Journey to the shores of Lake Geneva where the associations with the early European Romantic movement are very strong. Join Maud, the curator of the Chateau, to visit the beautiful Chillon Castle, former home to the Counts of Savoy, set on a rocky islet in the lake. In 1816, the castle inspired Lord Byron to write the poem 'The Prisoner of Chillon,' following his walk through the dungeons. Look out for his name, which he carved into a pillar.

Close by is the sophisticated tiered town of Montreux, where it is delightful to stroll along the lakeside promenade. Enjoy a beautiful journey alongside the lake, passing Vevey and Lausanne, to reach the immaculate town of Geneva.

On arrival, your orientation includes the United Nations Building, officially known as the Palais des Nations, the Old Town and the Jet d'Eau. Visit the Red Cross Museum for a MAKE TRAVEL MATTER® Experience and learn how this world-renowned organization provides vital assistance to refugees, migrants and asylum seekers. Spend your night in Geneva, rejoicing with your newfound friends at a local restaurant, as you are treated to a delicious, traditional fondue Celebration Dinner complete with wine.
