## Word from Education

It is a blessing to worship in a loving and compassionate church such as ours.

One can see the sweet spirit of our church on many fronts— from the dedication of our Sunday School teachers, CDC workers, the meal ministry, cards and notes from Sunday School classes and departments, to the many other volunteers in various ministries and service. And most of all, the outpouring of love and concern you show during trying times we all face. Brother Phillip has encouraged us many times to join a Sunday School class and also to find a place of service—a place where our God-given talents and individual interest can glorify our Lord and Savior, influence and minister to others, and enrich our own walk with God.

The upcoming VBS is certainly such an opportunity, but also, *so is our Sunday School !!!* We have a pressing and vital need for teachers in the pre-school department, the children's department, and extended care. Also, substitute teachers in all departments would be welcomed. If you are led, think you would like to serve, or even know of someone who may have interest in any of these areas of needs please call the office or one of the nominating committee members.

## Word from Bro. Phillip

Summer is here and so are all of the ministries that go with it. Everything from Vacation Bible School to mission trips to camps. I hope you will be praying for our children and youth this summer. I believe that God has some big things in store for them this summer.

With all of these summer opportunities, there is a place for everyone to serve. Jesus told us that He had not come to be served but to serve. I hope you are looking for opportunities to serve your world for Jesus. There is a lot of pain, heartache and darkness in this world and we are supposed to be light. We are the ones with the good news in a world on a 10 hour bad news cycle. People need help and we are supposed to be that help. People need love and we are called to be that love.

Jesus continued saying that He not only came to serve but to also die, to die a ransom for many. I hope in the midst of all of your summer events, vacations and holidays, you will look for chances to share the good news of Jesus with people.

Know that your pastor & staff are praying that you have a great, safe and Christ-honoring summer.

## Word from Bro. Tim

Hey Kids! Grab your megaphones, lace up your cleats, and tune up your horn. It's time to gear up for the big game! It's "GO" time! Whether you root from the stands, march in the band, cheer on the field, or play in the game, the time is NOW... it's GAME ON! Join us this summer (June 11-15) for Vacation Bible School as we discover that in Jesus, we have everything we need to live a life that honors God. When we trust in Jesus as Savior and Lord, He rescues us from sin and death and gives us power to live joyfully for Him.

Parents please note—there are registration form's for VBS located at the Welcome Center in the front of the Sanctuary and Grand Central next to the Church Office. Please take a moment before or after a Worship Service to register your child. Registering early will help us be prepared for all activities during the week of VBS. Thank you for your help!

## Word from Daniel

Summer is officially upon us! I am very excited for what the Lord has in store for us. Please be in prayer for the youth ministry as we are going to Centrifuge the week of June 4th-9th. Fuge is always a great experience that not only brings us closer together, but closer to God. Pray for our students, chaperones, and myself that we would come back from camp with a message to bring to this community.

I would also like to thank everyone who has donated for camp. Your donation does more for the kingdom than you will ever know. Thank you for blessing the youth so they can go to camp!
