

WHEN YOU NEED TO EAT IN THE ATL: CAVIAR NOW DELIVERS IN ATLANTA

High-quality restaurant delivery service brings the best of Atlanta to those that dine-in

ATLANTA, GA - March 26, 2015 - [Caviar](#), the easiest way to order from America's best independent restaurants, extended its delivery service to Atlanta today, a city known as much for its Southern food as for its avant-garde culinary districts. With the arrival of Caviar, anyone across the city can discover beloved local restaurants and easily place an order for delivery whether they're craving barbecued brisket from Smoke Ring, horseradish crab cakes from The Warren, or a slice of Georgia peach pie from Panbury's.

Starting today, Caviar will deliver from the following Atlanta restaurants, with more options coming soon:

- Bell Street Burritos
- The Pie Shop
- 7 Hens
- Empire State South
- Makan
- The Nook
- Chai Pani
- Le Metro Creperie
- LottaFrutta
- Doc Chey's Dragon Bowl
- BLT Steak

"Atlanta is a bustling city full of busy folks that appreciate fine food, but delivery options have long been limited," said Geoff Bachrodt, the General Manager of Caviar's Atlanta office. "Now, hungry Atlantans can bid goodbye to greasy takeout and order the best meals that the city has to offer for lunch at the office or dinner at home downtown with Caviar."

Caviar partners directly with each restaurant it delivers from, providing every business with access to their own network of couriers and the power to reach more customers. Restaurants work closely with Caviar to ensure that customers receive high-quality meals that transport well every time. Caviar also showcases individual photographs of each dish online and in-app, helping restaurants market not only their business, but each unique menu item, so diners can have a restaurant-like experience from home or office.

Atlantans can place a customized order with Caviar [online](#), or via free mobile app for [Android](#) and [iOS](#). Anyone can view the status of their order and follow along the delivery route via Caviar's built-in GPS tracking feature. Caviar is a great solution for corporate clients and large groups

too, as it allows anyone to plan for a delivery up to a week in advance, and share a cart with friends, family, and colleagues.
