# Paul | Weiss

[Paul, Weiss, Rifkind, Wharton & Garrison LLP](#) is a firm of more than 1,000 lawyers with diverse backgrounds, personalities, ideas and interests who provide innovative and effective solutions to our clients' most complex legal and business challenges. The firm represents some of the world's largest publicly and privately held corporations, financial institutions and asset managers, and clients needing pro bono assistance.

Paul, Weiss is widely recognized as having market-leading practices in public M&A, private equity, litigation, white-collar & regulatory defense, and bankruptcy & corporate reorganization, along with equally strong practices in employee benefits & executive compensation, intellectual property, personal representation, real estate and tax law.

The firm is committed to being an innovator in the legal industry, and continually invests in new initiatives, identifying and applying cutting-edge analytical tools and new ideas to the practice of law. Our innovations are improving outcomes and clients' experience of service; streamlining legal work flow and facilitating collaboration; and ensuring the utmost information security.

## Lieff Cabraser Heimann & Bernstein

Attorneys at Law

[Lieff Cabraser Heimann & Bernstein, LLP](#) is a 100-attorney AV-rated law firm founded in 1972 with offices in San Francisco, New York, and Nashville. We have a diversified practice, successfully representing plaintiffs in the fields of personal injury and mass torts, securities and financial fraud, employment discrimination and unlawful employment practices, product defect, consumer protection, antitrust, environmental and toxic exposures, False Claims Act, digital privacy and data security, and human rights. Our clients include individuals, classes and groups of people, businesses, and public and private entities.

Lieff Cabraser has served as Court-appointed Plaintiffs' Lead or Class Counsel in state and federal coordinated, multi-district, and complex litigation throughout the United States. With co-counsel, we have represented clients across the globe in cases filed in American courts. Lieff Cabraser is among the largest firms in the United States that only represent plaintiffs.

Described by The American Lawyer as “one of the nation’s premier plaintiffs’ firms,” Lieff Cabraser enjoys a national reputation for professional integrity and the successful prosecution of our clients’ claims. We possess sophisticated legal skills and the financial resources necessary for the handling of large, complex cases, and for litigating against some of the nation’s largest corporations. We take great pride in the leadership roles our firm plays in many of this country’s major cases, including those resulting in landmark decisions and precedent-setting rulings

[Complete Discovery Source \(CDS\)](#) provides a full range of ediscovery solutions, including forensic data collection, early case assessment, high-speed processing, secure hosting, document production, and managed review. For over 16 years, we have been privately owned, building relationships and reputation by providing the highest standards of personalized service and professional excellence.

Corporations, law firms, and government agencies trust CDS’s technology, talent, and tenacity when facing everything from massive databases representing hundreds of custodians to intense, fast-paced second requests. CDS has tackled some of the most groundbreaking eDiscovery matters to date, and no matter a project’s size or scope, we are able to scale and excel. Why?

**A-List Support:** Each client has a dedicated support team of industry leading technicians, consultants and project managers, including more than a dozen lawyer-technologists and over 35 Relativity-certified administrators.

**Technology-Driven:** CDS leverages technology from the very first stages of a project, taking advantage of opportunities to work smarter and faster, conserve resources, and save clients money.

**Data Without Limits:** CDS has over three petabytes of data under management. Whatever shape data takes, CDS has experience with it. Whatever your needs, we work with internal resources and deliver the necessary services, infrastructure and staff.

# AlixPartners

[AlixPartners](#) is proud to maintain one globally integrated Discovery team operating throughout our offices in Europe, Asia and the Americas. We manage nearly a dozen highly scalable and secure Discovery data centers around the world, and our overseas offices are staffed with a mix of US-trained and local professionals, who are fluent in regional cultures, languages, and Discovery best practices. Our globally unified team utilizes the same training, technologies, and workflows across all of our offices, which ensures that the high quality of our deliverable in Shanghai or Munich is identical to that of London or Washington, DC.

We are highly proficient using a variety of data analytics, collection, processing and review platforms, and have significant experience utilizing technology assisted review and various forms of analytics to conduct large-scale reviews rapidly and cost effectively. We have been involved in hundreds of cross-border investigations, and AlixPartners' professionals have testified as expert witnesses on some of the most historic, high-stakes matters.

We have built a legacy of pursuing the highest standards of excellence in all areas of our business. We have achieved this by remaining focused on our clients *When it really matters*.
