TEMPLE TIDINGS

Temple Baptist Church

Volume No. 233

May 2026

FROM THE PASTOR'S DESK

Dear TBC Family,

“Set your mind on things above, not on things on the earth. For you died, and your life is hidden with Christ in God. When Christ who is our life appears, then you also will appear with Him in glory.” Colossians 2:2-4 (NKJV)

We have a lot on our minds. Our sphere of concern stretches from the people we love to the state of the world and everything in between. Mix this with all the issues in the media and it's easy to become confused about what is important.

As our mind is filled with so much, God's truth is quickly overlooked and left out of our lives. When fear or doubt begin to define us, we quickly pass it on to those around us. Instead of living by faith and freedom, lies and misinformation bind and cripple us.

Consistently meditating on God's Word and our secure future in heaven has the power to set us free. Let's focus on nurturing an eternal perspective as we live each day!

May 7 is the National Day of Prayer, so please pick up a prayer guide in the church foyer and participate as God leads. Prayer is one way to honor God and country, as we join others in united prayer for spiritual awakening in America.

Mother's Day, May 10, is another way to show honor to our mothers for the gift of life and the many ways they have blessed us and others. Truly our mothers are a gift from God and there are many ways to show our love and gratitude to them.

Remember you are His witness to your family, co-workers and neighbors. Be intentional to honor others by sharing the good news of salvation in Jesus Christ with those who need hope and love.

Let me encourage you to be a part of these celebrations. Join us in Bible study for all ages each Sunday at 10:00 AM and our Bible Study at 5:00 PM each Sunday.

Thankful for all of you,

Sam

For those who serve our communities & Nation.

The National Day of Prayer is an annual observance held on the first Thursday of May, inviting people to pray for the nation. The National Day of Prayer belongs to all Americans. It is a day that transcends differences, bringing together people from all backgrounds. NDP Task Force President Kathy Branzell says, "The 'now' generation is filled with the Holy Spirit and passionate about prayer. Maybe we'll talk less about Washington, and more about the whole nation and all the prayers being lifted up."

Join us May 10 as we honor/remember our mothers during Morning Worship.

We will also take up a special offering for the Baptist Children's Village. This offering provides at-risk children & their families with hope and a strong foundation for their future. We will accept donations through Father's Day, June 21st.
