TERMS AND CONDITIONS – SUMMARY OF CHANGES

Updated and effective: August 10, 2020

For your convenience, the following is a summary of important recent changes to the TradeRev USA Terms & Conditions. We recommend fully reviewing the entire Terms and Conditions document.

- A. The Manual, Automatic and Cruise Control seller service plans have been eliminated; however, certain features of the Automatic and Cruise Control seller service plans have been retained as follows:
- i. A vehicle inspected by a TradeRev representative that meets certain eligibility criteria will benefit from a basic level of arbitration protection for “Guaranteed Items” so long as the vehicle is sold within 28 days of the date it is inspected. Apart from several minor revisions to the eligibility criteria, this basic level of arbitration protection is the same as the protection that had been previously available under the Automatic seller service plan. Please see Section 20.c. for further details.
 - ii. For customers enrolled in TradeReadySM seller protection, a vehicle inspected by a TradeRev representative that meets certain eligibility criteria will benefit from enhanced arbitration protection covering both “Guaranteed Items” and the mechanical, frame and cosmetic condition of an eligible vehicle so long as the vehicle is sold within 28 days of the date it is inspected. Apart from several minor revisions to the eligibility criteria, this enhanced level of arbitration protection is the same as the protection that had been previously available under the Cruise Control seller service plan. Please see Section 20.d. for further details.
- B. TradeRev’s policy regarding As-Is designations has changed. See Section 26 for further details. For reference, a vehicle listed for sale in the TradeRev System will be sold As-Is if it satisfies at least one of the following criteria:
- i. the vehicle’s odometer reading exceeds 125,000 miles;
 - ii. the vehicle is over 10 years old from the current calendar year¹;
 - iii. at least one Major Issue is identified with respect to the vehicle; or
 - iv. the vehicle sells for \$2,500 or less.
- C. There are now fewer “Major Issues” that will result in an automatic As-Is designation for a vehicle. See Section 24 for further details. For reference, the list of “Major Issues” is as follows:
- i. a history of total loss, salvage branding or fire or flood exposure or damage;
 - ii. the vehicle will not start;
 - iii. structural damage (or the structure of the vehicle has been altered or repaired);
 - iv. TMU (“true miles (kilometers) unknown” or “not actual miles (kilometers)” or for which the true odometer reading is unknown);
 - v. a suspected major engine, transmission or drivetrain problem (e.g., engine is knocking or vehicle will not move); or
 - vi. modified or aftermarket (i.e., non-OEM) exhaust or emission system.
- D. Minor wording changes and corrections have been made throughout the Terms and Conditions.

¹ For example, in 2020, if a vehicle is a model year older than 2010, the vehicle will be automatically designated As-Is.

You will not take any action that imposes an unreasonably or disproportionately large load on TradeRev’s information technology infrastructure.
9. *Sharing of Username/Password.* Sharing or lending of usernames or passwords is strictly prohibited. You are responsible for maintaining the confidentiality and security of the usernames and passwords issued to you and your Authorized Users. 13. *Electronic Signatures.* You will permit TradeRev to capture your signature in electronic or digital form. You hereby authorize TradeRev and its Partners to apply your electronic signature to documents necessary or incidental to your use of TradeRev’s services, including, without limitation bills of sale, odometer disclosure statements, invoices, acknowledgements, approvals, and title documents. You agree that your electronic signature is intended to authenticate the document to which it is applied and shall have the same force and effect as a manual signature.
14. *TradeRev’s Role.* TradeRev is a provider of online auction services. We do not take title to the vehicles listed for sale via the TradeRev System. TradeRev is neither the Buyer nor the Seller of the vehicles listed for sale. Rather, TradeRev provides services to facilitate the exchange of vehicles between Buyers and Sellers. As a sophisticated commercial party, you are expected to satisfy yourself regarding the condition and value of the vehicle and the terms of sale before bidding. Bids may not be retracted and are final and binding. TradeRev is not a party to the vehicle sale contract, but is a third-party beneficiary of the contract, entitled to the parties’ performance and to seek legal remedies for the parties’ breach. You agree that any legal claims arising out of a transaction will be between you and the other party (either Buyer or Seller) in the transaction and not against TradeRev or any TradeRev Partner.
15. *Listing, Bidding and Sale.* Please see TradeRev’s support page for detailed information regarding the listing, bidding and sale process.
16. *Fees.* In consideration of access to the TradeRev System and related services, you agree to pay TradeRev and TradeRev Partners (as applicable) all fees and charges assessed by TradeRev and/or the TradeRev Partners for access to the TradeRev System and related services (collectively, the “**Fees**”). Fees are subject to change without notice. For an up to date list of TradeRev’s Fees, go to: <https://www.traderev.com/en-us/us-fees/>. The purchase price of the vehicle, service charges, plus all applicable taxes and Fees payable by Buyer in connection with a transaction is the “**Total Payment Amount.**”
17. *Payment Terms.* Customer shall pay TradeRev or the designated TradeRev Partner the Total Payment Amount within two (2) Business Days from the date the vehicle is marked “ARRIVED” in the TradeRev System (the “**Payment Due Date**”). “**Business Days**” are days other than Saturdays, Sundays and United States Postal Service holidays. Payment shall be made in U.S. dollars by, electronic funds transfer or by pre-approved floor plan financing arrangement acceptable to TradeRev (each a, “**Payment Instrument**”). If payment is not received by the Payment Due Date, the amount owing will be automatically debited using the default payment method selected by the Customer. TradeRev reserves the right to specify the type of Payment Instrument it will accept from Customer. In addition to whatever rights of set-off TradeRev may have in any jurisdiction where vehicles are sold, if Customer or any party affiliated with Customer (“**Customer Affiliate**”) fails to pay Fees or other amounts owing when due to TradeRev or any TradeRev Partner, TradeRev will be entitled to immediately set off the amount owed by Customer and/or Customer Affiliate from any funds owing by TradeRev to Customer and/or Customer Affiliate. In addition, if you fail to pay the Total Payment Amount by the Payment Due Date, we may: (a) electronically debit your bank account or floor plan account in accordance with the default payment method selected by you; (b) retain possession of any vehicles owned or controlled by Customer or Customer Affiliate; (c) withhold title documents until all amounts owed have been paid; (d) cancel the sale transaction; (e) charge late payment fees of \$10 per day, and/or charge interest on any past due amounts at the

rate of one and one half (1.5%) percent per month, calculated in US dollars, or the maximum rate allowed by law, whichever is less; and/or (f) pursue any other remedy or relief permitted by law. If we accept payment from you by electronic check, you authorize TradeRev to initiate debit entries to your account at the financial institution on which the electronic check was written. The electronic check debit authorization will remain in force until we have received written notice from you of its termination. TradeRev reserves the right to decline payment by electronic check at any time and for any reason. Any Payment Instrument withdrawn, rejected or returned for non-sufficient funds (“NSF”) must be settled and replaced immediately. NSF transactions will be subject to a service charge up to the maximum amount allowed by law and shall be immediately due and payable. You agree to pay all costs including, without limitation, attorney fees, court costs and other expenses reasonably incurred by TradeRev or a TradeRev Partner, to collect any monies owing by you. After a vehicle is marked “Arrived” in the TradeRev System and has been checked out by Buyer, TradeRev will pay Seller the sale proceeds (less applicable taxes, Fees and charges) within two (2) Business Days of receipt of the vehicle title and any other documents required to transfer clear title to the Buyer.

18. *Vehicle Pick-Up.* Vehicles cannot be removed from the Seller’s lot until paid in full. Buyers arranging transportation services on their own, through TradeRev or a TradeRev Partner, must ensure that the Total Payment Amount is paid in full prior to pick up by the transportation service provider. Buyers are required to pick up vehicles within five (5) calendar days after a vehicle is marked “Arrived” in the TradeRev System. Failure to do so may result in arrangement of transportation or assessment of storage fees of \$25 per day at TradeRev’s discretion, in each case at Buyer’s sole expense.
19. *TradeRev Field Services.*
 - a. *Inspection Services.* Customer may request that a TradeRev representative visually inspect a Vehicle, complete the listing, including input of a Floor Price, and, in certain cases, launch the Vehicle into the TradeRev System on Customer’s behalf. Customers must make all disclosures required under these Terms and Conditions and verify Vehicle listings by correcting any errors or omissions regarding disclosed conditions. Customers are responsible for the accuracy and completeness of all information about Vehicles entered in the TradeRev System, including Floor Price, regardless of whether Customer relied on TradeRev or third-party resources.
 - b. *Push-to-ADESA Transportation Services.* For each Vehicle sold via the TradeRev System, Customer may order Push-to-ADESA transportation services by requesting that TradeRev or an affiliate retrieve the Vehicle from Customer’s business premises and transport it to the nearest ADESA auction facility (the “**Push-to-ADESA Service**”). Transportation fees and charges may apply. Each Vehicle that is transported via TradeRev’s Push-to-ADESA transportation services must at all times be safely drivable with sufficient fuel to reach the nearest ADESA auction facility; otherwise, standard fuel and service fees and surcharges shall apply. The availability of TradeRev Push-to-ADESA services is subject to change at any time without notice.
20. *Inspection & Condition Report Services and TradeReadySM Seller Protection.*
 - a. For purposes of the Inspection & Condition Report Services and TradeReadySM Seller Protection, an “**Eligible Vehicle**” is a vehicle that is not subject to one of the following exclusions:
 - i. vehicles with a sale price in the TradeRev System of greater than \$40,000.00 U.S. Dollars or an original Manufacturer Suggested Retail Price of \$100,000.00 U.S. Dollars or greater;
 - ii. vehicles with a re-built title or any DMV branding, including, but not limited to total loss, flood, salvage or TMU (“true miles (kilometers) unknown” or “not actual miles (kilometers)”) or for which the true odometer reading is unknown) or previously stolen vehicles;
 - iii. vehicles sold without a negotiable U.S. title;
 - iv. vehicles sold at closed factory or manufacturers’ sales or subject to or previously subject to a manufacturer buyback, including vehicles subject to any “lemon law”;
 - v. kit vehicles, homemade vehicles and other modified vehicles;

- vi. hand-built or exotic vehicles (including, e.g., Audi R8, Dodge Viper, Ferrari, Lotus, Maserati, Mercedes-Benz G-Class SUV, Nissan GT-R and H1 Hummer);
 - vii. specialty inventory, including, but not limited to, commercial vehicles, off-road vehicles, ATVs, buses, farm and construction equipment, forklifts, motorcycles, recreational vehicles, snowmobiles and trailers;
 - viii. Class 4 vehicles and higher (weight greater than 14,000 pounds) as determined by the Gross Vehicle Weight Rating established by the U.S. Department of Transportation;
 - ix. vehicles that have been up-fitted for specialty purposes by non-OEM providers, including, e.g., bucket trucks, tow trucks, school vans, etc.;
 - x. vehicles that do not have a 17-digit VIN or that are not intended for use on public roadways;
 - xi. vehicles with documented history of fire or flood exposure or damage; or
 - xii. any other vehicle designated by a TradeRev representative as ineligible before or at the time of inspection.
- b. For purposes of the Inspection & Condition Report Services, a **“Guaranteed Item”** means one of the following features or aspects of the condition of an Eligible Vehicle listed for sale via the TradeRev System:
- i. Eligible Vehicle Details: year, make, model, trim, VIN, mileage, number of passengers, exterior color, interior color, transmission type (i.e., automatic or manual), drivetrain (i.e., 4WD, AWD, FWD or RWD), number of cylinders, fuel type and displacement;
 - ii. Cosmetic representation of the Eligible Vehicle as depicted in pictures and videos;
 - iii. Options available for the Eligible Vehicle: sunroof, alloy wheels, snow tires, leather, keyless entry, power seats, heated seats, air conditioning, power windows, power locks, navigation, books and DVD; and
 - iv. Condition of the Eligible Vehicle’s windshield, tires and air conditioning system.
- c. *Inspection & Condition Report Services.* Eligible Vehicles sold by a Customer that were inspected by a representative of TradeRev qualify for Inspection & Condition Report Services provided the following criteria are met: (i) the Eligible Vehicle’s condition report has not been modified and no information inconsistent with the condition report has been entered in the TradeRev System, including in the Eligible Vehicle’s Q&A area; (ii) the Eligible Vehicle is inspected by a TradeRev representative and sold within 28 calendar days from the date the Eligible Vehicle was inspected; and (iii) the Customer has advised the TradeRev representative of all known conditions and issues with respect to each Eligible Vehicle. For any Eligible Vehicle that qualifies for Inspection & Condition Report Services in accordance with these Terms and Conditions, TradeRev (and not the Customer) shall be responsible for arbitration claims that arise solely by reason of a misrepresentation or omission made by a TradeRev representative with respect to a Guaranteed Item as reflected in the Eligible Vehicle’s condition report. Other than as specifically set forth in the immediately preceding sentence, TradeRev shall have no responsibility to the Customer and the normal arbitration rules set forth in these Terms and Conditions shall continue to apply to the Eligible Vehicle.
- d. *TradeReadySM Seller Protection.* Eligible Vehicles sold by a Customer that has subscribed to TradeReadySM Seller Protection (a **“TradeReady Customer”**) qualify for TradeReadySM Seller Protection provided the following criteria are met: (i) the Eligible Vehicle’s condition report has not been modified and no information inconsistent with the condition report has been entered in the TradeRev System, including in the Eligible Vehicle’s Q&A area; (ii) each Eligible Vehicle sold by Customer via the TradeRev System is inspected by a TradeRev representative and sold with TradeReadySM Seller Protection (i.e., no “cherry picking”) within 28 calendar days from the date the Eligible Vehicle was inspected; and (iii) the TradeReady Customer has advised the TradeRev representative of all known conditions and issues with respect to each Eligible Vehicle. For any

Eligible Vehicle that qualifies for TradeReadySM Seller Protection in accordance with these Terms and Conditions, TradeRev (and not the TradeReady Customer) shall be responsible for arbitration claims that arise solely by reason of a misrepresentation or omission made by a TradeRev representative with respect to the mechanical, frame or cosmetic condition of such Eligible Vehicle as reflected in such Eligible Vehicle's condition report. Other than as specifically set forth in the immediately preceding sentence, TradeRev shall have no responsibility to the TradeReady Customer and the normal arbitration rules set forth in these Terms and Conditions shall continue to apply to the Eligible Vehicle.

- e. As a condition of the services provided by TradeRev in paragraphs (c) and (d) of this Section, Customers must provide clean and transferable title to TradeRev for each Eligible Vehicle within 14 days of the date on which the sale of such Eligible Vehicle is cancelled. If transferable title to the Eligible Vehicle is not provided within this timeframe, funding shall not be guaranteed and TradeRev shall have no responsibility to the Customer with respect to the Eligible Vehicle.
 - f. Customer may terminate TradeReadySM Seller Protection at any time upon written notice via email to USsupport@traderev.com. TradeRev, in its sole discretion, shall determine whether Customer will be permitted to re-initiate TradeReadySM Seller Protection following termination thereof, but in no event shall Customer be permitted to re-initiate TradeReadySM Seller Protection more than two (2) times in any twelve (12) month period.
 - g. Customer represents and warrants that neither it, nor to its knowledge any other person or entity, has engaged in any kind of fraudulent, wrongful or improper conduct with respect to an Eligible Vehicle, including, by way of example and not limitation, bidding on the Eligible Vehicle in order to artificially inflate the sale price for such Eligible Vehicle. TradeRev reserves the right to adjust the sale price of any Eligible Vehicle that is subject to an arbitration claim to a value equal to 104% of the wholesale value of the vehicle at time of sale as reflected in the National Wholesale Market Index at time of sale (adjusted for mileage and condition and any damages identified in a condition report, disclosures or through any similar means, as reasonably estimated by TradeRev in its sole discretion). Any such adjustment to the sale price shall become immediately due and payable by Customer. Customer acknowledges that any fraud or collusion on the part of Customer (or any buyer of an Eligible Vehicle or any other third party) is subject to criminal prosecution, and TradeRev or its affiliates may report such activities to law enforcement.
 - h. If there is a conflict between any seller service plan document and these Terms and Conditions, these Terms and Conditions shall prevail to the extent of the inconsistency.
21. *Security Interest and Rights upon Default.* In order to secure final payment of any indebtedness owing to TradeRev by Customer, including but not limited to the Total Payment Amount, Customer hereby grants to TradeRev a security interest (including a purchase money security interest, where applicable) in any vehicle, whether listed for sale or purchased, together with all additions, accessions, accessories and replacements, and proceeds thereof, which security interest shall continue until all funds are collected with respect to such sale. Customer authorizes TradeRev and TradeRev Partners to prepare and file a financing statement, as required by Article 9 of the Uniform Commercial Code ("**UCC**") for such vehicle without Customer's signature being required thereon. TradeRev's security interest in any vehicles is assignable to any TradeRev Partner. Despite any alleged competing security interest in the Customer's vehicles which may be asserted by a third party, Customer acknowledges that as between Customer and TradeRev, the security interest will be enforceable as to any listed or purchased vehicle, and TradeRev shall be entitled to all of the rights and remedies of a secured party as provided by law, including but not limited to the right of self-help repossession. Notwithstanding any other language in these Terms and Conditions, if Customer defaults in any obligation imposed upon Customer in conjunction with any TradeRev transaction, Customer agrees that TradeRev shall be entitled as third-party beneficiary of the sales contract to enforce against Customer all legal and equitable remedies available to "seller" or "buyer" of goods, as appropriate to the particular transaction, available under Article 2 of the UCC or other applicable law.

22. *Termination.* You have the right to cease doing business with us whenever you wish and we have the right to cease doing business with you whenever we wish. Your obligation to pay all amounts owing and the terms and conditions of Sections 32, 33, 34, 35 and 49 will continue to apply after you cease doing business with us.

II. TRADEREV ARBITRATION POLICY

23. *NAAA Policy.* TradeRev follows the National Auto Auction Association (“NAAA”) Arbitration Policy as amended or updated and applies as if it was recited at length in these Terms and Conditions. In addition, the supplementary arbitration rules set out in these Terms and Conditions apply to all vehicles offered for sale through the TradeRev System. If there is a conflict between the NAAA Arbitration Policy and these Terms and Conditions, these Terms and Conditions shall prevail to the extent of the inconsistency. The NAAA Arbitration Policy can be viewed at: www.naaa.com under the *Policy* section. By doing business with TradeRev, Buyer and Seller hereby appoint TradeRev to serve as Arbitrator and empower it to render a final, binding decision in settlement of all Claims submitted for arbitration. Upon payment of the award amount and/or otherwise implementing the Arbitrator’s decision, Buyer and Seller are deemed to release each other from all claims and demands regarding the matters referred to arbitration.

24. *Seller Obligations*

- a. It is the Seller’s obligation to fairly represent its vehicle and to correct any errors made regarding disclosed conditions prior to launching a vehicle for sale. Seller is responsible for the accuracy and completeness of all disclosures regardless of whether Seller has relied on TradeRev or third-party resources (e.g., Inspection Company, vehicle listing service, electronic data vehicle history report, etc.). In addition to the disclosures required under the NAAA Arbitration Policy, Sellers must disclose the following:
- i. Visible interior and exterior damage, glass damage, missing equipment and vehicle accessory electrical problems (subject to the arbitration threshold in Section 25).
 - ii. Any “**Major Issue**”, which means any of the following conditions:
 - (A) a history of total loss, salvage branding or fire or flood exposure or damage;
 - (B) the vehicle will not start;
 - (C) structural damage (or the structure of the vehicle has been altered or repaired);
 - (D) TMU (“true miles (kilometers) unknown” or “not actual miles (kilometers)” or for which the true odometer reading is unknown);
 - (E) a suspected major engine, transmission or drivetrain problem (e.g., engine is knocking or vehicle will not move); or
 - (F) modified or aftermarket (i.e., non-OEM) exhaust or emission system.
 - iii. Whether tire tread depth measured at the lowest point is (A) less than 4/32nd inches or (B) greater than 4/32nd inches.
- b. Seller has three (3) Business Days to respond to arbitrator’s inquiries and preliminary findings. If Seller fails to respond within the time limit, the arbitrator will decide the arbitration claim without further input from Seller. If the arbitration results in cancellation of the sale or other remedy in favor of Buyer, the Seller is required to reimburse Buyer its transportation costs and up to \$95 of costs incurred (verified by invoice and before taxes) of obtaining repair estimates. Seller is required to pay any award amount that is determined by the arbitrator to be payable within three (3) Business Days. If payment is not received within the time limit, TradeRev reserves the right to assess a late payment charge and/or deduct the award amount from any amounts payable by TradeRev to Seller.
25. *Enhanced Arbitration Disclosure Threshold.* Sellers must disclose any single defect that has a repair cost of \$400 or more or multiple defects with a cumulative repair cost of \$800 or more, in each case verified by invoice and before taxes.

26. *As-Is Vehicle Listings.*

- a. A Vehicle listed for sale in the TradeRev System will be sold As-Is if it satisfies at least one of the following criteria:
 - i. the Vehicle's odometer reading exceeds 125,000 miles;
 - ii. the Vehicle is over 10 years old from the current calendar year²;
 - iii. at least one Major Issue is identified with respect to the Vehicle; or
 - iv. the Vehicle sells for \$2,500 or less.
- b. Vehicles sold As-Is are subject to limited arbitration rights as set out in the NAAA Arbitration Policy. For clarity, if a Seller overrides a Vehicle's As-Is designation in the TradeRev System, the Seller will bear all financial responsibility in the event of a valid arbitration against the Vehicle even if the Vehicle was otherwise eligible for TradeReadySM Seller Protection. Sellers are also cautioned that TradeRev does not tolerate deceptive selling practices. Accordingly, TradeRev reserves the right to allow expanded arbitration notwithstanding a vehicle's As-Is designation if TradeRev determines that the Seller has engaged in major deception. Major deception involves intentionally failing to disclose material information about the condition or history of a vehicle or otherwise engaging in deliberately misleading, unprofessional or unethical conduct that materially affects the value of the vehicle; e.g., making false statements in the vehicle description or Q&A. Please note that, for As-Is Vehicles, arbitration for mechanical issues will be rarely permitted and generally will be limited to undisclosed major engine/transmission issues making the vehicle undrivable.
- c. For antique vehicles, recreational vehicles, motor homes and motorcycles or Vehicles that sell for \$2,500 or less, arbitration is limited solely to major deception, mileage/odometer and title issues.

27. *Arbitration Period.* If CarsArrive transport is used, Buyer must begin an arbitration claim within two (2) Business Days of vehicle delivery. If CarsArrive transport is *not* used, Buyer must begin an arbitration claim within two (2) Business Days of vehicle delivery, not to exceed 14 calendar days from the date the vehicle is marked "Arrived" in the TradeRev System (e.g., if a vehicle is delivered on a Tuesday at 2PM, any arbitration claim must be started by Thursday at 2PM). Section 28 sets out the time limit for arbitration claims regarding absent titles.

28. *Absent Title Policy.* The arbitration window for absent vehicle titles is 31 to 90 calendar days after the vehicle is marked Arrived. Seller has up to 30 calendar days from the date the vehicle is marked "Arrived" in the TradeRev System to deliver the vehicle title to TradeRev (or the applicable TradeRev Partner). The date the vehicle is marked "Arrived" is counted as day 1. After 30 days (but before 90 days), the Buyer can open an arbitration claim if the Seller has not delivered the vehicle title. The Seller will have until the end of the second full Business Day after the arbitration claim is initiated to deliver the vehicle title. If the Seller fails to do so, the sale will be cancelled. Arbitration for absent vehicle titles will not be permitted before 30 days or after 90 days.

29. *Buyer Obligations*

- a. Prior to placing a bid, Buyer is required to know the arbitration rules in place for the vehicle. Buyer should carefully review all disclosed information including but not limited to photos, videos, announcements, damages, equipment, inspection summary and additional vehicle history information.
- b. No later than three (3) Business Days after starting an arbitration claim, Buyer is required to submit supporting documentation to TradeRev including, if applicable, wholesale (trade) repair estimates from an arm's length franchise dealership or NAAA member auction. Failure to do so may result in denial of the arbitration claim. For the purposes of calculating repair costs, a flat labor rate of \$100 per hour will apply and part costs will be calculated at wholesale cost or retail cost minus 20%. If the arbitration claim is proved, the Seller is required to reimburse Buyer its costs (verified by invoice) of obtaining any required repair estimates in an amount up to \$95 (before taxes). Buyer shall not use any vehicle that is subject to an arbitration claim other than for test-

² For example, in 2020, if a vehicle is a model year older than 2010, the vehicle will be automatically designated As-Is.

driving purposes (not to exceed 20 miles). Buyer may lose the right to make or continue an arbitration claim if the vehicle is otherwise driven, subject to TradeRev's discretion.

- c. TradeRev reserves the right to assess an arbitration fee for invalid arbitration claims.

30. Q&A and Negotiations

- a. Seller is bound by comments and commitments made in the Q&A and negotiations area of the TradeRev System (collectively, the "Q&A"). For example, if the Seller stated in Q&A that the vehicle comes with 4 snow tires, the Seller will be required to provide 4 snow tires, even if Buyer who Won the vehicle did not participate in the Q&A exchange.
- b. Disclosures made by Seller in Q&A are only binding on the bidder who participated in the Q&A exchange. For example, if the Seller stated in Q&A that the vehicle's air bag light is on; but, did not make the air bag disclosure in the Vehicle Detail Page, the air bag disclosure will only be binding on the bidder who participated in the Q&A exchange. Bidders are not expected to review Q&A exchanges in which they did not participate.
- c. When a vehicle is re-launched in the TradeRev System, prior Q&A comments are removed. Sellers should include any relevant information from prior Q&A exchanges in the Vehicle Detail Page for the re-launched vehicle. Bidders should be aware that any commitments made by Seller in previous Q&A exchanges do not carry over when a vehicle is relaunched.

31. *Remedies.* The Arbitrator has a broad discretion to grant any remedy or relief that he/she considers to be fair and reasonable in the circumstances. The purpose of the arbitration remedy is to ensure that the Buyer is fairly compensated for its loss. In some circumstances, such as where a Disclosure does not affect the value of the particular Vehicle, there may be no loss and thus no remedy. Remedies could involve: cancellation of the sale and refund of the purchase price, reimbursement of costs and/or expenses incurred including transportation costs, partial refund of the purchase price, repair of defect at Seller's expense, repair of defect with the costs apportioned between the Buyer and the Seller, no financial or other compensation, or similar remedies.

TRADEREV DOES NOT WARRANT THAT THE TRADEREV SYSTEM WILL BE ERROR FREE, CONTINUOUSLY AVAILABLE, FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS OR MEET CUSTOMER'S, CONSUMER'S OR ANY THIRD PARTY'S REQUIREMENTS.
33. *EXCLUSION OF CERTAIN LIABILITIES.* SUBJECT TO SECTIONS 20.C. AND 20.D., UNDER NO CIRCUMSTANCES SHALL TRADEREV, THE TRADEREV PARTNERS OR THEIR RESPECTIVE AFFILIATES, EMPLOYEES, OFFICERS, DIRECTORS, AGENTS, LICENSORS, INDEPENDENT CONTRACTORS, OR SUPPLIERS (THE "**TRADEREV PARTIES**") HAVE ANY LIABILITY TO CUSTOMER FOR ANY DIRECT, CONSEQUENTIAL (INCLUDING LOST PROFITS), EXEMPLARY, INCIDENTAL, INDIRECT OR SPECIAL DAMAGES OR COSTS RESULTING FROM ANY CLAIM (WHETHER IN CONTRACT, TORT, EQUITY, NEGLIGENCE, OR STRICT LIABILITY) RELATED TO OR ARISING OUT OF THE TRADEREV SYSTEM, ANY RELATED SERVICES, THESE TERMS AND CONDITIONS, INCLUDING THE PERFORMANCE OR BREACH THEREOF OR THE USE OR INABILITY TO USE, OR PERFORMANCE OR NONPERFORMANCE OF THE TRADEREV SYSTEM OR ANY COMPONENT THEREOF, EVEN IF THEY HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

34. LIMITATIONS OF LIABILITY

- a. SUBJECT TO SECTIONS 20.C. AND 20.D., BUT WITHOUT LIMITING SECTIONS 32 AND 33 ABOVE, THE LIABILITY OF ANY TRADEREV PARTIES ARISING OUT OF OR RELATED TO THESE TERMS AND CONDITIONS, THE TRADEREV SYSTEM OR ANY TRANSACTION OR SERVICE (WHETHER IN CONTRACT, TORT, EQUITY, NEGLIGENCE, OR STRICT LIABILITY) SHALL BE LIMITED TO ACTUAL DIRECT DAMAGES INCURRED BY CUSTOMER AND THE AGGREGATE LIABILITY OF THE TRADEREV PARTIES FOR SUCH ACTUAL DAMAGES SHALL NOT EXCEED, UNDER ANY CIRCUMSTANCES, THE FEES PAID BY CUSTOMER TO TRADEREV IN RESPECT OF THE TRANSACTION OR SERVICE OR \$500, WHICHEVER IS LESS. MULTIPLE CLAIMS SHALL NOT EXPAND THESE LIMITATIONS.
 - b. CUSTOMER AGREES THAT THE TRADEREV PARTIES SHALL HAVE NO LIABILITY WHATSOEVER, ACTUAL OR OTHERWISE, TO CUSTOMER OR AUTHORIZED USERS BASED ON ANY OF THE FOLLOWING: (i) ANY DELAY, INTERRUPTION IN USE OF, FAILURE IN OR BREAKDOWN OF THE TRADEREV SYSTEM OR ERRORS OR DEFECTS IN TRANSMISSION OCCURRING IN THE COURSE OF ACCESSING OR USING THE TRADEREV SYSTEM; (ii) ANY UNLAWFUL OR UNAUTHORIZED USE OF THE TRADEREV SYSTEM; (iii) ANY LOSS OF OR DAMAGE TO CUSTOMER'S RECORDS OR INFORMATION; OR (iv) ANY CLAIM RESULTING FROM THE TERMINATION OF ACCESS TO THE TRADEREV SYSTEM OR ANY RELATED SERVICES.
35. *Indemnity.* Customer hereby agrees to indemnify, defend and save harmless the TradeRev Parties from and against all liabilities, losses, suits, claims, demands, costs, fines and actions of any kind or nature whatsoever to which a TradeRev Party shall or may become liable, or which a TradeRev Party may suffer (each an “**Indemnified Claim**”) by reason of (i) Customer’s breach of the Terms and Conditions or any other obligation hereunder or any agreement between Customer and a TradeRev Party; (ii) Customer’s negligence or willful misconduct; (iii) Transportation Losses; (iv) any personal injury or property damage that Customer or any person for whom Customer is responsible causes to a TradeRev Party; (v) Customer’s use of the TradeRev System or any services or products provided by a TradeRev Party; (vi) any actions, omissions or failures to act related to a TradeRev Party’s reliance on Customer’s Power of Attorney as set out in Section 48.
36. *Routed Export Transactions.* If a vehicle is to be exported, Buyer is responsible for verifying that it satisfies all export requirements of the originating country and all import requirements of the destination country. TradeRev is not the importer or exporter and is not responsible for supplying export or import documentation. Arbitration is not available for vehicles that leave the United States.
37. *Representations Regarding Taxes.* Customer certifies that it holds the appropriate documentation issued by the sales tax authority of the state or province, or locality of its business, if necessary, which exempts Customer from the payment of sales tax. In the event that vehicles or other products purchased are used for any purpose other than for resale, Customer will pay directly to the proper taxing authorities such sale or use tax as may then accrue and be due and payable.
38. *Transfer of Legal Ownership from Seller.* Notwithstanding any language in these Terms and Conditions and subject to Seller’s obligations with respect to any arbitrated vehicle, both parties have entered into an irrevocable contract of sale of a vehicle at the conclusion of the TradeRev sale (i.e., when the vehicle is “Won”), and Seller relinquishes legal ownership of the vehicle at the earlier of (a) TradeRev’s payment to Seller of the sale proceeds, or (b) upon Buyer taking possession of the vehicle, regardless of whether title documents are provided to Buyer at that time.
39. *Vehicle Availability.* Seller must mark the vehicle as “Arrived” in the TradeRev System no later than two (2) Business Days after the “Date Expected” indicated on the Vehicle Detail Page; otherwise, the transaction may be cancelled at Buyer’s option. As soon as a Vehicle Release Form is issued, Seller is required to make the vehicle available for pick-up at the location indicated on the Vehicle Detail Page. If Seller fails to do so, TradeRev may (at its discretion): (i) require Seller to pay part or all of Buyer’s transportation costs, floor plan financing costs, interest charges, services charges; (ii) charge Seller an administration fee; and/or (iii) cancel the transaction and repay any sale proceeds paid. Customer shall promptly remove from the TradeRev System any vehicle that is no longer available for sale.
40. *Buyer Vehicle Inspection Obligations.* Buyer or Buyer’s agent should carefully inspect the vehicle at the time it is picked up from the Seller’s location. Any concerns must be noted on the bill of lading (or other delivery receipt) which should

be signed by a representative of the Seller. In addition, Buyer is required to communicate any concerns to TradeRev within the arbitration period.

41. *Transportation.* If requested, TradeRev or a TradeRev Partner may transport or arrange through third parties to transport your vehicles. We provide this service for a fee. We do not warrant or otherwise endorse the services provided by third party transportation companies. By selecting the transportation option via the TradeRev System or other means, you authorize a TradeRev Partner to arrange transportation of your vehicle with a third-party transportation company. In addition, you agree to the following terms and conditions:
 - a. Buyer will pay the TradeRev Partner the transportation fee indicated on TradeRev webpage on or before the Payment Due Date. Transportation will not be arranged until Buyer has paid the Total Payment Amount and the transportation fee.
 - b. Any delivery times provided are estimates only. We do not guarantee that the vehicle will be delivered within the timeframe indicated. Neither TradeRev nor any TradeRev Partner will be liable for any costs or losses associated with the late delivery of a vehicle.
 - c. Risk of loss for a vehicle remains with the Seller until the transportation company picks up the vehicle, at which point the risk of loss for the vehicle is transferred to the Buyer. If the vehicle is damaged in transit, the TradeRev Partner will, as a convenience to Buyer, use commercially reasonable efforts to assist Buyer in making a claim against the transportation company or its insurer. This assistance does not involve initiating or prosecuting legal action against the transportation company or its insurer on your behalf. You agree that TradeRev and the TradeRev Partners are not liable for any theft, conversion, loss, injury, death, damage, claim, expense, suit or demand in any way arising out of or relating to transported vehicles ("**Transportation Losses**").
 - d. To obtain assistance in making a claim for transportation damage, you should follow the claims procedure described on the applicable TradeRev Partner's website or contact your TradeRev representative for further information.
42. *Price Boosting.* Price boosting (aka "shilling"), or any other activity in which a Customer on its own or with others attempts to artificially inflate or decrease the selling price of a vehicle, is strictly prohibited.
43. *Customer Reviews/Ratings.* The TradeRev System gives Buyers and Sellers an opportunity to rate each other after a transaction. Customer ratings should be professional, fair and based on their genuine experience with the other customer (Buyer or Seller) in the specific transaction. TradeRev will not modify a numerical or quantitative rating assigned by one Customer to another Customer. However, TradeRev reserves the right to remove a Customer rating and/or commentary in the TradeRev System if it includes obscene, offensive or profane language, threatens or advocates harm, or promotes discrimination against individuals or groups protected by applicable human rights laws.
44. *Automatic Decision-Making.* A Seller may elect to have the TradeRev System sell a Vehicle and/or mark it "Arrived" automatically. The Seller shall be responsible for all information entered that results in the execution of an automatic decision by the TradeRev System. In addition, Seller agrees to the following terms and conditions:
 - a. In a Vehicle listing, a Seller may enter a floor price (the "**Floor Price**") at or beyond which the Vehicle will be sold automatically by the TradeRev System following a complete auction cycle. A Seller may modify or remove a Floor Price at any time. During the auction cycle, a Vehicle's Floor Price will be visible only to Seller. If a Floor Price is entered for a Vehicle that is marked "Lost" following a complete auction cycle, the Vehicle will enter a subsequent state of availability during which a Buyer may purchase the Vehicle immediately for such Floor Price. Any error in the entry of a Floor Price may be corrected by withdrawing the Vehicle from the sale and relisting.
 - b. By listing a Vehicle as "In-Stock", Seller warrants, represents and guarantees that Vehicle is in its possession and physical custody. Seller is required to make an "In-Stock" Vehicle sold via the TradeRev System immediately available for pick-up at the location indicated on the Vehicle Detail Page as described in Section 39 of these Terms and Conditions. If a Vehicle is listed as "In-Stock", the TradeRev System will automatically mark the Vehicle as "Arrived" at the conclusion of the TradeRev sale (i.e., once the Vehicle is "Won").
