MISSIONARY MOMENTS

Larry Pepper was on a trajectory. He was a NASA flight surgeon who was good at his job, active in his church, involved as a dad—and possibly headed for space. It wouldn't be long before he ended up as a candidate finalist for a space mission. But God interrupted his plans. As Larry thought more and more about his life and its eternal significance, he felt God saying, "You've committed everything to me except your job." It soon became evident God was drawing him to walk away. PRAY for Larry and Sally to maintain endurance in their medical ministry and have open doors to disciple the people they meet.

PRAYING FOR OUR NEIGHBORS

Sadie Herald, Jack and John Walters, Mildred and Thomas Webster,
Orman Ramelle, Mundy Easley

Open the eyes of my neighbors. Turn them from darkness to light, from the power of Satan to God, so that they will receive forgiveness of sin and a place among those who are saved by faith in Jesus. Acts 26:18
