## Word from Media & Broadcast

Come be a part of our weekly worship and help present the Gospel of Christ, not only in our sanctuary but through radio broadcast.

### **Volunteers needed in the following areas:**

Sanctuary sound, broadcast sound, and all areas of worship and broadcast media. No experience is needed, just the willingness to serve and learn because training will be provided. This is a vital part of our church ministry and an opportunity to serve God and reach others for His glory.

If you are interested or have any questions, contact the church office.

## Word from Bro. Phillip

Welcome to a new school year. You may be saying to yourself, “Self, I don’t go to school and haven’t in many moons.” That statement may be true, but as believers we applaud the chance to have a do-over, a mulligan or a new start. The New Testament calls it repentance. Jesus’ charge is to “repent! For the Kingdom of God is near.” You may be saying to yourself, “Self, Repentance is not really like a new school year. Each new school year moves us forward to graduation. A new school year is an advancement. Repentance almost seems to be a reflection on the past.” The good news is you are right, but you may need to take a harder look at repentance. Repentance is more than admitting fault. In the economic of God’s grace, the only way to move forward or advance for the Kingdom is to repent. To Admit fault is one aspect. The other is to correct our behavior & our heart. Essentially, to repent is to agree with God about who we are and what we do, then change it, an 180 degree about face. Each sin repented from, truly repented from, brings us closer to that graduation. No not heaven, even though that will be nice. The graduation I am talking about is maturity, or godliness or holiness. The Bible wants us to live changed lives here not the here-after. To make a difference here not in a place that doesn’t need to be different. Join me this new school year and repent.

### **Music and Worship**

**Central Choir** has gotten off to a great start with preparations for our 2018 Christmas Musical, “Come Messiah King.” There is still and always will be empty chairs that need to be filled by someone. I would like to invite you to visit one of our choir rehearsals and see for yourself what it is all about. We have a great time in each rehearsal as we prepare music for each Sunday as well as Christmas and other seasonal presentations. We meet for rehearsal each Wednesday at 7:00 in the choir room. Childcare is available for the duration of rehearsal.

### *Other ministries set to begin Sept 9...*

**Curry St Crew** - This worship team is for students in grades 7-12. This group will rehearse each week to prepare music, drama, and more to lead in worship each Wednesday night in Student Worship and various Student-led worship services on Sunday nights. Curry St Crew rehearses each Sunday at 4:30pm in the Sanctuary.

**Xtreme Praize** - This is for children in Grades 1-6. In Xtreme Praize, we seek to teach children how to use music, drama, and other elements in our worship to God. We use both choral and creative methods to accomplish. We also prepare the children to sing often during Morning Worship as well as present seasonal musical dramas throughout the year.

### **Education**

**TeamKID** is a fun, high-energy ministry that encourages kids to know Jesus Christ and grow in a relationship with Him. All parts of TeamKID...Bible stories, scripture memory, life application, missions, and recreation...connect to teach life lessons to kids. The KID” in TeamKID stands for Kids in Discipleship.

We need your help with TeamKID! We need volunteers for missions, recreation/ games, and people who will be scripture listeners. A scripture listener is someone who comes early to listen to the children quote their memorized scripture verse and award their points. This is a very small but necessary role and will still allow you to attend prayer meeting.

### **LifeWay Church Week**
