

Mindy Is Coming Wednesday

Mindy Audlin, author of *What If It All Goes Right? Creating a New World of Peace and Possibility* speaks to Unity of Georgetown's Meditation group this Wednesday, April 27 from 7-8pm at 4134 Williams Drive (same building as Friendly Computers).

Her visit is part of Unity Georgetown's effort to start local groups that use her *What if Up®* philosophy and process for creating a life we love. Profound in its simplicity, "What If It All Goes RIGHT?" teaches the foundational skills for conscious creation.

Everyone is invited and a love offering donation will be collected. For more information about Mindy, go to:

Now there is Peace on Earth and it has begun with me.

Easter Sunday Music

Congregational Song – *Morning Has Broken* – Eleanor Farjeon

Morning has broken, like the first morning.
Blackbird has spoken, like the first bird.
Praise for the singing, praise for the morning,
Praise for the springing fresh from the word.

Sweet the rain's new fall, sunlit from heaven,
Like the first dewfall, on the first grass.
Praise for the sweetness of the wet garden
Sprung in completeness where His feet pass.

Mine is the sunlight, mine is the morning
Born of the one light, Eden saw play.
Praise with elation, praise every morning,
God's re-creation of the new day!

Musical Inspiration – *Let's Begin* – Bill Provost

Let's begin from this moment; Let's begin now.
From within feel excitement to begin now.
To grow as we follow the thread of life,
Sharing love with the bread of life
Making all things new.

To know, as we enter the flow of life,
That the Christ is aglow with life,
Lifting every new horizon

Let's begin from this moment; Let's begin now.
From within feel excitement to begin now.
Let's begin, ever growing;
Let's begin, ever knowing;
Let's begin, Let's begin now.

Musical Inspiration – *New Understanding* – Tim McAfee-Lewis

Chorus

I'm walking in a new understanding
The Light of God shines as me
I'm walking in a new understanding
And so it is; And so it shall be.
And so it is; And so it shall be. (repeat)

Verse

I used to think of a god on high
Far far away beyond the sky
Until I heard a word that changed my point of view
God's light shines as me and you

Verse II

A new understanding I can see
How God needs you and God needs me
So be the light for all to see
And as we shine we'll set the captives free

Someone may in the valley low
Shine your light. Shine it Bright
Somebody may not know which way to go
Shine your light Shine it bright
Somebody may be on the mountain top
Shine your light. Shine!!
