Description: Fitzgerald Colombia is built with the mindset of a price conscious truck while still keeping enough comforts of a much higher priced owner operator spec trucks. These Colombias have the exact same drive train as our higher end Coronado while keeping the price competitive with the Colombia cab. This truck has the 500HP 1650 Torque Fitzgerald 60 Series. 12K spring front, with a 40K Airliner Rears make it ready for almost any application. We have colombias in Day Cabs, Mid Roofs, and Raised Roof. And can custom order for your specific application. Over 2000 trucks in stock. We most likely have a truck that will match your needs. Inventory changes by the hour so give us a ring to see what we have ready to go. Thank you!!
