MISSIONARY MOMENTS

Larry Pepper was on a trajectory. He was a NASA flight surgeon who was good at his job, active in his church, involved as a dad—and possibly headed for space. It wouldn't be long before he ended up as a candidate finalist for a space mission. But God interrupted his plans. As Larry thought more and more about his life and its eternal significance, he felt God saying, "You've committed everything to me except your job." It soon became evident God was drawing him to walk away. PRAY for Larry and Sally to maintain endurance in their medical ministry and have open doors to disciple the people they meet.

PRAYING FOR OUR NEIGHBORS

Bettie and Bobby Smith, Kathy and Ronnie Hamblin, Dixie and James McConnell
Allen and Sanda Matlock, Stephen and Joanne Theobald

Jesus, may my neighbors continually turn to You and call upon your name. May they walk in the fullness of Your direction in every circumstance as You deliver them from harm and cause them to be a blessing to others. "I call on the LORD in my distress, and He answers me." Psalms 120:1
