14. *TradeRev's Role.* TradeRev is a provider of online auction and vehicle appraisal software services. We do not own or take title to the Vehicles listed for sale via the TradeRev System. TradeRev is neither the Buyer nor the Seller of the Vehicles listed for sale. Rather, TradeRev provides software services to facilitate the exchange of Vehicles between Buyers and Sellers. TradeRev does guarantee payment to the Seller provided that the Seller provides TradeRev with original Vehicle ownership documents within 48 hours of the date the Vehicle is marked *Arrived* in the TradeRev System. TradeRev does not guarantee the accuracy of information regarding Vehicles listed for sale via the TradeRev System. As a sophisticated commercial party, you are expected to satisfy yourself regarding the condition and value of the Vehicle and the terms of sale before bidding. TradeRev is not a party to the Vehicle sale contract, but is a third party beneficiary of the contract, entitled to the parties' performance and to seek legal remedies for the parties' breach. You agree that any legal claims arising out of a transaction will be between you and the other party (either Buyer or Seller) in the transaction and not against TradeRev or any TradeRev Partner. TradeRev makes no representation, warranty or guarantee as to the accuracy or completeness of the appraisal, description, equipment, warranty, service policy, title, history, odometer reading or disclosures pertaining to Vehicles offered for sale via the TradeRev System.
15. *Fees.* In consideration of access to the TradeRev System, you agree to pay TradeRev and TradeRev Partners (as applicable) all fees and charges assessed by TradeRev and/or the TradeRev Partners for access to the TradeRev System and services provided by TradeRev Partners (collectively, the "**Fees**"). Fees are subject to change without notice. You agree that TradeRev may deduct the Fees and any other amount owing by you to TradeRev or a TradeRev Partner from any amounts that may be payable to you including Vehicle sale proceeds. The purchase price of the Vehicle, service charges, plus all applicable taxes and Fees payable by Buyer in connection with a transaction is the "**Total Payment Amount.**" All Fees not deducted from the sale proceeds are due and payable within seven (7) days after the charge is posted to your online account.
16. *Payment Terms.* Customer shall pay TradeRev or TradeRev Partner (if applicable) the Total Payment Amount by 4:00 PM (Eastern time) the day after the Vehicle is marked "*Arrived*" in the TradeRev System (the "**Payment Due Date**"). For Customers who elect to participate in the TradeRev Pro monthly subscription plan, subscription fees are due and payable in advance on the sign-up date (the "**Subscription Fee Due Date**"). (For example, if you signed up for TradeRev Pro on the 14th of May, your first payment would be due on May 14th and all other payments would be due on the 14th of each month thereafter..) TradeRev Pro subscribers will automatically be charged the monthly subscription in

accordance with their credit card authorization instructions. The Subscription Fee is not pro-rated for partial months. For all other amounts owing, payment shall be made in Canadian dollars by electronic funds transfer, by a pre-approved floor plan financing arrangement acceptable to TradeRev, or such other payment method approved by TradeRev or the Seller (each a, "**Payment Instrument**"). For Customers signed up for Auto Pay, funds owing will be automatically debited using the default payment method selected by the Customer if payment is not received by the Payment Due Date. For Customers not signed up for Auto Pay, TradeRev will deduct the amounts via EFT. TradeRev reserves the right to specify the type of Payment Instrument it will accept from Customer where payment is made to TradeRev or a TradeRev Partner. In addition to whatever rights of set-off TradeRev may have in any jurisdiction where Vehicles are sold, if Customer or any party affiliated with Customer (each a "**Customer Affiliate**") fails to pay Fees or other amounts owing when due to TradeRev or any TradeRev Partner, TradeRev will be entitled to immediately set off the amount owed by Customer and/or Customer Affiliate from any funds owing by TradeRev to Customer and/or Customer Affiliate. In addition, if you fail to pay the Total Payment Amount by the Payment Due Date or the monthly subscription fee by the Subscription Fee due Date, we may: (a) electronically debit your bank account or floor plan account in accordance with the default payment method selected by you under your Automatic Payment Plan; (b) deduct the amount owing from any amounts payable by TradeRev to you; (c) retain possession of any Vehicles owned or controlled by Customer or Customer Affiliate; (d) withhold title documents until all amounts owed have been paid; (e) cancel the sale transaction; (e) charge late payment fees, and/or charge interest on any past due amounts at the rate of one and one half (1.5%) percent per month (18% per year) or the maximum rate allowed by law, whichever is less; and/or (f) pursue any other remedy or relief permitted by law. Any Payment Instrument withdrawn, rejected or returned for non-sufficient funds ("**NSF**") must be settled and replaced immediately. NSF transactions will be subject to a service charge up to the maximum amount allowed by law and shall be immediately due and payable. You agree to pay all costs including, without limitation, legal fees and disbursements, court costs and other expenses reasonably incurred by TradeRev or a TradeRev Partner to collect any monies owing by you.

17. *Security Interest/Hypothec.* Customer hereby grants to TradeRev a continuing security interest and hypothec in all Vehicles purchased by Customer through TradeRev and in all Customer Vehicles that are in the possession, custody or control of TradeRev or a TradeRev Partner, wherever located, and all proceeds from the sale thereof to secure payment of all Fees, debts, liabilities and obligations of Customer to TradeRev or a TradeRev Partner. If Customer fails to pay TradeRev or a TradeRev Partner any amount when due, TradeRev and TradeRev Partners will be entitled to exercise the rights and remedies of a secured creditor as such rights and remedies may be provided by statute, common law, equity or otherwise. Despite any alleged competing security interest in the Customer's Vehicles which may be asserted by a third party, Customer acknowledges that as between Customer and TradeRev, the security interest will be enforceable as to any listed or purchased Vehicle, and TradeRev shall be entitled to all of the rights and remedies of a secured party as provided by law, including but not limited to the right of self-help repossession. Notwithstanding any other language in these Terms and Conditions, if Customer defaults in any obligation imposed upon Customer in conjunction with any TradeRev transaction, Customer agrees that TradeRev shall be entitled as third party beneficiary of the sales contract to enforce against Customer all legal and equitable remedies available to "Seller" or "Buyer" of goods, as appropriate to the particular transaction.

SALE PROCESS

18. *Bidding Process.* Please see our online user guides and best practice guides posted in the Support area of the TradeRev website. If you do not understand the bidding process, please ask one of our customer service representatives to assist you.
19. *Know Your Purchase.* All Vehicles listed for sale on the TradeRev System are used vehicles. Most used vehicles have defects, flaws and/or wear and tear. Please allow for this in your bidding. Buyers should review all Vehicle information made available to them before bidding including appraisals, photographs, videos, Seller's notes, and Vehicle History Reports. It is the Buyer's responsibility to verify the condition and history of the Vehicle within the applicable arbitration period.
20. *Risk.* TradeRev assumes no liability for loss or damage to Vehicles listed on the TradeRev System. TradeRev does not provide insurance coverage for Vehicles.
21. *Vehicle Pick-up.* Buyer is required to pick-up the Vehicle from the Seller's lot within five (5) business days of the Vehicle being marked *Arrived* in the TradeRev System. Storage fees may apply for late pick-ups at TradeRev's discretion.

22. *Buyer Vehicle Inspection Obligations.* Buyer or Buyer's agent should carefully inspect the Vehicle at the time it is picked up from the Seller's location. Any concerns must be noted on the Bill of Lading which should be signed by a representative of the Seller. In addition, Buyer is required to communicate any concerns to TradeRev within the arbitration period.
23. *Post-Sale Inspection Services.* Customer may request that a post-sale inspection be performed on a Vehicle by contacting TradeRev or selecting this service on the applicable section of the TradeRev website. All post-sale inspections are subject to the terms and conditions associated with the type of inspection selected.
24. *Transportation.* For Vehicles sold through the TradeRev System, a Buyer may request that TradeRev or a TradeRev Partner arrange transportation on Buyer's behalf. TradeRev and the TradeRev Partners provide this service for a Fee and as a convenience for Buyers; however, TradeRev and the TradeRev Partners do not warrant or otherwise endorse the services provided by third party transportation companies. By requesting TradeRev or a TradeRev Partner to arrange for the transportation of a Vehicle, Buyer agrees to the terms in this Section:
 - a) By electronically or verbally requesting transportation services for a specific Vehicle, Buyer authorizes and directs TradeRev or a TradeRev Partner to arrange the transportation of such Vehicle on Buyer's behalf with a third party carrier.
 - b) Buyer will pay TradeRev or the TradeRev Partner the transportation Fee as shown on the applicable webpage or as otherwise communicated to Buyer on or before the payment due date. Transportation will not be arranged until Buyer has paid all Fees including all transportation charges.
 - c) Any delivery dates provided are estimates only. Neither TradeRev nor the TradeRev Partners guarantee that the Vehicle will be delivered within the indicated timeframe and are not liable for any costs or losses associated with the late delivery of any Vehicle.
 - d) Risk of loss for a Vehicle remains with the Seller until the transportation company picks up the Vehicle from the Seller's location, at which point the risk of loss for the Vehicle is transferred to the Buyer. If the Vehicle is damaged in transit, TradeRev or TradeRev Partner will, as a convenience to Buyer, use commercially reasonable efforts to assist Buyer in making a claim against transportation company or its insurer, but neither TradeRev nor TradeRev Partners are liable for any damage that occurs to the Vehicle in transit or any other liability or claim that may arise or relates in any way to the transport of the Vehicle. TradeRev and TradeRev Partners are not responsible for prosecuting a claim against the carrier or its insurer on Buyer's behalf.
 - e) Buyer agrees to indemnify and hold harmless TradeRev and TradeRev Partners and each of their officers, employees, and agents from any and all claims, expenses, losses and costs associated with any personal injury, property damage or delay, that may occur or that relates in any way to the transportation of Vehicles.
25. *Post Sale Inspection.* All Buyers are strongly encouraged to arrange for a post-sale inspection of all Vehicle purchases. If a Vehicle sale is cancelled due to arbitration, TradeRev may, in its discretion, limit the losses recoverable by Buyer (including Vehicle transportation costs) on any Vehicle sold without a post-sale inspection.
26. *Vehicle History Reports.* Vehicle history reports from an accepted industry source regarding the history and condition of a vehicle ("**Vehicle History Reports**") are required on all Vehicles listed for sale on the TradeRev System. TradeRev is not responsible for the accuracy of Vehicle History Reports. Vehicle History Reports must meet the following minimum standards:
 - a) Insured claims history of Accident Repair from each province where vehicle has been registered including claim amount;
 - b) Ownership and registration history including title branding and odometer history (all provinces and U.S.);
 - c) Vehicle import records (if applicable);

SELLER OBLIGATIONS

27. *Seller Responsibilities.* A Seller will build confidence in its product and credibility with Buyers by disclosing all material facts about the history and condition of Vehicles offered for sale. It is Seller’s obligation to fairly represent its Vehicle and to correct any errors made regarding disclosed conditions. Seller is responsible for the accuracy and completeness of all disclosures regardless of whether Seller has relied on third party resources (e.g. inspection company, vehicle listing service, electronic data vehicle history report, VIN decoder, etc.).
28. *Online Photographs and Video.* Photographs and video must accurately and fairly represent the condition of the Vehicle. Photographs/video of damage or other conditions that could materially affect the value of a Vehicle should be provided.
29. *Disclosures.* A Seller who lists a Vehicle for sale on the TradeRev System is required to disclose the information listed in the table below (each a “**Disclosure**”) in the Vehicle detail page of the TradeRev System. The list is not intended to be exhaustive. As vehicles and our industry change, the disclosure obligations required of Sellers may similarly change. Accordingly, TradeRev reserves the right to consider other information not specifically listed below.

30. Q&A

- a) Comments and commitments made by the Seller in the Q&A area of the TradeRev System ("**Q&A**") will be binding on the Seller regardless of whether the Buyer who *Won* the Vehicle viewed the Q&A exchange. For example, if the Seller stated in Q&A that the Vehicle comes with 4 snow tires, the Seller will be required to provide the Vehicle with 4 snow tires regardless of whether the Buyer who *Won* the Vehicle participated in the Q&A exchange.
- b) Disclosures made by the Seller in Q&A are not binding on the Buyer unless the Q&A exchange in which the Seller made the Disclosure was with the Buyer who *Won* the Vehicle. For example, if the Seller stated in Q&A that the Vehicle's air bag light is on but did not make the air bag Disclosure in the Vehicle detail page, the air bag Disclosure will only be binding on the bidder who participated in the Q&A exchange. Bidders are not expected to review Q&A exchanges in which they did not participate. Accordingly, the Q&A air bag Disclosure will only bind the bidder who participated in the Q&A exchange regarding the air bag Disclosure.
- c) When a Vehicle is re-launched in the TradeRev System, prior Q&A comments are removed. Sellers should include any relevant information from prior Q&A exchanges in the detail page for the re-launched Vehicle. Bidders should be aware that any commitments made by Seller in previous Q&A exchanges no longer apply to the re-launched Vehicle unless confirmed by the Seller for the re-launched Vehicle.

31. *Title/Ownership.* . When you mark a Vehicle as *Arrived*, you are guaranteeing, representing and warranting to TradeRev and to the Buyer that you are authorized to sell the Vehicle, have good title to the Vehicle and that the Vehicle is free of all liens, charges, hypothecs, and encumbrances of any nature or kind whatsoever. Seller is required to provide TradeRev with the original ownership in Seller's name within 48 hours of the date the Vehicle is marked *Arrived* in the TradeRev System (not applicable to Vehicles registered in Alberta or Saskatchewan). Regardless of the method of payment and the status of the ownership registration, title to a purchased Vehicle does not pass to the Buyer until payment in full has been made and the funds have actually been received by TradeRev. Seller reserves ownership of the Vehicle, and title to and ownership of the Vehicle will not transfer to Buyer until the sale price for the Vehicle has been paid in full to TradeRev for benefit of Seller. If the purchase of the Vehicle is financed by any lender (a "**Lender**") and the purchase price for the Vehicle is paid to Seller (via TradeRev) by such Lender on behalf of Buyer (or by Buyer out of the proceeds of such financing), (i) Seller hereby assigns all of its rights under this contract, including its reservation of ownership, to Lender, and Buyer consents to such assignment, (ii) Buyer consents to the publication of a reservation of ownership by Seller and of the assignment thereof to Lender, by Seller, Lender or their representatives, (iii) Seller shall remain responsible as seller hereunder notwithstanding such assignment and shall indemnify and hold Lender harmless of any liability hereunder, and (iv) all terms and conditions of the loan and security agreement entered into or to be entered into from time to time by Buyer and Lender shall be applicable hereto and the purchase price of the Vehicle shall be payable in accordance with the provisions applicable to an advance made thereunder. If the purchase of the Vehicle is not financed by any lender, the Seller hereby assigns all of its rights with respect to the Vehicle to TradeRev.
32. V.I.N. Sellers may not offer a Vehicle for sale unless the original VIN plate is intact or has been replaced in accordance with provincial and federal regulatory requirements.
33. *Vehicle Sales*
- a) Vehicles that have been marked *Arrived* in the TradeRev System must at all times be under the lawful possession, custody and control of the Seller.
 - b) Seller will be required to upload to the TradeRev System a copy of the Vehicle ownership registered in the name of the Seller and send the original ownership document (excluding Vehicles registered in Alberta and Saskatchewan) to TradeRev before receiving payment.
 - c) Seller shall not release a Vehicle to the Buyer or its representative until the Buyer has paid the Seller for the Vehicle or, if payment is made to TradeRev or a TradeRev Partner, until the Seller has received confirmation that the funds have cleared the Buyer's bank. TradeRev and TradeRev Partners do not guarantee payment from the Buyer. The Seller will be liable for all Losses due to the unauthorized or premature release of a Vehicle.
 - d) TradeRev reserves the right to remove a Vehicle posted on the TradeRev System at any time.
 - e) When a Vehicle has been marked as *Arrived* in the TradeRev System, the Seller will make the Vehicle (with at least one set of working keys) available for pick-up at the location specified on the Vehicle listing page. If the Seller fails to do so, TradeRev may at its discretion: (i) charge the Seller a penalty fee, (ii) require Seller to pay some or all of Buyer's Fees and costs, including but not limited to transport, "dry run" fees, floor plan financing interest charges and/or service charges, and/or (iii) cancel the transaction and require Seller to refund all sale proceeds to TradeRev, which will refund the Buyer.

TRADEREV ARBITRATION POLICY

34. *Arbitration Policies.* TradeRev offers an arbitration service to resolve disputes between Buyers and Sellers. Our arbitration service is governed by the terms and conditions in Sections 34 to 53 (collectively, the "**TradeRev Arbitration Policy**"). The TradeRev Arbitration Policy may be managed on behalf of TradeRev by ADESA Auctions Canada Corporation and/or Openlane Canada, Inc. (collectively, "**ADESA**"), both TradeRev Partners. Accordingly, references in the TradeRev Arbitration Policy to TradeRev shall also include ADESA. The arbitration process is designed to be fair, impartial, quick, and economical.
35. *Acknowledgement.* By accessing the TradeRev System or otherwise using TradeRev's services, you acknowledge and agree that any dispute arising due to the purchase or sale of a Vehicle will be resolved in accordance with the TradeRev

Arbitration Policy. You hereby appoint TradeRev to serve as Arbitrator and empower it to render a final, binding decision in settlement of all Claims submitted for arbitration.

36. **Definitions.** In addition to the terms defined elsewhere in these Terms and Conditions, the following definitions apply:
- “*Arbitrator*” means the TradeRev personnel responsible for adjudicating disputes and managing the dispute resolution process contemplated in this Policy.
 - “*As-Is*” means the Vehicle is being sold with limited arbitration rights.
 - “*Claim*” means a claim submitted by the Buyer of a Vehicle for arbitration.
 - “*Major Deception*” means an act, representation or omission that materially affects the value of the Vehicle and, having regard to all of the circumstances, would reasonably be regarded as misleading, unprofessional, or unethical.
 - “*Policy*” or “*Policies*” mean the TradeRev Arbitration Policy.
37. **Buyer Obligations.** Before bidding on a Vehicle, Buyer is required to know the arbitration rules in place for the Vehicle. In addition, Buyer should carefully review all disclosed information including descriptions, photos, videos, condition reports and vehicle history reports. To preserve arbitration rights, Buyers are strongly encouraged to be diligent in their inspection and research of Vehicle purchases within the relevant arbitration period.
38. **As-Is Vehicles.** Arbitration rights are limited for As-Is Vehicles (see Section 49). Vehicles that are 10 or more years older than the current model year or that have been driven 160,000 kilometers or more will automatically be listed As-Is by the TradeRev System unless the Seller elects to override the “As-Is” label.
39. **Making an Arbitration Claim**
- a) **Start Arbitration Claim.** Before starting a Claim, Buyer must pay all amounts owing for the Vehicle including any transportation costs. Buyer starts arbitration Claim by submitting appropriate information and documentation online to TradeRev’s arbitration department through TradeRev’s Customer Service Portal or by email to support@traderev.com before the expiry of the arbitration period. Buyer submits the following information: Buyer’s name and telephone number; contact person and telephone number; Vehicle VIN, model and year; Delivery Time; and a description of the issue(s) to be arbitrated.
 - b) **Submit Supporting Documentation.** No later than 2 business days after starting the Claim, Buyer is required to submit supporting documentation including but not limited to: (i) the original online description of the Vehicle (condition report, Vehicle detail page, etc.) (ii) digital photographs of the defect(s) underlying the Claim, (iii) wholesale (not retail) repair estimates from an independent and reputable source; and (iv) bill of lading, transport release form, or other form of delivery receipt from transportation company, if applicable.
40. **Buyer’s Obligations.** Buyer will not use any Vehicle that is subject to an arbitration Claim. Buyer may lose the right to make or continue a Claim if Buyer drives Vehicle other than for test-driving purposes (not to exceed 20 kms). Pending a final decision on the Claim, Buyer must, at its own expense, take reasonable steps to care for, preserve, secure and store the Vehicle until the Vehicle is properly returned. Buyer is not entitled to charge any parking, marshalling or other fees in connection with its preservation of the Vehicle. Buyer will be charged the cost of damage repair and/or assessed a penalty fee for any breach of this provision.
41. **Arbitration Periods.** Depending on the nature of the Claim, the Arbitration period will either be *Regular* or *Extended*. The Regular arbitration period is two (2) business days after the Vehicle is picked up by the Buyer. The Extended arbitration period is seven (7) calendar days from the date the Vehicle is picked up by the Buyer. A Buyer is required to pick up the Vehicle no later than 5 business days after the Vehicle is marked *Arrived* in the TradeRev System. Failure to do so can result in loss of arbitration rights and/or assessment of storage fees at TradeRev’s discretion.
42. **Vehicle History Report Disclosures.** Arbitration is not available for disclosures in a Vehicle History Report. Please ensure that you review the Vehicle History Report carefully before the expiration of the arbitration period.
43. **Lengthening the Arbitration Period.** TradeRev reserves the right to lengthen the arbitration period when, in the opinion of TradeRev it would be fair and reasonable to do so. Although the Seller is required to make all applicable Disclosures, the Buyer is also required to be diligent in its inspection and research of its Vehicle purchases. Thus, if, by exercising

reasonable diligence, the Buyer could have discovered a potential arbitration issue within the applicable time period, it is unlikely that an exception to the arbitration time limits will be made.

44. *Investigation.* The Arbitrator will review only issues identified in the initial Claim. The Arbitrator may, but is not required to, consult with the Buyer, Seller or both parties to gain a better understanding of the issue(s) under arbitration. Depending on the issue, the Arbitrator may also seek the advice of mechanics, trained vehicle inspectors or other automotive professionals. When appropriate, the Arbitrator may refer the Vehicle to an external resource such as a specialty shop for consultation.
45. *Decision.* After completing the investigation, the Arbitrator will decide whether the arbitration Claim is valid. Before deciding what the remedy should be, the Arbitrator may attempt to mediate a resolution between the Buyer and the Seller. If agreement cannot be reached, the Arbitrator will decide the appropriate remedy, if any.
46. *Remedies.* The Arbitrator has a broad discretion to grant any remedy or relief that he/she considers to be fair and reasonable in the circumstances. The purpose of the arbitration remedy is to ensure that the Buyer is fairly compensated for its loss. In some circumstances, such as where a Disclosure does not affect the value of the particular Vehicle, there may be no loss and thus no remedy. Remedies could involve: cancellation of the sale and refund of the purchase price, reimbursement of costs and/or expenses incurred including transportation costs, partial refund of the purchase price, repair of defect at Seller's expense, repair of defect with the costs apportioned between the Buyer and the Seller, no financial or other compensation, or similar remedies.
47. *Arbitration Fees and Costs.* TradeRev reserves the right to assess an arbitration Fee against the Buyer and/or Seller. If TradeRev incurs costs as part of its investigation (e.g. referral to an external resource, towing, transportation, etc.) the Arbitrator, as part of the remedy imposed, will determine liability to pay the costs incurred. Arbitrations that result in the cancellation of a Vehicle sale may be subject to a void Fee at TradeRev's discretion.
48. *Finality.* The decision of the Arbitrator and the remedy imposed is final and binding on the Buyer and Seller. By accessing the TradeRev System, the Buyer and Seller agree to participate in TradeRev's arbitration process and to observe, perform and be bound by the decision of the Arbitrator. Upon fulfilling the Arbitrator's decision, the Buyer and Seller are deemed to release each other from all claims and demands in respect of the matters referred to arbitration.
49. *Return Process.* If the sale is cancelled, Buyer and Seller will follow the instructions provided by the Arbitrator regarding arrangements for pick-up and delivery of the Vehicle. Usually, Buyer will deliver the Vehicle to the Seller's lot. If Vehicle is returned to an ADESA auction location, the Vehicle will not be considered returned until it is received, inspected and approved for return by ADESA auction management. A returned Vehicle must be in the same or better condition as when it was sold. An excess kilometres fee may be assessed against returned Vehicles.
50. *Limitations on the Availability of Arbitration*

<i>Arbitration is not available for the following:</i>	<i>Exceptions:</i>
Matters that were properly disclosed as Seller Disclosures.	None
Matters disclosed in a Vehicle History Report, Vehicle appraisal, Vehicle detail page, condition report or similar source made available to the Buyer via the TradeRev System before the Vehicle sale is finalized.	None

Matters raised outside of the applicable arbitration period.	At TradeRev's discretion

51. *Customers.* Arbitration is a service available to TradeRev Buyers and Sellers only and not to their customers. The service is not available if the Buyer no longer has possession or ownership of the Vehicle.
52. *Legal Proceedings*
- a) No action or legal proceedings will be commenced or prosecuted by the Buyer or the Seller against the other concerning: (i) Any matter that is or was the subject of arbitration unless to enforce the terms or conditions of the Arbitrator’s decision; or (ii) Any matter for which arbitration is not available under the Terms and Conditions unless arbitration is not available because and only because the time limit for submitting the matter to arbitration including any extension of the time period has expired.
 - b) No action or legal proceeding will be commenced or prosecuted by the Buyer or the Seller against TradeRev or any TradeRev Partner for any matter, cause or thing directly or indirectly related to TradeRev System or services, including but not limited to arbitration services. The Buyer and the Seller release and waive all rights, remedies, claims, and causes of action against TradeRev and TradeRev Partners from any claim or remedy whatsoever, whether known or unknown, for or by reason of using the TradeRev System, services or services provided by TradeRev Partners including but not limited to arbitration services.
53. *Please Note.* The arbitration process is not a tool for price reduction or for dealing with “Buyer’s remorse”. Buyers are cautioned to avoid impulse buying and to review all available information thoroughly before bidding. All used Vehicles generally have flaws and may require repairs. Buyers should allow for this in their bidding. Arbitrations are regularly monitored by TradeRev. Sellers who repeatedly fail to properly represent their Vehicles or Buyers who repeatedly submit questionable arbitration Claims, may have their rights of access to the TradeRev System and services temporarily or permanently suspended.

- c) Risk of loss for a Vehicle remains with the Seller until the transportation company picks up the Vehicle (the “**Vehicle Pick Up Time**”), at which point the risk of loss for the Vehicle is transferred to the Buyer. If the Vehicle is damaged in transit, the TradeRev Partner will, as a convenience to Buyer, use commercially reasonable efforts to assist Buyer in making a claim against the transportation company or its insurer. This assistance does not involve initiating or prosecuting legal action against the transportation company or its insurer on your behalf. You agree that TradeRev and the TradeRev Partners are not liable for any theft, conversion, loss, injury, death, damage, claim, expense, suit or demand in any way arising out of or relating to the transportation of Vehicles (“**Transportation Losses**”).
- d) To obtain assistance in making a claim for transportation damage, you should follow the claims procedure described on the applicable TradeRev Partner’s website or contact your TradeRev representative for further information.
59. *Export Transactions.* If a Vehicle is to be exported, Buyer is responsible for verifying that it satisfies all export requirements of the originating country and all import requirements of the destination country. TradeRev is not the importer or exporter, and is not responsible for supplying export or import documentation.

62. *Sales Tax.* The Customer certifies that the Customer holds a certificate license or other permit, issued by the sales tax authority of the province and, if necessary, the locality of the Customer's business or businesses which certificate, license or permit exempts the Customer from the payment of provincial sales tax with respect to the purchase of vehicles and bears the number or numbers set forth in the Customer registration application.
