NOTE: Fontaine Revolution trailers have the most durable side rail design in the industry. Their side rail is an exclusive design called a Routed Aluminum Side Rail. We were so impressed we switched our rental fleet over to Fontaine exclusively. We have eliminated rub-rail damages common to all other flatbeds by changing over to the Routed Aluminum Side Rail. Check out the video posted in the photo set that will give you a demonstration to the superior design. Reno's Trailer Sales and Rentals is your one stop shop for all open deck needs. We are a full-service dealership including parts, accessories, rentals, repairs and reconditioning. We stock and install-on-demand the following: Tool boxes, ramp kits, chains, binders, straps, bungees, bulkheads, headache racks, tarps, side kits, sliding tarp systems, aluminum wheels, new and used tires and everything you would need for your flatbed, drop deck or lowboy. We are well staffed, focusing on good customer service as well as service after the sale. Our good selection of premium products combined with our desire to make the purchasing process easy and timely for you will get you on the road and making money as quick as possible. Ed Sabol said it best "Quality is remembered long after the price is forgotten". Disclaimer: Photos on the web are of units of our stock trailers. We order hundreds at a time and they are all the same when we place the order. Occasionally the factory will modify the specifications or we have used photos of a customer's trailer that was passing through. Please go by the specifications on the listing and not the photos to avoid any misunderstandings. Thank you!
