# THE PRESS ROOM

AN URBAN SPACE UNDER HUNDREDS OF SPARKLING LIGHTS

*for up to 450 people*

The Press Room contains an infinite amount of possibilities with multiple rooms to facilitate weddings, rehearsal dinners, bridal showers, and special occasions. Enjoy the grand space of The Assembly or the more intimate 1923 Loft. The Printer's Lounge and Courtyard finish the expansive space allowing for outdoor gatherings or casual social events. Our Bridal Suite and Groom's quarters provide lovely spaces for final prepping on your special day.

## SPACES IN THE CITY

The Press Room is part of the Spaces in the City family, a portfolio of event and meeting spaces, destination dining experiences and modern-meets-vintage lounges, all carefully collected and designed for a phenomenon in taste and atmosphere that's inspired by the world, yet grounded right here, in Knoxville.

### EVENT PLANNING

Planning a celebration takes vision, organization, and big-picture orchestration, all within a tight logistical framework. It's a big production and the day of your event is the culmination of the months we'll spend creating an exhaustive blueprint to make it amazing.

### CITY CATERING

We believe that quality, delicious food is the foundation for a successful gathering. We start with fresh, from-scratch dishes, and add impeccable planning and service. We'll work with you to plan a menu that will impress and fortify your guests.
