From The Pastor...

Although January is the month we kick-off the year with, February is the month where we kick-off our missions and ministries here at NCBC. We do this with our Vision Sunday on the first Sunday of February. This year it will be on Sunday, February 4th at 10:30 AM. This service is our opportunity to see where God has taken us over the past year and what new and exciting things He has instore for this year. Here's a preview of a few things we'll share during this exciting service. Don't miss this service!

Special Guests

Hearing from our partner ministries and missions is one of the things that makes our partnerships with other ministries such a success. This year we will once again have Principal Jason Teffeteller from Baton Elementary School sharing about what our partnership means to them. Rev. Chris Wilson with Restoration Church will also share about what our partnership is doing to help them minister in Wilmington. We also have a special video from Mike and Ginger Greene on what our partnership with them means for the people of Honduras.

Exciting Times In 2018

2018 will also be an exciting time for NCBC. Although we do not have many new missions or ministries starting at NCBC this year, we do have some exciting changes coming up. Some of our existing missions and ministries will have some new aspects that will allow us to better minister to our community and around the world. Don't miss out on this exciting service!
