LAW & ORDER
DEUTERONOMY
Observe the month of Abib & celebrate the Passover to the LORD your God, because the LORD your God brought you out of Egypt by
night in the month of Abib.

Sacrifice to the LORD your God a Passover animal from the herd or flock in the place where the LORD
chooses to have His name dwell. You must not eat leavened bread with it. For seven days you are to eat unleavened bread with it, the
bread of hardship—because you left the land of Egypt in a hurry—so that you may remember for the rest of your life...
the day you left the land of Egypt.
