## Word from Bro. Phillip

I hope this newsletter finds you in a deeper walk with the Lord. We have so many things hitting the Calendar. Activities from Youth to Senior Adults.

Parents of our youth, I pray you will take time to look over these events and plug your teenager and yourself into them. Church statistics tell us that over 80% of Christians were born-again before the age of 25. That number significantly plummets by age 35. Another statistic shows us that 90% of their beliefs will be formed by 18 to 20 years of age. I hope you see the importance of your teenager being surrounded by Christ-like adults who volunteer in our youth Ministry- as well as peers who love the Lord.

We have so many other things I would like to call your attention to, but just look to your left and there they are printed for you. Put 'em on your "frig". Write them in your family's calendar. Do whatever it is that you do to keep up with important events.

A huge celebration in the life of every Christian is quickly approaching. Easter! All of our hope and faith rests upon the actions of Jesus Christ on that great and glorious day. Our sins have been washed away and Jesus has risen victorious. Come and worship Him with us.
