

I STILL BELIEVE IN A SUPERNATURAL GOD!

2 Timothy 1:5-14 was our text on Sunday as we highlighted the sincere faith of so many, the assurance of knowing whom we have believed, and that He is able to keep us for His purpose and grace! I am sure that He who began a good work in you is going to finish what He started! We must put Him and His supernatural power on display before a watching world. We talked about Benjamin Franklin and Thomas Jefferson being of the Deist religion. Jefferson produced a work entitled the "Life and Morals of Jesus of Nazareth" where He cut out most anything which had to do with the miracles of the Bible! Not only things like the feeding of the five thousand, but he rejected the resurrection of Christ as well. I challenged us as N.T. born again believers to live in a way which shows the resurrection power of our Christ who indwells us! Some of our fore fathers sought to live a fairly moral life and would seek to follow the beatitudes of Christ, but they were void of any power to do so because they were not filled with resurrection power that the apostle Paul talks about in Philippians 3. We not only accept the morality of the Bible, the sound pattern to follow, but we daily surrender to the Master of the Bible as we seek to crucify self and live out the Christ life. We must guard the good deposit, according to verse fourteen, that has been entrusted to us and seek to live up to our calling in Christ. But we cannot make a difference until we let Christ make us different! What a joy it is, church, to have an on-going daily relationship with Jesus Christ where we walk with Him and talk with Him. Let's get after it, church; we have the rest of eternity to rest. Let's seek to let people know about the difference Jesus can bring to any life!

I hope you had a great week and I look forward to starting VBS next week. I affirm you and your sincere faith in Christ. We don't need something new, but rather, we need to stir up, fan into a flame, what is already in us as we reach out to a lost world! Love my church family! See you this Lord's day as we worship together. "Lord, speak to us - your servants are listening!"

Love you and striving to fill your bucket!
