ALL GAVE SOME, SOME GAVE ALL

Memorial Day Service
May 27, 10:45am
Sanctuary

Tim Hardaway-Music/Education Minister
Patricia Mayfield-Ministry Assistant
April Nash-Child Develop. Center Dir.

Word from Senior Adult Ministry

The Senior Adult Ministry is designed to provide fellowship and promote camaraderie among our members ages 50 and above. This is done through planned activities and events of interest to this age group. Our two main events each year are the Spring Banquet in March and our Thanksgiving Dinner each November.

A committee, which includes Ruth Jones, Liz Harkins, Gerald Holland, Shirley McConnell, Linda Nelson, Lester Roan and Fannie Moore, plans and promotes these activities and encourages all members in this age group to participate.

Our next event is Senior Adult Recognition Day May 6 and will include a church-wide pot luck lunch after worship service.

July will be time for homemade ice cream, September means a fish fry and then Thanksgiving in November.

Please make plans to join this group and get to know your fellow church members better and enjoy the many activities available.

Word from Bro. Phillip

The weather has been a little crazy. May is upon us and there haven't been any real hot days, just rain and in some cases, pretty cold mornings. Now, I could go into a tirade about God's mockery of our global scientists and their warming theories, but this isn't the point. The point I would like to make is one often over-looked but of the utmost importance. The sun has come up every morning this year. It may have been hidden by clouds some days and largely forgotten by many others, but it's there. Every morning it is there. How often do we comment or complain about the weather. One says that it is too hot while another has on a jacket. One person may complain about the rain while another says we can use more. In the middle of all of these subtle changes, the sun shines.

How often do we complain about the subtle changes of life. One says how good the "good ole' days" were while another's "good ole days" are today. The Sun shines. One complains about not liking this politician and another thinks he/she is the greatest thing since peach cobbler (there is no such person by the way). The Sun shines. Often over-looked because He is so constant, so faithful. Try this for your pastor--instead of focusing on the circumstances of your life, the weather, or even bigger thing--focus on the Sun that shines because He is shining on you..

Word from Bro. Tim

I have noticed a trend in choir attendance and participation over the years of ministry that God has given me. When Easter passes by and temperatures get warmer outside (although the weather has been somewhat unpredictable so far), that attendance goes down in choir. It seems as if we have entered into a kind of off-season that lasts until Labor Day. Then the cycle starts again with preparations of Christmas Music.

If you are a choir member and regular in your attendance and participation, I want to encourage you to stay active and come to choir as much as you are home. People will travel and go on vacations and that is what you should do. However, when you are home come to choir. We do a lot of work during the "off-season" to learn new songs and anthems to use during the next year.

If you are not a choir member, then now is the time to come and try it out! Come and visit a choir rehearsal one Wednesday night at 7:00. If you like it, come back!

Central Choir is a very important part of what we do in worship! I Hope you will be a part of it!

Blessings, Tim

Word from Daniel

A lot is happening in the youth ministry in the coming months. Camp is just around the corner. The money wall is back up in grand central. Every cent earned from it goes directly to helping our students go to camp. Be sure to pray and see how you can give!
