# General Information

## Expectations Versus Reality

As a family of travelers, we've learned that every journey starts with a preconceived image of what to expect. Inevitably, this image changes as we experience the real thing. If the actual experience exceeds our expectations, we feel joy. If it falls short, we feel disappointment. For example, hotel accommodations vary significantly around the world in terms of room size, location and service levels. And no matter how hard we try to meet the highest standards, we will all have a favorite and least favorite experience on any trip.

Behind every tour or cruise, there are literally hundreds of people we depend upon to help deliver on your expectations. Should one or two of them fall short, or there is an unexpected change to the itinerary, we hope you will not allow an isolated situation to upset your vacation.

So much of the joy of travel is to experience the unexpected. We hope you share that philosophy.

–The Tauck Family

This brochure is designed to provide you with an honest description of what to expect on your tour or cruise. The Introduction Pages and the General Information (on these pages) are very important for you to understand. This information, in addition to other documents we will provide when you book with us, including our *Travel Terms and Conditions* and *Journey Confirmation*, form the basis of our agreement with you. These documents include important legal obligations and should be read with care.

## Inclusive Prices

2027 prices are per person in US dollars. Prices include: all accommodations (see below); airport transfers and land transportation as detailed in the tour itinerary; basic internet where available in hotel rooms and aboard ships (service levels not guaranteed); entertainment and special dinners as arranged by Tauck; shore excursions and sightseeing; standard luggage handling; services of ship crew and local guides. Meals are included as specified. All appropriate gratuities for luggage handling, bellmen, doormen, dining room servers and local guides are included. On-tour airfare is included in the tour cost when flights are part of the trip, as indicated on the tour itinerary. Tauck Director and driver gratuities are only included for cruises and Tauck Bridges family trips.

**Hotel & Ship Accommodations:** Tauck's per person price is based on double occupancy. Hotel rooms with two beds are usually reserved for doubles. The price for rooms / cabins occupied by one person is higher than those when two or more people share the cost of a room. Triples usually have two beds (not recommended for comfort). Aboard ships, triples may not be available or may include a sofa or upper berth.

**Luggage Handling & Restrictions:** Normal luggage handling is included in the tour cost. Due to space restrictions on on-tour-transportation, we ask that you please limit your checked luggage to one suitcase per person weighing no more than 50 lbs. Allowances and restrictions for checked and carry-on luggage vary across airlines, so we urge you to verify your airline's current number of items, size and weight limits to avoid overage fees, which can be expensive. Tauck cannot be held liable for additional fees or inconveniences imposed by your airline.

## Not Included in Price

The tour price does not include your airfare and related taxes to the tour departure point and from the tour ending point. As a service, Tauck will make hotel reservations before or after your trip on a space available basis upon request. These hotel charges will be added to your tour cost. Personal expenses such as phone calls, room service, alcoholic and bar beverages, laundry, airline excess luggage charges (as noted above) and other optional incidental extras are not included. Tauck Director and driver gratuities are not included, with exception of Tauck Bridges family trips and cruises.

## Luggage Responsibility

Although every effort is made to handle guests' luggage carefully, we cannot be responsible for loss or damaged luggage and personal effects due to breakage, theft, or fair wear and tear through hotel, airline and ground transportation handling. It is important to have adequate insurance to cover these eventualities. See Tauck's "Guest or Cruise Protection."

## Before You Go

**Itinerary Changes & Price Flexibility:** Tauck will make every effort to operate all tours as published. Tauck reserves the right to alter or curtail the itinerary, or substitute sightseeing, ports, hotels, and / or conveyances as deemed necessary. Any savings realized by these changes will be refunded to guests. Any added expense will be covered by Tauck. Although not expected, prices in this brochure may be modified due to errors or unexpected factors not anticipated at the time of printing.

**Transportation Security:** The Transportation Security Administration requires all passengers to provide their name, date of birth and gender when making all airline reservations. Travelers must provide their passport number and date of birth as they appear on their passport or government-issued ID to Tauck at time of booking for all cruises. Tauck must provide this information to the cruise operator before departure or you may be denied boarding.

**Passports and Visas:** For international travel, US citizens require a passport valid for at least 6 months beyond your return flight date. Non-US citizens should contact their booking agent or appropriate consulate for information on all required documents.

**Vaccinations:** Please check with a travel medical specialist or local health department for specific recommendations and / or requirements for immunizations. Please note that because there is no way to eliminate all possible risks while traveling with Tauck, we cannot assume liability in the unlikely event you become ill on tour.

**Health, Safety and Mobility:** The responsibility of your Tauck Director is to ensure that the larger group enjoys a relaxing and seamless journey; therefore, he or she cannot provide ongoing assistance to any one guest. Guests requiring individualized assistance must be accompanied by an able companion who can provide it. Due to factors such as lack of cargo space on small planes, unavoidable stairs and difficult terrain, we regret that our Global Journeys & Safaris cannot accommodate wheelchairs or motorized scooters.

Tauck reserves the right to terminate the journey of any person who has a health condition that creates a hazard to other guests, impedes the pace of the group as a whole, is abusive of others or whose behavior is disruptive. Tauck will make no refund and will accept no liability for persons who must leave the trip.

**Shore Excursion Selection:** Tauck will contact guests and travel advisors 90 days prior to departure for shore excursion selections when applicable (included in the price but subject to availability). Shore excursion selections can be made 90 days before departure directly on My Account at tauck.com.

**Photography and Video on Tour:** Occasionally, Tauck will use photographs and / or video taken on tour by fellow guests, your Tauck Director or professional photographers for use in print, Internet and other promotional purposes. If you prefer that your image not be used in any marketing activities, please notify your Tauck Director at the start of your tour.

**USD \$999 per person** – Japan and Antarctica Cruises

Tauck's optional *Guest & Cruise Protection* must be requested at booking and the fee must be included in initial payment. Fees are based on costs as of July 2025 & are subject to change. The amount of any refund shall be reduced by any recoveries obtained by you from any third parties. Travel agent commissions are not covered under these plans.

The protection plans discussed above provide insurance coverage that applies only during the covered trip. You may have coverage from other sources that provides you with similar benefits but may be subject to different restrictions depending upon your other coverages. You may wish to compare the terms of this policy with your existing life, health, home and automobile policies. If you have any questions about your current coverage, call your insurance agent. Should you choose to travel without *Guest or Cruise Protection*, or other adequate travel protection coverage, we will not be liable to you for any loss that such travel protection would have covered.
