Mother's Day Out Program 2019-2020

BWBC offers classes for newborn through preschool age children - **September 5 - May 8**

We have limited space available and it is on a first-come, first-served basis. Our program is a two-day program, Thursday & Friday. You may choose one or both days. Times are 9:30am-2:30pm.

Cost: Thursdays only, \$92 per month; Fridays only, \$84 per month; both days, \$154 per month. Plus a one-time registration fee of \$35 (non-refundable).

WHAT WE DO

Our curriculum is theme-based to include Bible stories, letters, numbers, arts & crafts, outdoor play, music and busy feet. Special activity days occur throughout the year. We will follow the Moore Public School 2018-2019 calendar.

WHAT TO BRING

Children are asked to bring a cold lunch and change of clothes every day. These items should be labeled with their name and in their backpacks. A light jacket is suggested most days. **Please note: because of limited space, items cannot be stored at BWBC.**

Each time you come to the nursery area, please bring a diaper bag that is clearly labeled with your child's name and contains items listed: PLEASE MAKE SURE YOU CLEARLY LABEL ALL BELONGINGS

- An ample supply of diapers
- Diaper cream or ointment if needed
- Bottles with formula (nursing room provided if you choose to breast feed your child)
- Lunch - ready-to-eat (we cannot heat any lunch items)
- An extra change of clothes
- A pacifier if your child uses one
- Any security items your child may need (blanket, stuffed animal, etc)

WE KNOW EACH CHILD IS A UNIQUE GIFT FROM GOD

Thank you for sharing your child with us and allowing us the privilege to serve you and your child in a special way. Our staff is experienced in teaching preschoolers and they are excited to provide a quality program your child will enjoy. We look forward to all the opportunities to play and learn together.
