

A close-up, low-angle shot of a person's legs walking barefoot on a path. The person is wearing a white, lace-trimmed skirt. The path is covered in dry leaves and twigs. The background is a bright, hazy sunset with a large, glowing sun in the upper right corner, creating a warm, golden light and lens flare effects. The overall mood is peaceful and contemplative.

**1 John 2:18-29**

Children, it is the last hour. And as you have heard, “Antichrist is coming,” even now many antichrists have come. We know from this that it is the last hour. They went out from us, but they did not belong to us; for if they had belonged to us, they would have remained with us. However, they went out so that it might be made clear that none of them

belongs to us. But you have an anointing from the Holy One, and you all have knowledge. I have not written to you because you don't know the truth, but because you do know it, and because no lie comes from the truth.

Who is the liar, if not the one who denies that Jesus is the Messiah? He is the antichrist, the one who denies the Father and the Son.

No one who denies the Son can have the Father; he who confesses the Son has the Father as well. What you have heard from the beginning must remain in you. If what you have heard from the beginning remains in you, then you will remain in the Son and in the Father. And this is the promise that He Himself made to us: eternal life.

I have written these things to you about those who are trying to deceive you. The anointing you received from Him remains in you, and you don't need anyone to teach you. Instead, His anointing teaches you about all things, and is true and is not a lie; just as it has taught you, remain in Him. So now, little children, remain in Him, so that when He

appears we may have boldness and not be ashamed before Him at His coming. If you know that He is righteous, you know this as well: everyone who does what is right has been born of Him.

The background of the slide features abstract, ethereal light trails or smoke-like patterns. These patterns are composed of vibrant colors including deep blue, bright red, and golden yellow, all set against a solid black background. The light trails flow horizontally across the middle of the slide, with some areas appearing more dense and bright than others, creating a sense of movement and energy.
