Word from Tim

I would like to take a moment and express my gratitude to the members of the Central Choir for their commitment to working hard on the Christmas Musical, *The First Noel*, which will be presented on **Sunday night, December 17 at Central Baptist Church**. There is always a time of adjustment as a new Minister of Music comes in and begins his time of working with the choir. Beginning a Christmas Musical project AND being displaced because of a Sanctuary renovation brings that time of adjustment to a whole different level. I am extremely proud of our choir for their patience and flexibility throughout this whole process. I am privileged to be their director.

I am also thankful for the praise band on how each of them have been flexible and patient during this time of displacement. Our times of rehearsal have been very enjoyable as we have worked together to prepare the music for our times of worship in a temporary situation.

It is simply a pleasure to work with each of these folks! Don't forget to come out on December 17 as we present *The First Noel* in our new Sanctuary! You will worship and you will be blessed!

Blessings,
Tim Hardaway

Word from Daniel

It is hard to believe that 2017 is almost over. This year has been filled with many blessings in the youth ministry. We have done some minor renovations to where we meet on Wednesday nights. These renovations have served to help create a more worshipful atmosphere for our services. The end goal is to help our ministry focus on Christ as He is the center of our worship. We aim to please Him in all we do. As we look ahead to 2018, I'm excited to see what the Lord has in store.
