunity of writing for **CONTACT**, as President. It has been a privilege and a blessing to serve in this capacity this past year and I would like to thank all of you for your love and blessings and encouragement.

I recently read an interesting statement from Charles Fillmore's book, The Twelve Powers of Man. I would like to share it with you since it has bearing on organization. We are and will be giving a great deal of thought to our AUC organization this coming year and Charles Fillmore's thought is quite fitting at this time.

He writes: "Right here, however, religious teachers should be on their guard in framing tenets for religious organizations. Do not dogmatize in creed, or statement of Being, as a governing rule of thought and action for those who join your organization. These things are limitations, and they often prevent the free development of the soul because of foolish insistence on consistency. The creed that you write today may not fit the viewpoint of tomorrow; hence the safe and sure religious foundation for all men is that laid down by Jesus, 'The

James C. Lewis

Spirit of truth...shall guide you into all the Truth.' A statement setting forth the teaching of a religious institution is essential, but compelling clauses should be omitted." (TP: pp. 111, 112.)

The AUC is an organization that has developed through the love and cooperation of those who are a part of it. It is a growing organization and like all things that grow there comes a time for a necessary change in order to meet the demands of the new growth. We have an

organization that has permitted much freedom of expression of the individual consciousness, more so than any other religious organization that I know of, and I would like to see it remain this way.

Whenever there is consideration being given to changing by-laws, it seems the expression "We need to put teeth into them," comes up. Since we have no judicial body to enforce action upon violations of rules we should be very careful about putting such regulations into our by-laws. By-laws are "guidelines" for cooperative group action and, if anything, we should put more "love" into them. When we work together in Principle we will not have to work against each other over rules.

Let us know that as we continue to work together in love we shall be guided by Spirit to make those changes in our by-laws that will be for the good of all. I can assure you that our Board of Trustees is open and ready to cooperate with the membership in making constructive changes.

God bless you richly,

James C Lewis

children as that entire building becomes our educational building. We already have beautiful church furniture and stained glass windows to decorate our new Sanctuary. The cost of the new building will be \$300,000."

Art also stated that the plans for the new Sanctuary are proceeding according to schedule and the members of Christ Church Unity are looking forward with eager anticipation to the day they conduct the first worship service in their new facility.

The promotion of the ministry's building program has been very well thought out and professionally executed. One of the pieces of published material utilized by the ministry to explain the program is a specially designed folder entitled "EXTRA—Look at What God Does With What I Do For Him!" The unique design of the folder allows not only ample space for a full explanation of the program but, when unfolded, becomes a 22" X 17" poster depicting the architect's rendering of the new facilities.

SUN CITY, ARIZONA—On April 9 Unity Church of Sun City, Arizona, conducted dedication ceremonies for the ministry's new church property. Joining our Unity minister in Sun City, **Bernice Biggers**, for this important occasion in the church's unfoldment and expansion were **Blaine Mays** of Phoenix and **J. Sig Paulson** of Unity Village.

Bernice reports that the new site consists of over 4 1/2 acres of land in an excellent location. Completion of the \$250,000 facilities is scheduled for December of this year.

Marlowe Kline reporting for the EASTERN REGION:

WASHINGTON, D.C.—Congratulations and blessings flow forth from each member of the AUC to one of the newest members of the Unity family, **Anna Lenore Stone**. Anna, daughter of **George** and **Vicki Stone**, was born May 16, 1976. George is minister of Unity Center of Christianity, Washington, D.C.

Jack Boland reporting for the GREAT LAKES REGION:

BATTLE CREEK, MICHIGAN—During our nation's bicentennial year many of our AUC ministries are highlighting the positive and constructive accomplishments of America. Unity of Battle Creek recently mailed to each person on the ministry's mailing list a copy of a publication distributed by the Chamber of Commerce of the United States. **Amalie Frank**, leader of our work in Battle Creek, advised that the publication is entitled "What's right with America," and sets forth a number of the freedoms and advantages which America offers and which we, as American citizens, may often take for granted.

Amalie reports that the publication has been met with enthusiastic response from those receiving the mailing. Copies of the publication are available either from local Chambers of Commerce or direct from the Chamber of Commerce of the United States, Washington, D.C. 20062.

DETROIT, MICHIGAN—Detroit Unity Association recently presented a special two week program by **Nat Simmons**, a former television and Broadway actor who is currently Director of the Student Repertory Theater in Taos, New Mexico. Nat presented three performances of a one-man poetry show and produced a one-act children's musical entitled, "Tomorrow Belongs to Us." Over 30 youths participated in the three performances of the musical. **David Williamson**, minister of this Detroit ministry, in commenting on Nat, stated, "He is a superb actor and director and did a magnificent job. His work with our young people had a great impact."

LIVONIA, MICHIGAN—Unity of Livonia has developed a program to provide a Truth story service for children over the telephone. Entitled "JOYLINE," the program is under the guidance and direction of **Milly Collins**, who has researched and developed enough appropriate stories for a year's use. **Eugene Soransen**, minister of Unity of Livonia, reports that 100 stories have been selected. The stories are recorded on cassettes and available to listeners through dialing a special telephone number. The stories do not exceed three minutes in length and are changed three times a week with a special story for the weekend which has a tag line inviting children to Sunday School at Unity of Livonia.

Gene reports, "The stories are interesting, full of fun, and right on the button with a Unity message for children ages 5 to 10. But we find that adults love it, too. Since it has been in operation (about the last week in March), we have had over 2,600 calls and nothing but compliments all around for it."

Gene also advised that anyone interested in the JOYLINE program may contact Unity of Livonia for specific details as to equipment and technique utilized in presenting this Truth message for children. Unity of Livonia will provide a sample cassette with full information regarding JOYLINE and two typical stories upon request.

James C. Lewis reporting for the SOUTH CENTRAL REGION:

an entire page of photographs and copy relating to Unity. This outstanding tribute to Unity appeared on the cover page of the "Lifestyles" section of the newspaper. An extensive quote from **James Dillet Freeman's** article in the April issue of Daily Word was featured as the copy on the cover page.

Edna Martin, editor of the "Lifestyles" section, has been a subscriber of the Unity publications for many years. Mrs. Martin advises that Jim's article was so meaningful to her as an individual that she wanted to share it with the readership of the Oregon Mail Tribune. Mrs. Martin stated, "Unity came into my life in 1962—it was a new beginning for me. I have been reading Unity publications since that time. I begin every day with a reading from the Daily Word and other Unity books. I found James Dillet Freeman's article in the April issue of Daily Word very meaningful and wanted to share it with others."

Because of the great success of the April program, a half-hour television special was produced by Sacramento's CBS television station. This pilot television program was so well accepted by members of the television media and by representatives of other media, that Christ Unity Church will begin a monthly television program. The new television program will begin in August under a format of combining music with a strong message of Truth."

The evidence of inner and outer growth is everywhere. The love and gratitude expressed for Unity by everyone inspired us deeply and permanently."

GROUNDBREAKING CEREMONY CONDUCTED AT UNITY VILLAGE

The Lowell Fillmore Memorial Garden at Unity Village, Missouri, has been planned and designed as a fitting tribute to the Unity leader and avid gardner for whom it is named. **Lowell Page Fillmore**, eldest son of Charles and Myrtle Fillmore, served as President of Unity School of Christianity from 1948 to 1972 when he was named President Emeritus. Until shortly before his passing in March, 1975, he came to his office every workday, devoting a total of 75 years to the Unity Movement.

A groundbreaking ceremony was held May 21, 1976, for the half-acre garden. The Lowell Fillmore Memorial Garden is located to the east of the Unity Village building complex, directly across from the Unity World Headquarters Activities Center.

Alice Fillmore, widow of Lowell Fillmore, was the guest of honor for the groundbreaking ceremony and turned the first spade of earth. Participating in the ceremony were the members of the Board of Directors of Unity School: **Charles R. Fillmore**, **James Dillet Freeman**, and **Otto J. Arni**. **Rosemary Fillmore Rhea**, co-director of the Radio and Television Department of Unity School, and niece of Lowell, also participated in the groundbreaking.

Also attending the ceremony were other members of the Fillmore family; the members of the Executive Committee of Unity School; and **Robert P. Sikking**, Executive Director of the AUC.

Charles R. Fillmore, President of Unity School, stated, "Lowell Fillmore's entire being was dedicated to God through service to his fellow men. He had an appreciation for life in all its expressions, especially as it blooms forth in nature. He was an enthusiastic gardner; tending his beautiful flowers, shrubs, and trees was his cherished recreation. It is fitting that Lowell's zest for God's gift of life be memorialized as a garden. Lowell's dauntless spirit and faith in God's limitless love will be with all who enter here to meditate and pray."

Alice Fillmore, as the guest of honor, turned the first spade of earth during the groundbreaking ceremony for the Lowell Fillmore Memorial Garden at Unity Village, Missouri. Also shown are: Martha Smock, Editor of Daily Word; James Dillet Freeman, First Vice President of Unity School and Director of Silent Unity; and, Charles R. Fillmore, President of Unity School.

The development of the garden will be under the supervision of **David Ackerman**, landscape architect for Unity School, who designed the garden. With a total land area of a half-acre, the garden will feature a reflecting pool, benches for visitors, a sundial, memorial piece, and over 5,200 plants, flowering shrubs, and trees. The landscaped area will be in an oval design covering approximately one-fourth acre of ground.

Completion of the garden is scheduled for June, 1977, with a special dedication service planned for that time.

Richard devoted his entire life to the Unity work. For many years, he was in charge of the promotion department of Unity School.

Selected to develop the Unity ministry in New York City, Richard served in New York until 1936 when he returned to Kansas City to serve as lecturer and teacher at Unity's ministerial training school. He also lectured extensively throughout the United States and Canada.

We know that each member of the AUC joins in blessing Richard as he continues in his spiritual ongoing.

Behind a blue drape in my office, there is a white board instead of a black-board that I use from time to time. At this time of the year, it is a very busy board. It is the means by which we're able to objectify the placement situation in our Movement just prior to graduation and ordination. Of course, when you read this, much of the placement that appears on my board will have been accomplished. At this moment, there are thirty-seven communities involved in the possibility of a change. These include communities where there are ministers functioning full-time, but who have expressed their desire for a possible change. Eighteen of those are ministries who are or will be seeking a senior minister. In addition,

with the influx of the second largest graduating class in the history of SMRS, we will be placing at least thirteen ministers in a position as associate or assistant minister in an established ministry.

On the board at this present time, serious placement consideration is being given to eight communities where there are very active study groups ready to evolve into full-time ministries. As you know, it is a general policy of AUC to encourage graduating ordinands to go into established ministries or function as assistant or associate ministers where possible. This year, however, there will undoubtedly be a number of newly ordained ministers who will move into the developmental stages of new ministries in our Movement. I think that it's safe to say that before the year is out, we will have at least eight new ministries in our Movement.

Do you remember when you first went out in the field? I sure remember when I did. Those first months were an exciting, staggering combination of anticipation and fear, of frustration, joy, and misery. I felt self-confident and totally inadequate.

I hoped and prayed that I would be approved of and accepted and I was terrified that I might not be. I walked into the presence of my peers desperately hoping someone would make me feel welcome and a part of what was going on.

In your area, there will undoubtedly be members of the graduating class of 1976 either functioning as an assistant or associate in a ministry, as the senior minister in one of our established works, or involved in the development of one of our study groups into a full-time ministry. I am convinced that a note or a call or a visit would be of inestimable value. If you can stretch forth the hand of welcome and help make these fine Unity ministers feel a part of what's going on, you will bless in ways that are difficult to calculate. Please do take the time to offer your assistance. It may very well not be needed, but the fact that it is offered will be a source of strength and blessing to the ministers concerned. The more we function with the sense of sharing in the ministry, the stronger we, as individuals, are going to be, and the greater our Movement will be.

SCHOOL FOR MINISTERIAL AND RELIGIOUS STUDIES

The second-year class in SMRS of 35 ministerial students will be graduated in August. Featured this month are class members: (left to right) Adrienne Thomas, Nancy Taylor, John Strickland, and Marilou Smith.

Adrienne Thomas is a native of Connecticut. She attended both Albertus Magnus College in New Haven and Boston College in Chestnut Hill, Massachusetts. She received her Bachelor of Arts degree from Boston College, being graduated summa cum laude. She is also a member of Phi Beta Kappa. Adrienne is bilingual, being fluent in Spanish, and enjoys a variety of hobbies ranging from painting to music. Prior to entering SMRS, she worked in Pennsylvania as a secretary. She attended Unity of Philadelphia where she taught classes in meditation and worked with the Youth of Unity. Adrienne is single.

Nancy Taylor came to Unity Village from Sacramento, California, where she was active in the activities and programs of Christ Unity Church. Nancy has been in Unity since early childhood. She attended Sacramento City College majoring in psychology. An outdoors enthusiast, Nancy is also a trained camp counselor and has considerable experience working with various youth groups. While a student in SMRS, Nancy has been employed by Unity School. For the past two years she has served as Unity's Wedding Coordinator. Nancy's husband, **Gerald**, is associateminister at Unity on the Plaza in Kansas City, Missouri.

John Strickland is from Atlanta, Georgia, where he attended Unity Church of Christianity and served as Coordinator of the Young Adults. John was graduated cum laude from Georgia State University in Atlanta, receiving a Bachelor of Arts in Mathematics. An all star athlete in both football and baseball, John served as a volunteer high school coach while attending college. He was also instrumental in the founding of a local chapter in Georgia of the Fellowship of Christian Athletes. While an SMRS student, John has served as Coordinator in the AUC office for the Y.O.U. and Y.A. John is single.

Marilou Smith entered the SMRS ministerial program from Delray Beach, Florida, where she was active in Unity of Delray Beach. Marilou served the Florida ministry as Y.O.U. sponsor, Y.A.U. coordinator, and in many other capacities. She has been active in Unity since her early teens. She received her Associate of Arts degree in psychology and mental health from the University of the State of New York in Albany. Prior to entering the ministry, Marilou was a legal secretary. While an SMRS student, she has been employed by Unity School as library assistant. Marilou is single.

LOCKERS FOR STUDENT MINISTERS

Pictured at left are the new lockers provided for the students of Unity's School for Ministerial and Religious Studies. The project to purchase these lockers was started with the graduating class of 1975 through their legacy fund

gift. Several other individuals and ministries have contributed generously to this project, making it possible for the purchase and installation to be completed.

The lockers come in five colors: Aquamarine, sand, russet, yellow, and tangerine. Their installation is called "locker landscaping." The beauty of these lockers enhances the hallway outside the Theater Room, where they are installed, as well as being a real convenience for the students. The SMRS students wish to thank all those who have contributed to the completion of this project.

Y.O.U./Y.A.U. REPORTS . . . by John Strickland

Youth of Unity Report — Many great and wonderful things are happening in Y.O.U. this summer. I have been privileged to attend official regional rallies from Washington to Florida, California to Pennsylvania. All of you who have been involved in any way are greatly appreciated. Working with Y.O.U. is no easy task and we are truly thankful for the success this year.

I mentioned in the last issue that we have a new Regional Coordinator in the Northwest. She is **Pat McClelland**. We are very pleased to have a Regional Coordinator of Pat's caliber. We know that Pat will continue the fine work that **Phyllis Jamison** has done. To Pat we say, "Congratulations! We lovingly welcome you into our Y.O.U. family."

We are still looking for Regional Coordinators in the Southwest and Rocky Mountain areas. Also, we have just learned that our Midwest Coordinator, **Dorothea Smith**, will be moving out of the region this summer. Dorothea has been involved with Y.O.U., for many years, and her service is well appreciated. Dorothea, we love you and bless you!

Y.O.U. Conference Notes: Remember that Y.O.U. Conference dates are August 15-21. Please spend some time with your Y.O.U.ers before and after Conference. We appreciate all your loving, prayerful support in our efforts to make this Conference the best ever.

Please: if you have any questions, write John Strickland, Y.O.U. Coordinator, AUC, Unity Village, Missouri 64065; or call (816) 524-7414.

Young Adults of Unity Report — I am pleased to report on the activities of Young Adults of Unity. **Olga Rojas de Sanchez**, sponsor of the Young Adults of Santurce, Puerto Rico, reports a wealth of activity in their group. This group was formed in August, 1975, and has been involved in an inspiring list of activities. Olga, we are grateful to you for sharing your activities with us.

Also, **Alan Rowbotham**, along with Eastern Young Adult Growth Committee member, **Suzanne Staples**, coordinated a retreat on June 3-6 in the Blue Ridge Mountains. This is truly great news! Thank you, Alan and Suzi, for the efforts you have made in helping to meet the needs of our young adults.

At the present time we have individuals working on a retreat in Colorado and one in Florida for later in the summer. Again, we are definitely intending to have a YA Retreat at Unity Village in the summer of 1977.

We are appreciative of all those who work with Young Adults of Unity and we welcome your reports of activities within your groups.

THINKING EXPANSIVELY

with R. Scott Sherman

This column indicates not only the expansion efforts of the AUC Outreach Program led by its author in the Chicago area, but will regularly report other expansion projects by any member ministry. If you have an expansion project or idea please write:

R. Scott Sherman
AUC Outreach Director
622 Cress Creek Drive
Crystal Lake, IL 60014

New activities in the AUC Expansion Program focused on the **Quincy, Illinois**, area this month. This city of about 50,000 on the Mississippi River has supported an informal Unity Study group for over three years. Its leader, **Lee Anthony**, has studied Unity for over 40 years. With the help of Rev. Anthony and his group

Judy and I organized an invitation mailing and conducted a Sunday evening service for over 100 persons in late May. The group is applying for "official" study group recognition and hopes to become a full-time ministry within a year. The meeting and reception for us was held in the Ramada Inn in Quincy.

Correspondence has been received from **Jim Sherman**, our Unity minister in Toronto, and **Angelo Giordani**, who is completing a one-year sabbatical in southern Pennsylvania. Jim tells of the interest in Toronto of supporting a full-time work in near-by **Hamilton, Ontario**, where a Unity study group has met for years. Angelo has asked our assistance in possible development of the **Charlottesville, Virginia**, area. Introductory classes have indicated a strong interest there and

other Virginia ministers have supported the development idea.

Development in the Chicago area has increased its pace as summer approaches. Our associate, **Edd Dawson**, is conducting a full-time ministry in the **Fox River Valley** and expects to make the budget necessary for meeting our "full-time ministry" criterion by the end of this month.

Judy and I are conducting regular Sunday services at **Unity Church of Chicago** on the near north side of the downtown area.

We're also conducting a full-time study group in **Crystal Lake** and working with Edd to develop a study group in the **Elmhurst-Downers Grove-Hinsdale** area.

In addition, June marks the beginning of study group activities in **Joliet**, a city of about 85,000 just southwest of Chicago. Edd and I will start the group in regular meetings after organizational meetings this month. Then Edd will hold regular Sunday evening services in the Fall.

PLACEMENT

Placement occurs by virtue of the activity of Spirit in keeping with the consciousness of those concerned. The Placement Committee consists of **William L. Fischer, James Dillet Freeman,**

Frank Giudici, Martha Giudici, J. Sig Paulson, Jane Paulson, Edward Rabel, Robert P. Sicking, Philip White and Ernest Wilson. Any Unity minister who is guided to express an interest in serving in any particular ministry should make application to the Placement Committee.

OVERSEAS REPORT

by Foster C. McClellan

The Overseas Department of Unity School of Christianity administers to the needs of Unity followers in those parts of the world beyond the United States and Canada. The work performed by the Overseas Department is primarily an administration function. It is not the intention of Unity School to take an active role in the organization, direction, and leadership of groups in overseas countries but to help them in every possible way short of this. With followers in so many countries throughout the world you can see that this is the only feasible course to take, for Unity School would not have the personnel or the capability for doing an effective job in any other capacity.

This policy is readily accepted by our friends overseas. Each country has its own culture, language, and tradition and it is only natural for them to feel that they are in the best position to provide for their own leadership and the organization that best meets their needs. Hence we find that in many countries there are study groups and classes, while in others there are more formal churches. In several countries there are Unity Headquarters for the distribution of Daily Word and Unity literature and for the conduct of prayer help similar to the ministry provided by Silent Unity. They all work directly with the Overseas Department as their contact with Unity School. Where formal churches are formed they also work directly with the AUC. So

in a very real way the Overseas Department and the AUC work hand-in-hand in this vital outreach of the Unity work throughout the world.

Many countries publish their own edition of Daily Word and Unity School provides the galley proofs and in some cases the covers for each edition. The high cost of postage and the time delay in shipping makes this the most practical approach. More than anything else Daily Word is the great common bond that unites Unity people everywhere. And it is good to know that the Unity Movement is growing rapidly in so many countries in Europe, Africa, Australia, New Zealand, India, and the Caribbean. In fact, Unity has spread to people in practically every country outside the Iron Curtain and there are groups even behind the Iron Curtain.

Above all Unity is interested in the individual. It is dedicated to helping people everywhere discover more of their own potential, their own true identity. When people want to form organizations we are happy and we give them what support we can, but the great purpose of Unity, both through Unity School and the AUC, is to help people find the Truth so that they can help themselves and thus set them free from every form of limitation. In so doing we pray that we are doing our best to make this world a better place in which to live. This is a noble purpose and we know that everyone who reads CONTACT is dedicated to that cause.

NEWSPAPER ADVERTISEMENT

Unity Church in St. Joseph, Missouri, has been placing a special advertisement in their local newspaper, the News-Press. **Richard Ammons**, minister in St. Joseph, reports that the ad is in the form of an article on Truth and is entitled "Tips for Living." The ministry is placing the ads in the Thursday evening editions of the newspaper.

Dick states, "We elected not to place the ad on the church page which appears on Saturday because we felt the ad would not receive the greatest visibility in that issue. We also did not desire to 'compete' for advertisement size with other churches. We selected the Thursday evening edition because it is the edition which the housewives read for grocery store bargains."

SILENT UNITY PRAYER FOR AMERICA'S BICENTENNIAL

The Silent Unity Department of Unity School has been holding the following special prayer thought during the bicentennial celebration of the birth of our wonderful nation: **"God blesses us and guides the leaders of our nation. With His help we proclaim peace, order, justice, and liberty for all."**

In addition, Silent Unity has inserted a card containing the prayer into each piece of mail being sent from Unity's prayer ministry in Unity Village. The card is printed in bicentennial red, white, and blue. The card is white stock with a red border and the wording is in blue.

We rejoice in the knowing that literally millions of persons have received and are using this blessing.

UNITY IN NATIONAL GEOGRAPHIC

The July, 1976, issue of the National Geographic Magazine contains an excellent concise description of Unity. Over 9 million subscribers to this outstanding journal of the National Geographic Society will learn a bit more about Unity from reading the feature article, "Kansas City, Heartland, U.S.A.," in the magazine's bicentennial issue.

Written by **Rowe Findley**, member of the Senior Editorial Staff of the National Geographic Magazine, the article has been enthusiastically praised by business and religious leaders of the Kansas City metropolitan area.

Mr. Findley visited Unity Village in September, 1975, and interviewed **Charles R. Fillmore**, President of Unity School, and **James Dillet Freeman**, First Vice President and Director of Silent Unity. Mr. Findley also met and talked with a number of other Unity School officials. As a result of his visit, Mr. Findley felt that Unity should be included in his feature story about the Kansas City area.

Appearing on page 130 of the July issue, the copy regarding Unity reads:

Shangri-la

"Rescuing people troubled in spirit draws attention to a unique Kansas City institution, a Christian movement called Unity, started in 1889. Amid a Shangri-la of cloisterlike buildings, orchards, and woods, Unity maintains a retreat center, global printing operation, seminary, and a 24-hour prayer vigil that receives 2,370,000 requests a year. 'We stress the unity of all creation, including other faiths,' says President **Charles R. Fillmore**, a namesake and grandson of the founder."

Unity Village also received a considerable degree of visibility by being included in the map of Greater Kansas City which appears on page 118 of the magazine.

We know each member of the Association of Unity Churches joins in blessing Mr. Findley and the other staff members of the National Geographic Magazine for including Unity in their outstanding publication.

LIGHT FOR OUR AGE BY ROBERT P. SIKKING

Unity School of Christianity has just published Light For Our Age by Robert P. Sicking. Hugh R. Horne has reviewed the book and reports: "This excellent book is a further extension of the influential ministry of a man well known to the Unity Movement.

"We grow as our consciousness increases, the author says. The birth of a social experience...became more conscious of the bestial inhumanity of war and its attendant evils. However, co-existing with this brotherly concern is an evident breakdown of individual moral and ethical standards that has produced forms of personal violence to a degree never known before, and has effected a trend that may ultimately spell doom for so-called organized religion.

"As gloomy as the picture may seem, this trend can work for good, for this is a time of awakening, portending great possibilities, he says. We must always keep in mind that through every experience 'there has been an activity of a higher intelligence that has caused us to move along an orderly pathway...where we are a part of the spiritual realm.'

"People today are realizing the truth that 'there is only one Presence and Power in the universe, and that allness and onliness...we can define as God.' As we progress toward the full realization of this great truth, our not knowing will begin to lose its grip, and we come into the consciousness that the perfect plan of us is God's perfect idea of Himself.

"We then can understand that death is a natural part of life. Our knowing will set us free from its fear, since it is not possible for us to be separated from God, His wisdom, life, love, and power.

"This is a profound book, and should be read and studied by all who are interested in a better understanding of the great principles of Truth."

Light For Our Age is handsomely cloth bound and is priced to retail at \$3.95 and may be ordered from the Sales Department at Unity School at your dealer's price of \$2.37.

WHO'S WHO IN AUC

This month in our Association's monthly newsletter we are pleased to honor two more of our ministers who serve as Regional Representatives on the AUC Board of Trustees.

Marlowe Kline
Eastern Region

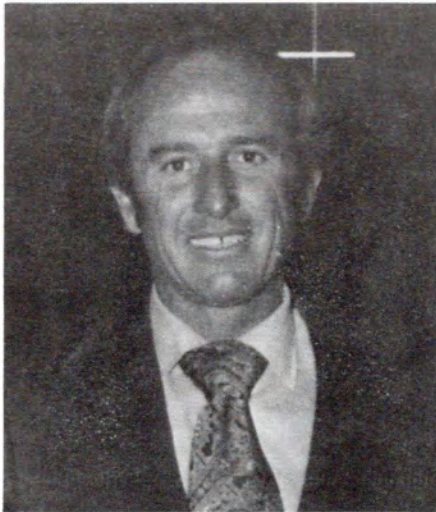

Marlowe Kline serves as minister of Montclair Unity Church in New Jersey. Marlowe accepted her present position in 1966, after being graduated from the Unity Ministerial Training School. She received ordination in 1967.

Marlowe was first introduced to the Unity teachings as a child in Illinois. She is a graduate of Palmer Chiropractic College in Davenport, Iowa, and was a practicing chiropractor for 18 years. She also taught vocal music for eight years in public schools.

In the summer of 1964, Marlowe began the training program at Unity Institute for Continuing Education. Upon her completion of the U.I.C.E. program, she spent a year of residency training in the ministerial training school.

Interested in community affairs, Marlowe has been an active member of the Montclair Business & Professional Women's club for many years.

Unity in Montclair has grown considerably under the direction and guidance of Marlowe. In addition, study groups in Scranton, Pennsylvania, and northwest New Jersey are being developed by the ministry.

Loren Flickinger
Southeastern Region

Loren Flickinger serves as minister of Unity of Tallahassee, Florida, a ministry which he established in September, 1975.

Loren has been closely associated with the teachings of Unity since childhood as both his father and mother are ordained Unity ministers. He was active in Youth of Unity and served as International President of Y.O.U.

As a young man, Loren assisted his father in the Unity work in Pasadena, California, before joining the staff of Unity School of Christianity in the early 1950's.

Ordained in 1956, Loren has served Unity ministries in Riverside, Santa Monica, Covina, and Ventura, California. He founded the Unity work in Newport Beach, California, in 1961 and served there until 1973, when he accepted the leadership of the Unity ministry in Pompano Beach, Florida. He served in Pompano Beach until he established the present ministry in Tallahassee.

Loren has also served the Association of Unity Churches in many Regional capacities and has served on various committees of the AUC.

ever, the demand in the Chicago area for copies of this Outreach Program publication was so great that the supply was exhausted. We rejoice in knowing that the Outreach Program is unfolding and expanding in so many wonderful ways.
