MISSIONARY MOMENTS

What comes to mind when you hear someone talking about Colorado? Snow skiing? The Rocky Mountains? Cowboys? Well, all of those are in Colorado, but this morning think of it as a mission field where people need to hear the gospel. Today we're going to pray for David and Kathy Britton who serve in and around Pueblo, Colorado. They work with the Royal Gorge Baptist Association, which has 23 churches, most of them small. The Brittons help figure out how the members of those churches can get out of their buildings and share the gospel. They have come up with all sorts of events for that. One is a big barbecue they call the "Beast Feast." They recruited volunteers to set up a baby changing station at the Colorado State Fair, so Baptist folks could share the gospel with young families. They help set up programs to tutor kids in school and help people distribute witnessing horseshoes at rodeos which are often held in Colorado. David and Kathy are self-funded missionaries sent to Colorado by our North American Mission Board. Though self-funded, Cooperative Program giving helped make the arrangements for them to serve in Colorado. Let's pray for them now.
