BUILDING TOGETHER IN FAITH

Received in June: \$30 Received to Date: \$306,981

Building Together in Faith is our debt retirement fund. These designated gifts are applied to the principal of our building loan note. We are thankful to those who faithfully give to our Building Fund.

MISSIONARY MOMENTS:

Today we're going to talk about two of our missionaries in, Mark and Susie Edworthy. They moved to Krakow, Poland's second largest city, in 2016. In just one year they got a strong church planted and doing well. Fifty people attended the first service and soon the church started youth clubs, English classes, outreach on campuses and evangelism projects. It was unusually successful in just a year. It is so good to know that our church is supporting them every month as we give through the Cooperative Program. Let's pray for them now and ask God to continue to bless their work there in Poland.
