FROM THE PASTOR'S DESK

Dear TBC Family,

Summer is here! Father's Day is just three weeks away. I'm looking forward to honoring our fathers as we celebrate and worship God's faithfulness together.

In reflecting on our responsibility to reach out to others, I have been thinking about the reality of heaven. As Christ-followers we have a dual citizenship—on earth and in heaven. Our citizenship in heaven should make us better people here on earth. Our feet are on earth but our hearts and minds are in God's heavenly kingdom. The day is coming when our permanent address will change!

We are inundated with cultural distortions of heaven that we may not have a biblical picture of our future eternal home. Heaven is a wonderful place filled with glory and grace. A recent Barna research survey says that most people believe they are going to heaven when they die. However, the Bible is very clear that there is only one way to heaven—JESUS! He is the way, the truth and the life and no one comes to the Father but by Him (John 14:6). With this in mind, let me challenge and encourage you to share the gospel and the love of Christ with those who are in your sphere of influence.

Heaven is the continuation and fulfillment of God's eternal purpose on earth. If you have the Spirit of God through faith in Christ, there is a future planned for you that you've not seen, nor heard, nor even imagined. We are changed when we live with eternity in view. Let's intentionally reach out to those around us with the love and message of Jesus as we seek to take as many people as we can with us to heaven, our eternal home!

With Eternity in View, Sam
