**Mission Opportunity**

Millcreek has a Therapeutic Group Home in Raleigh, MS, which serves adolescent males. It was opened in late 2014 and is a ten bed facility which provides services for children who are in the custody of the Department of Human Services. Many of our residents are here on temporary basis (six months to a year) until more appropriate placement can be found or until their behavioral issues are resolved and they are ready to move back into the community. However, some of our residents have no family members or loved ones to return to and therefore stay at the group home until they are able to live independently.

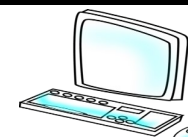

Millcreek provides for all of the physical needs of the residents, so this is not a concern; however, several of our residents do not have any significant relationships outside of Millcreek or the Department of Human Services. They could benefit from having a mentor who would be available to call them and perhaps take them to church or out to a meal from time to time. Because I only have males at the group home, the mentor would need to be a male.

Anyone interested, could call me for further information, and I would be glad to answer any questions that they might have. My cell number is (769)274-5219 or you may call me at home (601) 733-5682.

In Christ,  
Valerie McCord, LPC  
Program Director

**The Dezman Fleury Foundation  
Needs Your Help!**

The Dezman Fleury Foundation is a non-profit ministry in Leogane, Haiti. The ministry consists of an orphanage, school, and foodbank. They are currently in the process of trying to develop a trade school to teach sewing, computer skills, nursing care and carpentry skills to their children so that they will be able to provide for themselves after they leave the orphanage.

If you have any old computers, sewing machines, medical equipment, carpentry tools, etc. that you could donate to this ministry, please prayerfully consider doing so. The items will be collected from now until the summer when they will be taken to Haiti with a mission team.

If you would like more information, please call Valerie McCord at (769) 274-5219. My husband is the pastor of New Sardis Baptist Church in Mize, MS and our church has been involved with the Dezman Fleury Foundation for some time.

I have met Pastor Kelly on several occasions and feel confident that any and all assistance given to this ministry is used appropriately and for the glory of God.
