Word from the Office

Renovations are coming! I hope that exclamation doesn't bring you any anxiousness.

It should bring us a certain amount of building excitement. No pun intended. New things are happening and exciting things are in our future. As your pastor, I hear a crescendo building in the masterpiece that God has been writing in the history of Central. In order for us to participate and to be moved by this symphony, we must know the music. We must practice both separately and corporately. We must be faithful in little things, we must be unwavering in big things and we must be diligent in all things. I am hard pressed to find many examples in the Bible of God using a half-hearted people. A new sanctuary isn't the end-all-to-be-all but merely something God has blessed us with to honor Him and change people for His kingdom.

Another point of excitement is the recent addition to our staff. Tim Hardaway is coming! That should bring you no end of joy. Tim and his family will be joining us as our new Music/Education Minister. Tim is an ordained minister of music with over 10 years of experience leading worship in churches in Texas & Mississippi. He has music & worship degrees from Stephen F. Austin University & Southwestern Baptist Theological Seminary. He will be joining us on August 20th. I hope and pray you will come ready to work and to worship.

In Christ,
Bro. Phillip
