## Word from Bro. Everett Geis

April has been a busy but fruitful month at Central. I want to express my appreciation to you for your faithful attendance and giving during the Revival. The Lord really used the Robertson brothers to be a blessing to our lives.

Also, what can I say about the "Last Supper Reenactment?" Hallelujah!! I want to thank JR Robertson for the suggestion and directing the reenactment. People were blessed and thrilled by this presentation. I want to express my appreciation to everyone involved. Both performances were fantastic.

The Easter music was wonderful. Tim Hardaway and his helpers and choirs led us to a high plateau of worship.

A member of Central contacted me recently about something God has laid on their heart (request to remain anonymous). "I want to give \$10,000.00 toward the retirement of our debt and I want to challenge 15 others to do the same." I have discussed this with the Finance Committee and the Deacon Body.

Since both were in agreement, I have made the following recommendation. The month of May will be "Meet the Challenge Month." I know that many cannot respond to this challenge with the same amount, but you can pray about it and ask God what He would have you do. It would be wonderful to have the debt retired before your new pastor arrives.

Be sure and check the calendar for May, some good things are planned.
