Word from the Office

We are a few weeks into our new, yet temporary, schedule. I hope you have found a service in which to worship. A quick reminder about the 10 o'clock hour for Sunday School. One of the most beneficial aspects of church for children, youth, and adults is the Sunday School/small group time. Believers learning and living out their faith together has been the hallmark of our faith since the book of Acts. I hope you will come and join us this Sunday at 10 o'clock and find your new home for life and faith.
Bro. Phillip

Mandy, the kids, and I want to express, again, how thankful we are for the gifts you have given to us and the love you have shown us upon our arrival in Springhill. You have made us feel so welcome and at home here at Central and in Springhill. We are blessed beyond comprehension and feel extremely grateful to be here with all of you, and we are honored to consider ourselves a part of the Central Family. We are excited about the future and what God is going to do in and through this incredible church family. We love you all with the love of Christ! Tim, Mandy, and Family.

I can't believe Fall is already here. I would like to thank our awesome youth committee and volunteers for their hard work and willingness to serve. We had a great beginning to the new school year. God is doing great things in the youth ministry. I invite anyone, parents, and volunteers, anyone who are interested in serving in the youth ministry to see what is happening.

Blessings, Daniel
