**The Dezman Fleury Foundation
Needs Your Help!**

The Dezman Fleury Foundation is a non-profit ministry in Leogane, Haiti. The ministry consists of an orphanage, school, and food-bank. They are currently in the process of trying to develop a trade school to teach sewing, computer skills, nursing care and carpentry skills to their children so that they will be able to provide for themselves after they leave the orphanage.

If you have any old computers, sewing machines, medical equipment, carpentry tools, etc. that you could donate to this ministry, please prayerfully consider doing so. The items will be collected from now until the summer when they will be taken to Haiti with a mission team.

If you would like more information, please call Valerie McCord at (769) 274-5219. My husband is the pastor of New Sardis Baptist Church in Mize, MS and our church has been involved with the Dezman Fleury Foundation for some time .

I have met Pastor Kelly on several occasions and feel confident that any and all assistance given to this ministry is used appropriately and for the glory of God.
