

# WEEKLY UNITY

Unity Building, 913 Tracy Avenue

VOL. II KANSAS CITY, MO., THURSDAY, JULY 7, 1910 NO. 9

## UNITY'S PICNIC

The Fourth of July Picnic was a great success. A cool breeze blew gently from the north and Budd Park never looked more like fairy-land.

The crowd began to gather about 2 o'clock and the lemonade cans were soon ready for the thirsty boys and girls. Every one went to work to make the time pleasant for everyone else. Unity badges were pinned on all comers.

The twine winding race was won by Miss Stella Templeman, Miss Stella Bishop being second. The boys' 50 yard dash was won by Mack Hall; Harry Newton carried off the prize for the men's race. Tessie Wallace reached the goal first in the ladie's race and Lillian Cline came out ahead in the girl's race.

The boy's cracker-eating race proved to be great fun and a wise idea, as it partly filled them so that the older folks could have a chance at supper time. The prize was divided between Cecil Lay and Paul Jones. The prize for the girls' cracker-eating race was divided between Edith Price and Adaline Whitworth. Mrs. De Voss won the prize for the fire work game.

Twelve delicious cakes were entered in the contest, affording a fine opportunity for the young men who acted as judges to get their fill of good things before the picnic proper began. The prize was given to Mrs. Preston. Mrs. Hombs received the prize which the Unity Guild offered for the best salad.

After finishing the bounteous feast the little folks played games and the larger folks sat talking and enjoying the beautiful evening until it was time to go home.

## SILENT UNITY NOTES

The Silent Unity Department has two new helpers, Mrs. Hattie M. C. Shoepf of Springfield, Mass., and Miss Stella M. Templeman of Richmond, Ky. Both have been students in the Unity Correspondence School for over a year and have done excellent work. We bid them a hearty welcome.

Silent Unity appreciates the fresh flowers brought nearly every day, and gratefully acknowledges the kindness of the friend who places them in the room.

Last week was a large week in the correspondence feature of this department. In all, 772 letters were received, and 756 written. This is an average per day of a fraction over 128 in, and 126 out.

Mr. Ambro Bettes will give a course of eight lessons at Unity on the "Natural Law." These lessons will begin Thursday evening, July 7th at 8 o'clock. One will be given each week until the close of the course.

These lessons should be of intense interest to both the student of secular and divine science, as Mr. Bettes has succeeded in proving the fallacy of many of the theories of secular science and has shown the complete harmony between Natural Law and the Higher Truths of religion.

Bring paper and pencil.

## THE MUSIC FUND

The 3d Sunday in each month is designated as the day on which all pledges for the Music Fund are to be handed to Mrs. Fyke. Our Mrs. Davis started this fund and when she moved to Texas she appointed Mrs. Fyke as her successor in the collection of the pledges. Let us prove to Mrs. Davis that we still respond to her inspiration and are true to our promise to sustain this Music Fund, and without further solicitation pay our money to Mrs. Fyke the third Sunday of each month.

**RESPONSIVE SERVICE**

**Sunday, July 10**

Thou shalt have no other gods before me.

Thou shalt not make unto thee any graven image.

There is but One Presence and One Power in the Universe, the Good Omnipotent.

I see in Mind that perfect character which I desire to be, and thus plant the seed-thought that brings forth the perfect man.

I am transformed by the renewing of my mind.

I am the Beloved Son in whom the Father is well pleased.

My highest Ideal is the Perfect Man. I am the image and likeness of God, in whom is my perfection.

I am the Lord of my mentality and ruler of all its Thought-People.

I bring every thought into captivity to the obedience of Christ.

The All-Powerful Mind of Jesus Christ in me dissolves and dissipates every adverse thought.

My thoughts are established in Truth. How precious are thy thoughts unto me, O God.

I am pure and perfect in Christ. I rest in the peace and satisfaction of the Christ Mind.

The Unity Guild held an interesting meeting Tuesday evening in Unity Auditorium. New committees were appointed to carry on the regular work of the Guild for the next six months. A committee was also appointed to prepare a programme for a social to be given Tuesday evening, July 19th. The committee is hard at work and the evening will be a happy one for all who attend, we are assured. Every one is invited to come.

Miss Stella Bishop, E. V. Ingraham and Miss Nellie Phelan were appointed a special committee to greet new comers at the Sunday morning services.

The members of the Guild also planned a picnic for themselves.

J. R. Garrison was elected a member of the Unity Guild.

After the transaction of other important business a few minutes' time was given to the healing meeting. A strong healing thought was held and the names of those needing help were taken up.

**SUNDAY SCHOOL REPORT**

The attendance for the month of June was as follows:

June 5, .....	121
June 12, .....	115
June 19, .....	108
June 26, .....	112

Making an average of 114.

Tessie Wallace, Sec.

The Sunday School is surely growing steadily and it is prospered by Divine Love.

The treasurer's report was not handed in but doubtless would show a prosperous condition of the finances.

**A HIGHER CRITIC**

Master—"I see you've got a horseshoe up there, Pat. I thought you didn't believe in that superstition."

Pat—"Sure, an' I don't, sir. But I have heard that them as don't believe in it gets the best luck."—*Punch*.

## THINGS TO BE REMEMBERED

Remember: If you can't smile all the time, smile as often as you can.

Remember that nothing is perpetual except Truth.

Remember that after a certain point money takes more than it gives.

Remember the Unity Guild social which will be held Tuesday evening, July 19th. A fine program is promised.

Remember to return the first \$1.00 which you save in the Prosperity Bank.

Remember that the post cards are on sale in the library.

Remember that the Sunday evening meetings will not be held during July and August.

Remember the lessons to be given Thursday evenings by Prof. Bettes in Unity Building.

## VALUE OF THE CHURCH GOING HABIT

The Woodward Avenue business man smiled when some of his friends rallied him a bit about his regular habit of going to church.

"No, I don't go to please my wife," he said good naturedly. "Neither do I go because I have any special creed to uphold; nor yet because I think it is good for business. I go because it is the plan I started with early in life, and I mean to keep it up.

"When I was a boy, just beginning to think what I should do with my life, I sized up the people in the town where we lived, and I saw that those who were bringing out the best results all around, for themselves and their families, were men who habitually went to church. It seemed to me then, young as I was, and it still seems to me that churchgoing inevitably brings out system, order, punctuality, self-respect and a number of other traits which are valuable assets in any life work. The practice of getting together once a week in perfect condition—all the family dressed and ready to start out
