Word from Bro. Phillip

We had a wonderful turnout for our "Camo" high attendance day. 180 members and visitors is a great day. Thank you for joining us for a great time of studying God's word and joining in on the camo theme. Another great Sunday School event is around the corner. That will be our Super Bowl Sunday School class fellowships. We will not be having Sunday night services on February 7th, so that our Sunday School classes can have a time of fellowship and outreach. I hope you will find out the details for your class' party and make plans to attend. I would never say who I want to win, but wild broncos couldn't keep me away from watching the big game with my class.

One more word about outreach. We have started our outreach/visitation on the 2nd & 4th Monday nights of each month. We start at 6pm in the Fellowship Hall. We have several "comfort level" options for you to choose from. The first is that you can come and write letters to visitors, the sick, or anyone else the Lord has laid on your heart. The second is that you can make phone calls to those same types of people. Our third option is to make face-to-face visits. There are so many scriptures that tell us to take the light of Christ to the world... Monday nights are great time to be obedient to Christ.
 In Christ,
 Bro. Phillip
