**From The Pastor...**

*On Wednesday mornings I meet with other local pastors for a Bible study at the Baptist Center in Lenoir. We have studied different topics, books by different authors, and currently we are studying through the book of 1 Peter. The material we are using is the January Bible Study material provided by Lifeway. The epistle of 1 Peter was written to Christians throughout the area we know today as the country of Turkey. In those days it was part of the Roman Empire and those Christians were facing persecution because of their faith. Peter wrote to them to encourage them and strengthen them during one of the darkest times in church history.*

*Our world, whether we like it or not, is gradually becoming less and less accepting of the Christian faith. We no longer live in a country that is dominated by a Christian worldview. The persecution of Christians in our own country will only increase in the years to come. This makes the words of Peter in 1 Peter all the timelier for us, nearly 2,000 years after he wrote them. 1 Peter 1:6-7 (NIV) says, "In all this you greatly rejoice, though now for a little while you may have had to suffer grief in all kinds of trials. 7 These have come so that the proven genuineness of your faith--of greater worth than gold, which perishes even though refined by fire--may result in praise, glory and honor when Jesus Christ is revealed." Take to heart that the trials, persecutions, and tribulations of this life are being used to refine our faith and bring glory to the One we serve.*
